Dear Friends,

Thank you for the honor to serve as your Milwaukee County Supervisor. I hope to see you at our upcoming summer events, including our popular block parties. Expect to see me at your front door to listen to your concerns and suggestions.

As Milwaukee County residents, we are truly blessed. We often forget just how fortunate we are to enjoy so many quality of life activities right here in our own backyard.

One of my primary concerns this year is the safety of our neighborhoods. I have planned some events that will educate our district and bring neighbors together. It is time we take our community back!!

Together we can make it another safe year within our district and community!

Sincerely,
