#### COUNTY TREASURER TO PUBLISH FORECLOSURE LISTING ON-LINE

Milwaukee County Treasurer Dan Diliberti announced today that, in addition to the required newspaper publication, a listing of all pending delinquent tax foreclosure properties will be available 24-7 on the County Treasurer's web site at [www.county.milwaukee.gov](http://www.county.milwaukee.gov). Follow the links in the **County Treasurer's Department web site** to the **Foreclosure Listing**.

Diliberti explained that homes included in this listing are not for sale until after the foreclosure is completed, and will be sold through the real estate Multiple Listing Service. The Treasurer's Office maintains ongoing contact with owners of these listed properties throughout the foreclosure process to encourage them to enroll in foreclosure counseling services and/or payment plans in lieu of foreclosure. The foreclosure listing will be updated periodically to reflect changes in any property's status throughout the foreclosure process. The listing will be duly noted when final court action is taken.

Additional information on the years and amounts of delinquent taxes on Milwaukee County properties (not including City of Milwaukee properties) is accessible on the same web site by following the link for **Delinquent Property Tax Inquiry and Payment**.

Improving access to this property tax data is part of the Treasurer's Office on-going effort to provide 24-7 current on-line delinquent tax information services to Milwaukee County residents, banks, and businesses.
