DEPARTMENTAL PROGRAM DESCRIPTION

The Zoo's organizational structure is designed to maximize efficiency of operations, facilities, animal management and human resources. The Zoo includes four divisions: Animal Management and Health, Operations, Administration and Finance, and Public Affairs and Services. These divisions provide a work force organized to address the seasonal nature of operations, increase attendance and revenue-earning opportunities and provide optimum animal care.

The **Animal Management and Health Division** is responsible for the care and management of the Zoo's extensive animal collection, including fish, amphibians, reptiles, birds, mammals and invertebrates, to allow their conservation, propagation and display. This includes carefully monitoring and maintaining the animals, and providing a safe and enriching environment, well-balanced and nutritious diets, and high-quality preventive and clinical veterinary care. The animal facilities are designed, and programs are presented, to provide educational and entertaining experiences for the visitors. The division is also responsible for developing and managing local, regional, national and international conservation and research programs to help protect and preserve animal species in their native habitats.

The **Operations Division** includes business and concessions functions related to the Zoo's major revenue sources such as admissions, parking lot, two restaurants with a patio complex, three major food concession facilities and various food stands, gift, novelty and souvenir stores, a miniature train ride, a Zoomobile ride and a carousel ride. In addition, this division also provides for the maintenance, improvement and overall grooming of the grounds, which are critical to visitor satisfaction and return trade. Included in this area are mechanical and preventive maintenance programs for equipment, ventilating, air-conditioning and heating systems, and minor electrical and plumbing repairs. Also included are housekeeping and general cleaning of the entire Zoo.

The **Administration and Finance Division** support functions include cash management, financial and capital project planning and control, accounts payable and receivable, personnel and payroll, reception, switchboard, radio dispatch, information technology, and other general office services and all clerical support. This division provides the Zoo with planning direction, goals for all divisions, and daily financial and administrative management oversight control. Also included is the oversight of the Zoo's Green and Safety committees.

The **Public Affairs and Services Division** is responsible for public relations, promotional activities, special events and programs, group sales and entertainment program development to increase public use, enjoyment and awareness of the Zoo facility.

This division consolidates efforts and activities of marketing, special programs such as the sea lion and raptor shows and group sales rentals into a single division for improved coordination of promotional efforts. Through

Budget Highlights

Elimination of Step Increases for 2012 for Employees in Certain Pay Grades (\$59,976)

This budget includes an expenditure reduction of \$59,976 based on the elimination of step increases for 2012, as provided for in Chapter 17 of the Milwaukee County General Ordinances, for employees in certain pay grades. (See Appendix B for pay grades affected.)

Human Resources Department \$0

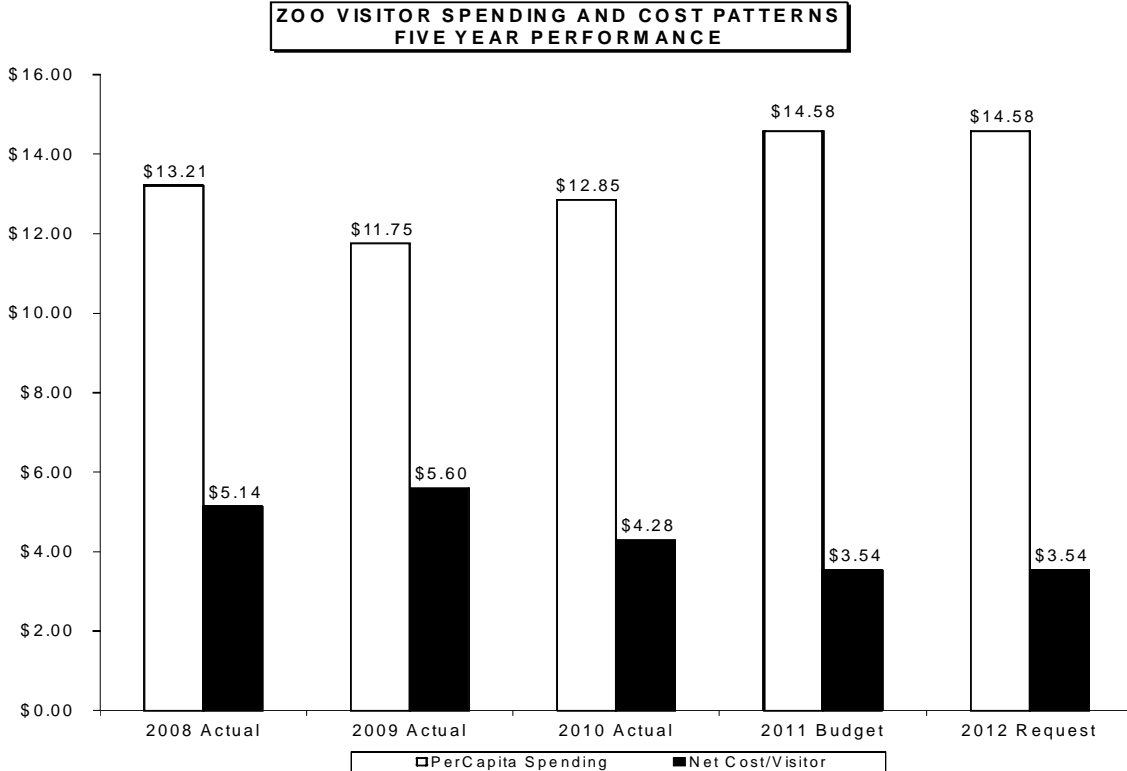

The 2012 Recommended Budget creates a new Department of Human Resources (HR) in order to provide a more coordinated and efficient use of County resources. As a result, Human Resources staff that were budgeted and deployed throughout various County departments are now budgeted and allocated centrally within the new HR Department. The Zoo has 1.0 FTE Human Resource Coordinator - Zoo and 1.0 FTE Management Assistant HR that are now transferred into the HR Department.

Dinosaur Special Exhibit \$93,197

The Zoo will have a new special exhibit in 2012. The 2011 Exhibit was Butterflies, which will be replaced with the dinosaur exhibit in 2012.

Zoo Visitor Spending and Cost Patterns

The majority of revenue categories for the Zoo are driven by attendance. The 2012 revenue budget was developed by using a three-year average of actual experience and applying it against the attendance goal of 1,350,000 visitors. Adjustments were made to maintain revenue goals at the 2011 Budget level. For 2012, the average visitor per capita spending and net cost per visitor is budgeted at \$14.58 and \$3.54 respectively. The chart below shows the five year visitor spending and cost patterns.

Position Changes

Forestry Worker - Zoo/ Zoo Vehicle Machinery Operator **(\$11,514)**

The 2012 budget abolishes one position of Zoo Vehicle Machinery Operator and creates a Forestry Worker (Zoo) position. The Forestry Worker position allows for more flexibility in job duties. This action has a salary, social security and fringe benefit savings of \$11,514.

Merchandising/Concessions Coordinator / Concessions Coordinator **\$1,518**

The 2012 Budget abolishes upon creation and filling of the new position, one position of Concessions Coordinator and creates a Merchandising/Concessions Coordinator position. The creation of the new position will provide for more efficient handling of the warehouse for novelties and concessions since the position will be responsible for concessions and merchandise. This action has a salary, social security and fringe benefit cost of \$1,518.

Revenues

In order to assist the Zoo in achieving their revenue target the following fee increases are implemented in 2012:

- \$1 increase in summer admissions for both county and non-county visitors.
- \$1 increase in parking rates.
- \$1 increase in camel and pony rides.
- \$.50 increase in sea lion show admission
- \$1 increase in stroller fees
- \$3 increase in motorized cart fees

Fees are increased without an associated revenue budget increase to help offset the structural deficits that has been in the Zoo's Budget over the last several years. The 2012 Budget also includes additional tax levy to help prevent a deficit.

Zoological Society Support

The relationship between Milwaukee County and the Zoological Society began in 1910 when the Washington Park Zoological Society, now the Zoological Society of Milwaukee County, was organized to help raise funds for animal acquisition. The Society has functioned for many years for the purpose of aiding the County in the operation, maintenance and development of the Zoo and its animal collection. Its mission is to promote conservation, education, exhibition of animals, research and recreation through fundraising and volunteerism.

In February 1989, the relationship was formalized with a Memorandum of Understanding, thus forging a strong public/private partnership for the continuing support of the Milwaukee County Zoo. The Memorandum of Understanding was renewed in 1992 and again in 1996. The agreement provides office space for the Society on the Zoo grounds, including utilities, custodial and maintenance services and staff parking. To assure continued support for the Zoo, the County provides free admission for Society members throughout the term of the Memorandum of Understanding. In September 2011 the County provided a one year notice to renegotiate the current Memorandum of Understanding with a focus on the long term sustainability of the Zoo.

For 2012, the Zoological Society cash contribution of \$2,953,596 consists of the following:

- \$762,440, which consists of 424,865 in direct support, as well as an increase of \$337,575 in 2012
- \$70,000 in direct animal support
- \$326,500 in corporate sponsorship revenue, with \$51,500 going directly to the Railroad Trust Fund
- \$1,794,656 in parking revenue received from Zoological Society members for the Zoo Pass Plus Membership.

For 2012, the Zoological Society's in kind services consists of the following:

- \$137,000 in HVAC systems for numerous Zoo buildings.

COUNTY EXECUTIVE'S 2012 BUDGET

DEPT: Zoological Department

UNIT NO. 9500
FUND: General - 0001

- \$66,000 in Animal Division research funding
- \$54,000 in pathology intern funding (UW-Madison).
- Management, training and support of 600 Zoo Pride volunteers that donate 40,000 hours annually in various capacities at the Zoo.

Management Flexibility

The Zoo will continue to have the flexibility to reallocate major maintenance projects and equipment purchases while remaining within the total appropriation.

The Zoo Director's authorization is continued to discount or waive admission fees and to provide one free admission day per month during the months of January through April, and November and December.

Milwaukee County Residents

\$0

The 2012 Budget continues the discounted admission fees of \$8.00 for adults and \$5.50 for juniors and school groups for Milwaukee County residents on Wednesdays, as well as the daily discount of \$1.75 off the admission rate including weekends for Milwaukee County residents.

Resale Purchases for Novelties and Souvenirs

\$0

The 2012 Budget continues the practice of allowing the Milwaukee County Purchasing Administrator the authorization to issue and deliver letters of intent to overseas vendors at a cost not to exceed \$400,000. The purchases are for the ordering of the Zoo's 2012 and 2013 resale purchases for novelties and souvenirs in October of 2011 and October 2012, respectively. A substantial portion of resale merchandise sold at the Milwaukee County Zoo is purchased from import vendors to provide the quantity and variety of items desired by the general public visiting the Zoo. Due to the distance and travel time required for overseas shipments, the Zoo must order resale merchandise in the fall for spring delivery.

Budget authority is included in the 2012 Zoo budget for the advance purchases of resale merchandise in lieu of separate review and approval during the budget year. The County Board of Supervisors may revoke this authority if 2013 funds are not appropriated for Zoo novelties and souvenirs during the 2012 budget deliberations in October of 2012.

Professional Service Contracts

\$0

The Zoological Department is requesting authority to enter into the following Professional Service Contracts in 2012. They are included in this budget for County Board approval in lieu of separate review and approval during the budget year. These contracts are with an identified vendor.

Contract Amount	Description	Provider
