Deputies, Correctional Officers and Civilians to be Honored at Annual Awards Luncheon

Milwaukee, WI – Sheriff's deputies, correctional officers, civilian staff and community members will be honored for heroic acts and community service, at an awards ceremony tomorrow.

Among the stories attendees will hear include the following: a number of instances where deputies, correctional officers and citizens helped save lives at the jail, airport, on the freeway and on a city sidewalk.

Also receiving recognition is a deputy who spotted and stopped a wrong-way drunken driver, and several deputies and K9s who pursued and arrested armed robbery suspects.

Community Service awards will be given to two women whose efforts and personal support for Kosciuszko Park benefit the surrounding neighborhood.

Major underwriters supporting this annual event are Badger Mutual Insurance, Johnson Controls, WaterStone Bank, Hupy and Abraham, Roundy's, Surge Restaurant Group and New Resources Consulting. Other event sponsors are listed in the awards program and signage at the event. Their contributions to our 14th Annual Awards Luncheon allow us to recognize the extraordinary accomplishments of our award recipients without using taxpayer money. We thank the sponsors for their commitment to law enforcement in our community.

Media is invited to attend. Information on individual award winners will be available at the event.
