SUPERVISOR JOHNSON RECEIVES SOCIAL WORKER AWARD

State award will be presented in Madison next month

Milwaukee, WI – Milwaukee County Supervisor Willie Johnson, Jr., has been chosen to receive the Public Service Award from the National Association of Social Workers, Wisconsin Chapter (NASW-WI).

Supervisor Johnson was chosen by the NASW-WI Executive Committee for his pursuit of social and economic justice on behalf of the citizens and employees of Milwaukee County.

“It is an honor to receive this award from NASW-WI and I thank the Executive Committee for selecting me,” Supervisor Johnson said. “I will continue to support our community of social workers, who do great things for our society every single day.”

The prestigious award is presented to non-social workers who support social work values and ideals that positively impact people in the State of Wisconsin.

Prior to his election to the County Board, Supervisor Johnson worked for the Department of Human Services as a financial assistance worker and a human service worker.

The award will be presented to Supervisor Johnson next month in Madison.
