COLLABORATIVE WORKING TO FILL 2,000 TRANSITIONAL JOBS IN MILWAUKEE COUNTY

Milwaukee, WI – Milwaukee County Board Chairman Lee Holloway is working with members of the Milwaukee Transitional Jobs Collaborative to fill 2,000 jobs that are available in the Milwaukee County area. Under the program, both public and private employers can receive a maximum 100% subsidy for up to six months for hiring an eligible participant. Funding is provided by the Temporary Assistance for Needy Families program. More than a thousand job slots are still available.

“We need to get the word out. These are wage-paying jobs, and Milwaukee County will do everything it can to promote these jobs for the betterment of our community. We’re also looking for additional employers to participate in the program,” Chairman Holloway said. “There are people in Milwaukee County looking for work and can perform jobs well. These are the kinds of opportunities that can jump-start our economy. Jobs can be created and funded in a variety of fields across Milwaukee County.”

Employers interested in participating should contact the following:
