**STATEMENT OF COUNTY BOARD CHAIRWOMAN MARINA DIMITRIJEVIC
AND PARKS COMMITTEE CHAIRMAN GERRY BRODERICK ON THE APPOINTMENT OF A
NEW COUNTY PARKS DIRECTOR**

“It’s nice that the County Executive is finally focusing on the management of Milwaukee County by working toward filling the many vacancies in his administration.

“We look forward to receiving the appointment of the new Parks Director during this cycle because of the heavy use of parks during the summer season. The people of this County value their parks. Mr. Dargle will have big shoes to fill in the eyes of this community after the release of Sue Black.”
