SUPERVISOR KHALIF RAINEY HOSTS EVENT TO HELP COLLECT COATS FOR KIDS

Please join Milwaukee County Supervisor Khalif Rainey for Vince Condella's "Coats For Kids" 30th anniversary coat drive. Kickoff begins October 4 at 10 a.m. at Gee's Clippers, 2215 N. Martin Luther King, Jr. Dr.

The collection kickoff site for coats will be at Gee's Clippers from Saturday October 4 through October 11. Collections will also be made at Gee's Clippers at 4323 W. Fond Du Lac Ave.

The annual "Coats for Kids" program helps families in our community who may not be able to afford a brand new winter coat keep warm for the winter. All sizes of gently used children's and adult coats are accepted. They are distributed by the Salvation Army.

"As the weather starts to get colder it is so important all of our neighbors have the ability to stay warm," Supervisor Rainey said. "Let's come together to support this worthwhile cause. I want to thank FOX 6 and Geaulian Smith of Gee's Clippers for helping the children in our community."
