Sheriff's Detectives Continue Investigation on Freeway Shooting

Milwaukee, WI – Yesterday, at 1:40 p.m., deputies responded to reports of shots fired on the freeway at northbound I-43 near Walnut Street.

Witness accounts indicate an occupant of one vehicle was shooting at a target vehicle. A southbound vehicle was struck by a bullet, and another northbound vehicle was struck by one of the subject vehicles as it fled. No injuries were reported.

The northbound freeway was closed to traffic while deputies and detectives canvassed for evidence. They recovered 19 shell casings in their search.

Detectives continue to review DOT video and video in the area of nearby exit ramps. Witness descriptions of the vehicles involved do not provide specific models, but one is described as a dark red or maroon SUV, and the other as a dark red sedan.
