MISSION

The Milwaukee County Fund for the Arts, through the Milwaukee County Cultural Artistic and Musical Programming Advisory Council (CAMPAC), allocates County property tax dollars to support and encourage cultural and artistic activities, which have an important impact on the economic well-being and quality of life of the community.

OBJECTIVES

- To provide Milwaukee County residents, especially underserved populations, with greater access to a full range of arts and cultural experiences.
- To utilize County funding to sustain artistic growth of arts organizations and artists and enhance management capacity.
- To enhance the quality of life in Milwaukee County and encourage investment in Milwaukee County through support of a vibrant and healthy arts community.

NON-DEPARTMENTAL HISTORY

On October 2, 1986, the County Board adopted resolutions (File Nos. 84-466 and 86-463) which specified that a non-departmental account be established for cultural programming to be administered by the County Board, with certain guidelines and criteria for awarding County arts funds. In addition, CAMPAC was created to advise the County Board, through the Committee on Parks, Recreation and Culture, with regard to the cultural, artistic and musical programming and endowment/grant components of County arts funding.

On November 9, 1989, the County Board adopted a resolution (File No. 88-631(a)(a)) that granted the Director of the Department of Parks, Recreation and Culture (DPRC) administrative authority for all County cultural programs previously administered by the County Board.

The 1991 adopted budget re-established a non-departmental appropriation for County arts funding (Org. 1974). However, the administrative authority, appropriation request and responsibility for County cultural programs remained with the DPRC.

On January 17, 1991, the County Board adopted a resolution (File No. 91-18(a)(a)) that authorized and awarded matching grants funds, rental subsidies and Artistic Development Program allocations to eligible organizations and individuals. The Board also authorized the Director of DPRC to prepare contractual agreements with specific agencies for community cultural events and to enter into an agreement with an outside consultant to administer Milwaukee County's performing and visual arts fund. Allocations of the cultural arts funds are recommended by CAMPAC.

CAMPAC funding is allocated among three program areas: Community Cultural Events, Matching Grants, and Administrative Services.

I. COMMUNITY CULTURAL EVENTS

There are two separate components of this funding category:

Parks programming

In 2006, the County Board doubled the allocation for this program from \$25,000 to \$50,000. The programming is administered by the DPRC and funds a wide variety of performances in numerous County parks at no cost to the public. Expenses include performance fees, marketing and technical support.

Programming for underserved populations

This program supports arts organizations, whose programming is targeted to serve minority and underserved communities, which was the intent of the program at the time it was created.

II. MATCHING GRANTS

The Matching Grants program continues to be the highest funding priority, as it is critical to sustaining Milwaukee County's arts organizations. This program allows the County to offer a broad variety of artistic experiences to its residents, while providing base support to small and large organizations according to an equitable formula. Support from this program goes to arts organizations with total budgets exceeding \$46.5 million. Without this support, organizations would not be in a position to provide high quality artistic programming and presentations to Milwaukee County's residents.
