

# WATERTOWN PLANK ROAD NEWS

Fall 2013

## Watertown Plank Road Traffic Changes

The Wisconsin Department of Transportation will be shifting traffic on Watertown Plank Road, between 92nd Street and 86th Street, beginning December 3rd. Eastbound and westbound traffic will be reduced to a single lane in each direction and moved to the eastbound roadway. Left turn lanes will be provided at the intersections of 92nd, 89th (Ronald McDonald House) and 87th Street. Access into and out of 8700 W. Watertown Plank Road will be restricted to right in/right out only. Eastbound traffic will be directed to access via 87th Street. An additional right turn lane will be created on southbound 87th Street to accommodate additional exiting traffic volumes. Left turn access into the Blood Center of Wisconsin will be directed to the Blood Center's 89th Street access.

All closures are weather dependent and subject to change.

The project team appreciates all of your patience and cooperation throughout this project.

### WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust, and some work may be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us so that we can address the issue immediately.
