Sheriff Orders Lakefront and Park Initiative to Begin Today

Milwaukee, WI – With the forecast today that hopefully will begin a trend of warmer weather, Sheriff David A. Clarke Jr. ordered the deployment of the annual lakefront and park initiative. This plan is designed to create an orderly quality of life environment along the lakefront and at inland parks.

“Quality of life enforcement includes disorderly conduct, excessive intoxication, cruising with loud music, people hanging out of vehicles and other rowdy behavior that law-abiding, civil people find obnoxious. People who lack the social skills necessary for public venues where large numbers of people gather should go somewhere else. Arrests will be made. This is the warning,” said Sheriff Clarke.

The Patrol Division closely monitors crowd size and weather conditions and adjusts staffing levels as necessary throughout the late spring and summer months.
