**COUNTY LAND PUSHES PARK EAST REDEVELOPMENT FORWARD**

*Groundbreaking on MSOE project will serve as catalyst for entire Park East Corridor*

**Milwaukee, WI** – County Board Chairwoman Marina Dimitrijevic and Supervisor Patricia Jursik will join Milwaukee School of Engineering (MSOE) President Dr. Hermann Viets and other local dignitaries at today's groundbreaking of MSOE's Athletic Field and Parking Complex in the former Park East Corridor.

Milwaukee County played the lead role in the project when the County Board unanimously approved the sale of County-owned land to MSOE.

"This development will serve as a catalyst for the entire Park East corridor; I am pleased that the County Board played a key role in helping this project move forward," Chairwoman Dimitrijevic said. "It's also great that MSOE has embraced the Park East Redevelopment Compact, which ensures that a diverse workforce will be employed and paid family-supporting wages. This is a great project that will benefit the entire community."
