Dear Friend,

I greet you with peace and love. We are all so blessed; so many times we take the regular things in our life for granted. Enjoy the blessings; make someone's day by just a smile and a friendly hello. You will be amazed at the difference you can make in a person's life.

This enews shares the good news today...

Milwaukee County Parks celebrates its 100th year anniversary! Milwaukee County Park Director, Sue Black and her amazing staff, brings refreshing experience under her leadership. With the support of the Milwaukee County Board and the community, Director Black has grown in a positive direction and has come a long way. To her creditability she has matured in the area of diversity. She has made the department better and I am confident that the mission set forth will increase.

Diversity in government or the private sector takes continuous work. Last year the Milwaukee County Board interceded to stop the closing of the pools; working hand in hand, the pools will be open. Also, upgrades will be going on at both King and Kosciusko Community Centers. Our golf courses will have plenty of tee times and this is only the beginning of the season!

Yes, Director Black is on her way, and if not, now - you know I will be the first to let anyone know that their department needs some work. Moreover, I will also be the first to let a department director know they are on the right track to keep up the good work. Furthermore, I will take the initiative to assist them with whatever needs to be done.

Director Black, you have had your challenges, you are on the right track, keep up the good work and if you need my assistance...I am a call away!

Residents of Milwaukee County, come join us as we celebrate one of our many jewels, The Parks Department 100th Anniversary.

I know many of you all have seen the great commercial with the Rufus King High School

Band and Choir kicking off the 100 years anniversary for the Milwaukee County Parks Department. Take the time to share with your loved ones, family, and friends a day(s) in the parks. Enjoy the green space and do an old fashion family picnic, turn off the television and get back to our old school values of getting close to God and nature. Check out the Parks use the Parks and have fun in the Parks!

Save the dates...

June 26th Volunteer and Vendor Kick-Off for the Dr. Martin L. King Jr. Back to School Festival at Gene's Supper Club, 4363 North 60th Street, come and sign up to be a volunteer or vendor at the festival. We need you there!
