### **SUP. DIMITRIJEVIC PARTICIPATES IN MARQUETTE UNIVERSITY CLASS** *Featured speaker at "Women in American Politics" class*

**Milwaukee, WI** – Milwaukee County Supervisor Marina Dimitrijevic was the featured speaker at Marquette University's Women in American Politics class on Wednesday. Supervisor Dimitrijevic shared with students her story of running for office and becoming the youngest woman ever elected to the Milwaukee County Board of Supervisors. Supervisor Dimitrijevic is also an honors graduate of Marquette University, where she received a Bachelor of Arts degree in Political Science and Spanish.

"It was exciting to be back at my alma mater to discuss the important role that women play in American politics today," Supervisor Dimitrijevic said. "Women are participating in government more than ever before, and we must do everything we can to continue that trend."

After the Marquette class, Supervisor Dimitrijevic held her monthly Town Hall meeting at the O.A.S.I.S. Center on Mitchell Street in Milwaukee.
