Chat with the Chair

February 2015

Dear Friends,

I am thrilled to announce the launch of Milwaukee County's new podcast, CountyCast. I want to keep residents informed on important County issues, and CountyCast is an easy and effective way to do just that. In this edition of my newsletter, you will find a link to our very first podcast episode.

I am also pleased to announce that Noyes and Pulaski pools, Milwaukee County's only indoor pools, will be getting some important upgrades this year. I fought to keep these pools open, as they are a much needed resource to our community. I am now happy to move forward in ensuring these resources be properly maintained.

Lastly, with winter weather in full swing, I want to share all the fun activities Milwaukee County has to offer. I am looking forward to the upcoming Winter Blast in Bay View as well as the premiere of the Silver City episode of "Around the Corner," which tours the Silver City neighborhood right here in Milwaukee. I am proud to represent these great neighborhoods.

No matter your interests, there is something for everyone, from the Winter Farmers' Market to skiing and sledding. I hope to see you out in our community.

Sincerely,

Marina Dimitrijevic, Chairwoman
Milwaukee County Board of Supervisors
4th District

Two Pools to be Upgraded

The Pulaski Park Swimming Pool and Noyes Park Swimming Pool facilities will be getting upgrades. The projects will include mechanical and electrical equipment upgrades, and will also include repainting in sections of the interior at both Noyes and Pulaski Pools. The projects are expected to be completed during the summer and fall of 2015.

Appliance Recycling Program

You can earn up to \$80 for recycling your old appliances and save hundreds in annual energy costs. The program offers free pick up and recycling of your old, inefficient, working refrigerators and freezers.
