### **Pipe Bursts Causing Flooding at Children's Court Center**

Milwaukee, WI – Late yesterday afternoon, a deputy picking up duty equipment at the sheriff's control center at the Vel Phillips Juvenile Justice Center, 10201 W. Watertown Plank Road, noticed standing water in a hallway. The water appeared to be coming from a locked control room. The deputy alerted the county Facilities Management to the immediate need to find the source of the leak, which was located in the ceiling of the control room.

The extent of the water damage will be determined by the county Facilities Maintenance manager, Gary Waszak.
