### **Man Sentenced to 7 Years for Stealing Cars, Shooting Vehicle Windows at Airport Parking Garage**

Milwaukee, WI – Judge Christopher Dee sentenced Paris M. Chambers, age 18, of Milwaukee, to seven years in Wisconsin State Prison, followed by 10 years of extended supervision, in Milwaukee County Court Case 2016CF000613.

The case gained widespread attention earlier this year, when 58 vehicles had windows shot out and possessions stolen while parked at the General Mitchell International Airport garage between January 30 and February 3. Catching the subjects was hampered by non-functioning video cameras at the exits. Greenfield police officers spotted a red Ford pickup that had been reported stolen from the airport and the two subjects were arrested with a BB gun rifle and three BB gun pistols in their possession.

Subsequent to Sheriff Clarke highlighting the lack of video surveillance as a homeland security issue, airport operations is installing expanded video surveillance throughout the airport. Sheriff Clarke said, "This incident served to heighten a sense of urgency about improving security at Mitchell International Airport that I had brought to their attention several times in the past. It's too bad that it was at the expense of the victims of these serious crimes."

Chambers was found guilty of:

Attempt Take and Drive Vehicle w/o Consent, a class H felony, WI Statutes 943.23(2).

Criminal Damage to Property, a class A misdemeanor, WI Statutes 943.01(1).

Take and Drive Vehicle w/o Consent, a class H felony, WI Statutes 943.23(2).

Criminal Damage to Property, a class A misdemeanor, WI Statutes 943.01(1).

Bail Jumping-Felony, a class H felony, WI Statutes 946.49(1)(b), two counts.
