SUPERVISOR PATRICIA JURSIK, CHAIR OF ECONOMIC DEVELOPMENT FOR MILWAUKEE COUNTY, CONGRATULATES THE WAVE ORGANIZATION AND SUE BLACK

Milwaukee- Supervisor Patricia Jursik congratulates the Wave Organization on the hiring of Sue Black as President and CEO. Black has a network second-to-none in the Milwaukee Area and will help the Wave obtain the recognition it deserves, given its outstanding record this year.

“I am pleased Sue has found a position that matches her love for recreation and sports and still allows her to stay in our community. As the Chair of Economic Development for Milwaukee County, I know that we need the kind of dynamic leadership Sue can bring to the area. This is a win for the Wave organization, a win for Black and a win for Milwaukee County”

Please join Supervisor Jursik on March 2, 2013 when the Wave takes on Syracuse at 6 p.m. at the U.S. Cellular Arena. The featured charity is the Susan G. Komen Foundation.

“Let’s make this a sell-out to welcome Sue and support the Wave and a great charity!”
