Inmate Found Dead in Cell at Milwaukee County Jail

Milwaukee, WI – Yesterday, at about 7:20 a.m., a female inmate was found unresponsive in her cell by a correctional officer. Emergency medical and jail medical staff responded, but the inmate was declared dead at 7:38 a.m.

The inmate, Kristina A. Fiebrink, age 38, of West Allis, was arrested by MPD officers and booked into the jail on August 24. Fiebrink appeared in intake court on August 26 and received a \$1000 personal recognizance bond for Resisting/Obstructing an Officer. A State Department of Corrections felony Violation of Parole order required that she be detained over the weekend in the jail until DOC would take custody of the inmate after the weekend.

Cause of death is not yet known.
