\$750,000 IN ENHANCEMENTS UNDERWAY AT MILWAUKEE COUNTY'S LAWRENCE J. TIMMERMAN AIRPORT

Supervisor Thomas expects project to draw additional air traffic to Milwaukee's northwest side

Milwaukee, WI – Milwaukee County Supervisor Johnny L. Thomas is proud to announce that \$750,000 will be invested in improvements at Lawrence J. Timmerman Airport on Milwaukee's northwest side.

The work includes repaving the terminal parking lot, which is already underway, along with upgraded lighting, performing environmental engineering to extend one of Timmerman's runways, and removing obstructions. Milwaukee County is contributing \$76,500 to the project, while the State and Federal funds will cover the remainder of the project.

"I thank Governor Jim Doyle and Senator Lena Taylor for moving these projects forward," Supervisor Thomas said. "Improving Timmerman airport's runways and facilities will bring more general aviation activity – and jobs – to Milwaukee County."

Timmerman Airport is located in the 18th District, which is represented by Supervisor Thomas.
