

## **RESOLUTION**

WHEREAS, the Port of Milwaukee is a City of Milwaukee entity whose mission includes enhancing the City's overall economic and social environment and supporting public recreation and leisure consistent with the public interest;

AND WHEREAS, the City of Milwaukee has stated its support of opening the Hoan Bridge to bicyclists and pedestrians, and has expressed that support to the Wisconsin Department of Transportation;

AND WHEREAS, the Port of Milwaukee, consistent with the City's position on this issue, endeavors to accommodate and support the Department of Transportation study on the feasibility of including bicycle and pedestrian traffic as part of the current Hoan Bridge design of the re-decking project;

BE IT RESOLVED THAT, the City of Milwaukee Board of Harbor Commissioners endorses the addition of bicycle and pedestrian traffic over the Hoan Bridge, provided that access can be accomplished in a safe manner.
