### **Squad Struck at Crash Scene**

**Milwaukee, WI – This morning, at 5:38 a.m., a deputy was at the scene of a car/truck collision on I-43 northbound just north of West Holt Avenue in the median distress lane with his squad emergency lights activated. His squad was struck by a 2008 Volkswagen Jetta.**

**The driver of one of the vehicles in the original crash was in the squad with the deputy when the squad was sideswiped, breaking the side mirror and scraping paint off the side of the squad. No one was injured in this crash, and the vehicles sustained only minor damage. Milwaukee Police Department officers are investigating the squad crash. There is no DOT video of the crash.**

**Sheriff David A. Clarke Jr. would like to remind motorists to adhere to the Move Over Law on the freeway system. The law requires drivers to shift lanes, or slow down if traffic prohibits moving over, to help safeguard law enforcement officers, emergency responders, and road maintenance workers performing their responsibilities on the freeways.**

**Moving over or slowing down provides a safety zone for a squad car, ambulance, fire truck, tow truck or highway maintenance vehicle that is stopped on the side of the road with its warning lights flashing.**
