Semi-flatbed Trailer Truck Strikes Two Squads

Milwaukee, WI – A sheriff's deputy suffered non-life threatening injuries at about 6:20 a.m. this morning in the Mitchell interchange (from the south to the north) when his squad was struck by a flatbed trailer truck. The deputy was providing protection for another deputy who was assisting a vehicle that had spun out. The truck subsequently struck the other squad at the scene, pushing it into the disabled vehicle.

The deputy was extricated from the squad and conveyed to Froedtert Hospital. The Milwaukee Police Department is handling the crash investigation and any charges against the truck driver.

Drivers are required to move over or slow down for emergency vehicles on the freeway.
