Concealed Carry Legislation

Sup. Biddle Testifies in Opposition, Requests Changes

Supervisor Biddle testified at the state capitol in Madison stating his opposition to the Concealed Carry Legislation. He has since called on Governor Walker to go further with permit restrictions.

"It is imperative that public facilities in Milwaukee County be exempted," Biddle said. "Concealed weapons should also be restricted in places like taverns, hospitals, child care centers and churches."

Biddle went on to talk about his concern of the safety of families onboard the Milwaukee County Transit System, the main terminal of General Mitchell International Airport, and in our parks, zoo, museums, and mental health complex if the proposed legislation goes into law.

Biddle is the lead sponsor of a resolution approved by the Milwaukee County Board to oppose concealed carry legislation in Wisconsin.

Fighting for the Working Class

Supervisors Biddle and Harris Push to Negotiate AFSCME Contract

Supervisor Biddle, along with Supervisor Nikiya Harris, have been hard at work, fighting for working class families by calling on the Milwaukee County Board to enter into negotiations with AFSCME District Council 48.

A strong supporter of Collective Bargaining Rights for workers, Supervisor Biddle urged the County Board to act with a sense of urgency given the provisions of Governor Walker's budget repair bill, which was opposed by Supervisor Biddle.

Supervisors Biddle & Harris encourage their colleagues to vote in favor of immediate negotiations.

Agreement Reached with County Nurses

The Milwaukee County Board of Supervisors recently approved a contract extension for 334 nurses employed by the County. The contract will save \$1.7 million in 2012 and was done in a way that saves taxpayer dollars while respecting the collective bargaining process.

"I applaud Chairman Holloway and my colleagues who fought for this. This is an example of true leadership. This is the type of leadership I hope we can continue as we go into the County Budget season. We can save taxpayer money, preserve services that enhance the quality of life for our residents, and respect workers all at the same time," said Supervisor Biddle.
