

# Thank You for Signing Up for the Milwaukee County GO Pass!

**Congratulations!** You are one of many residents who signed up to receive the Growing Opportunities (GO) Pass since it became available in March. Your GO Pass is a passport to enjoy all of the great things Milwaukee County has to offer – it can even be used for summer festival shuttles!

I fought to make the GO Pass a reality so seniors and people with disabilities would not have to pay a fare to ride a County bus. I am proud of this initiative and grateful to my colleagues on the Milwaukee County Board for their support in passing it. Providing greater mobility and independence for seniors and persons with disabilities is vital to building strong communities.

As we move forward, I want to hear about your experience with the GO Pass program. You are among some of our first participants and your feedback is important to helping us understand how we can best serve the needs of our community. Please take a moment to fill out the attached survey on the GO Pass.

I am excited about the success of this program,
