

PLAN AHEAD...

As part of the Zoo Interchange project, the Watertown Plank Road Interchange is being reconstructed. The project team appreciates your patience, and will work diligently to inform all stakeholders about the sequence of work and specific impacts. We look forward to working closely with you to ensure that the work is completed with the least amount of disruption as possible.

A general outline of what to expect in the coming weeks is listed below.

Week of 12/23/13

Watertown Plank Road

- Pedestrian bridge work and pile driving
- *NEW TRAFFIC PATTERN* continues. Single lane bi-directional traffic placed in the eastbound roadway
- Utility Relocations continue on 92nd Street, south of Watertown Plank
- Traffic control and signal timing changes on northbound and southbound 87th Street at Watertown Plank Rd
- Winter maintenance snow removal coordinated with daytime and overnight flagging operations

US 45 / Interchange

- *NEW TRAFFIC PATTERN*. Northbound USH 45 traffic anticipated to be moved toward the median on December 27, weather dependant

Frontage Road & Adjacent Parking Lots
