### **Driver Dies from Gunshot Wound**

Milwaukee, WI – This morning at about 10:30 a.m., sheriff's deputies responded to a call about a subject who had been shot in a vehicle on I-41/US-175 southbound near Vliet Street.

The 26-year-old driver sustained a gunshot wound. Deputies found that the driver was pulseless and not breathing and began CPR until MFD emergency medical personnel arrived. The female victim was pronounced dead at the scene.

Initial witness accounts indicate that a child in the back seat of the vehicle got ahold of a gun and discharged the firearm, sending a single bullet into the driver's back.

The MCSO investigation into the death is on-going.
