Summer 2013

## SOUTHBOUND SWAN BOULEVARD CLOSING AUGUST 17, 2013

Swan Boulevard, southbound over US 45, will be closing August 17 through Fall of 2013. Access to northbound Swan Boulevard from Watertown Plank Road will remain open until early October. Swan Boulevard will be reconstructed from east of US 45 to Watertown Plank Road. When Swan Boulevard is complete, it will no longer join the exit / entrance ramps at US 45. As a result of the project, the Park & Ride lot located on the north side of Watertown Plank Road, at US 45, will be closed in the coming weeks. The lot on the south side of Watertown Plank Road will remain open until later this year when the construction of the Watertown Plank Road intersection is underway.
