Truck and Two Cars Crash on Freeway Semi-roll-off truck straddles median wall

Milwaukee, WI – A semi roll-off truck was involved in a crash with two other vehicles on southbound I-94 near Rawson Avenue this morning at about 8:15 a.m. today. The truck cab ended up going over and straddling the median wall, necessitating the closure of two southbound lanes and one northbound lane of traffic while the truck and spilled diesel fuel was removed.

No serious injuries were reported. The driver of one of the cars was transported to Froedtert for a complaint of neck and back pain. Oak Creek fire and rescue assisted in medically evaluating the subjects at the scene and making the truck safe from the fluid leaks. The lanes were reopened by 11:15 a.m.

Witnesses and subjects involved in the crash are being interviewed. The cause of the crash remains under investigation. There is not any DOT/STOC video footage of this crash.
