Review of Minutes from Last Meeting

-N/A

Old Business – None

New Business-

- No news or traffic concerns brought by the general public
- It was moved that future meetings not be scheduled on Friday's. All future meetings will occur on the 4th Thursday, every three months, beginning January 26, 2017. Time will remain 1:00pm
- Future meetings will be held at a more publicly accessible location. Starting next meeting, we will meet at West Allis PD at 11301 W. Lincoln Av.
- Introduction of Joe Davis, the new SE regional program manager for BOTS, successor to Corey Foster. Discussion of new traffic grant practices (funding of task forces as opposed to individual agencies). 2017 grants available include alcohol, speed, and occupant restraint (which will now run the entire year).
- Presentation by Randy Wiessinger, BOTS Law Enforcement Liaison. Discussion on the use of Community Maps and other TSC best practices.
- Review of the "Anatomy of Traffic Safety – Milwaukee Co." document by Randy Wiessinger. Discussion occurred as to the availability of statistics related to crash data. A request was made by Jessica Wineberg to include more detailed information regarding pedestrian and bicycle crashes and fatalities.
- Social media: New Facebook page for the TSC. This will not post minutes or other specifics of the meetings or crash data. This will be used primarily to advertise meetings and other TSC related information.

- Quarterly fatalities; presented by Greg Sousek (MPD crash recon not available due to a fatal crash). City of Milwaukee alone currently sits at 42 deaths for the year. Common theme is very high speed.
- Discussion of the new DT4000 crash report on TraCS coming out January 1 – all electronic, to include driver's report of crash.
- Motion to adjourn
