Spring 2012 9th District Highlights

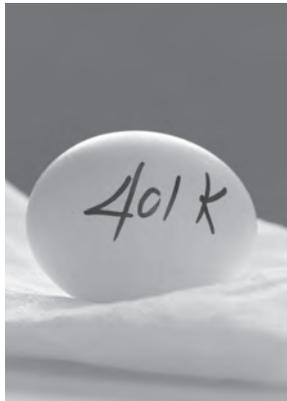

Falk Park gains 15% more land!

Falk Park has been expanded to include the 42-acre Esch Honadel Woods, an environmentally significant woodland and wetland complex. This was accomplished at no cost to taxpayers, thanks to the help of Oak Creek, Milwaukee County and Northwestern Mutual.

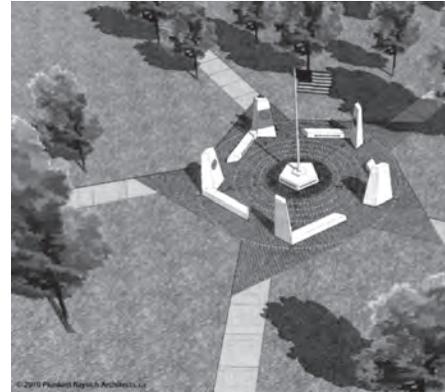

Lakefront Master Plan

The County Board has approved a long-range Lakefront Master Plan to promote economic growth and development in Milwaukee County. This plan makes the lakefront more accessible and attractive to residents and visitors throughout the year. Our lakefront should be enhanced and celebrated. I thank the members of the Long-Range Lakefront Planning Committee and Parks Director Sue Black for forwarding these recommendations.

401(k) pension plan proposed

According to our actuary, switching County employees from the current defined benefit pension plan to a defined contribution plan can save taxpayers more than \$267 million in the first ten years and more than \$2.2 billion in 50 years. I voted to move this item forward to lower employee costs in Milwaukee County.

The **Veterans Memorial in Hales Corners Park** will be dedicated on Memorial Day, May 28, 2012. For information, call:
