South Side and South Suburban Business and Community Meetings

Transit on the Chopping Block?

Public transit is a vital part of our area's mobility and economy.
Proposed transit changes in 2012 Milwaukee County budget
would bring the potential for harmful service cuts
....and also helpful cost-saving efficiencies.

- **Learn about the proposal to reduce and restructure Milwaukee County Transit System**

- How will changes impact businesses' access to workers and customers? Will individuals' access to jobs, shopping, healthcare and other critical destinations for an independent and productive life be impacted?
- Share your insights and feedback
- Find out ways that you can have a voice in the plan
