

Greene Park 2011 Improvements Summary

This project is budgeted through the Milwaukee County Capital Improvement Plan for design and construction in 2011.

The design process included meetings with County Parks operational staff, marketing staff, and the public.

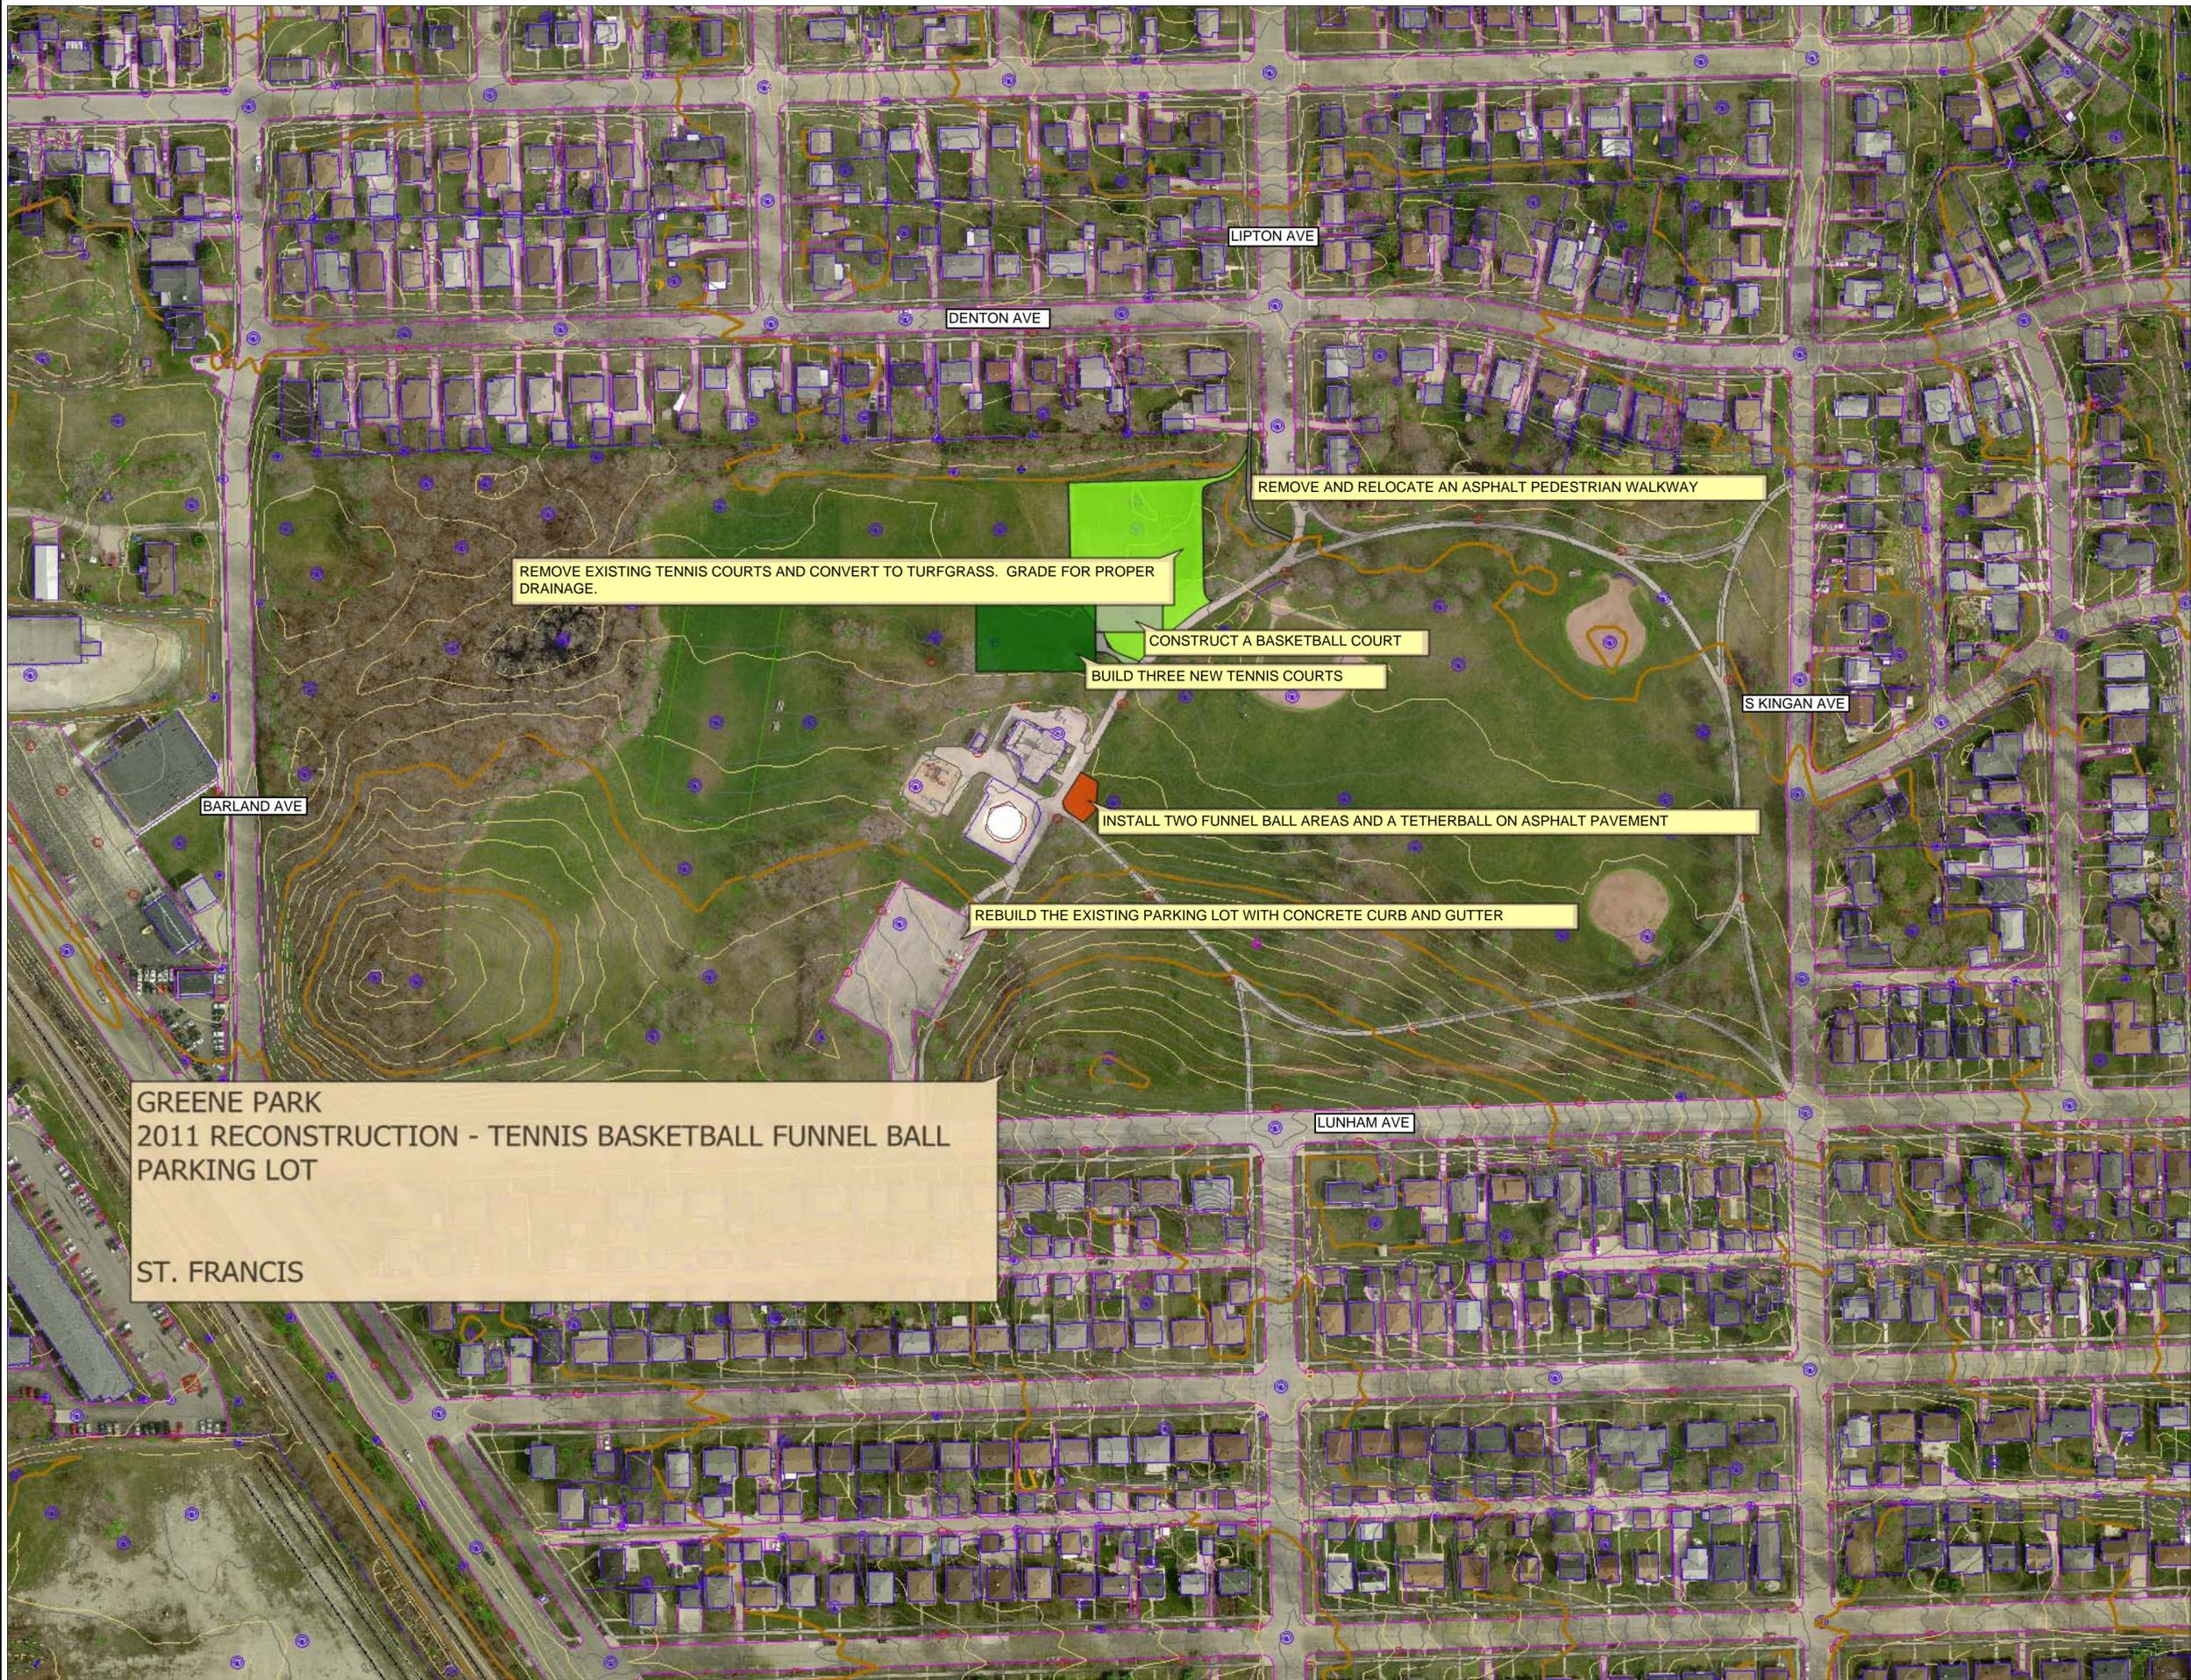

Benefits of the park improvements include:

1. Preservation of key trees.
2. Creation of additional green space along the north property line of the park.
3. Walkway connections.
4. Reconstructed asphalt parking lot.
5. Centralized location of recreation activities to create permanent green space.
6. New tennis and basketball courts for active recreation.
7. New funnel ball and tetherball play opportunities.
