Sheriff Suspends Courthouse Security Guard

Milwaukee, WI – Sheriff David A. Clarke Jr. today ordered an investigation into a complaint against a courthouse security guard accused of inappropriately touching women. A woman reported that a security screener touched her, which is against MCSO policy. Under no circumstances should the security personnel be touching visitors to the complex. If further search is required, a deputy should be called to do a pat down.

The guard will be suspended pending the outcome of the investigation. No further details will be available until the conclusion of the investigation.
