THOUGHT LEADERS LUNCHEON You're Invited!

Easter Seals Southeast Wisconsin is proud to announce Dan Pallotta as our guest speaker for our 5th annual Thought Leaders Luncheon. This event will cut across sectors, bringing together corporate leaders, board members and nonprofit implementers to discuss the way we've been taught to think about charity and change, is upside down.

Dan's keynote speech, "**Uncharitable**", will address how society's nonprofit standards undermine our ability to eradicate great problems, and, ironically, puts charity at a severe disadvantage to the for-profit sector at every level.

As a stakeholder in our community, we are asking you to join us for this thought provoking event on Wednesday, November 6th at the Crowne Plaza Milwaukee. We will begin a dialogue that can have a lasting impact.

BUSTING BARRIERS AT BUS STOPS

Milwaukee County Transit System (MCTS) is looking for a few good bus stops to bust! Through the Federal New Freedom Grant received by Milwaukee County, MCTS is now able to improve access to transit by upgrading bus stop locations throughout the county that are currently not ADA compliant. This year, MCTS staff has been busy installing new or repairing bus stop pads in the public right-of-way that were originally grass, dirt, or gravel. As of October 1, thirty-four bus pads have been completed to ADA standards around Milwaukee County spanning six municipalities. Additionally, two bus shelters have been ordered and submitted to the Milwaukee County Transit Building and Grounds department for installation for placement in the City of Milwaukee off Capitol Drive near Teutonia Avenue.

MCTS will continue to busting bus stops into 2014 to remove bus stop barriers and upgrade bus stops through Milwaukee County. Our staff welcomes transit users to report inaccessible locations that limit your use of MCTS buses. Please contact us, if you know of any bus stops in the public right-of-way that could be made accessible by replacing grass, dirt, or gravel with concrete or removing other barriers such as benches or newspaper holders.

Please contact Jenna Ormson at 414-344-4550 x 3500 or jormson@mcts.org with the following information: street location of the bus stop, description of what is preventing you from using the stop, and a way to be in touch with you.

Thank you for your help in improving our transit community! Keep your eyes open for upgrades and improvements around Milwaukee County.

SOCIAL SECURITY UPDATES

By Karyl Richson
Social Security Public Affairs Specialist in Milw

SOCIAL SECURITY SERVES THOSE WHO'VE SERVED

On November 11, we honor our Nation's veterans for their service to America. What better time than now to tell you — and for you to help spread the word — about the many benefits and wealth of information Social Security has available for veterans and military personnel?

Social Security recognizes those who put their lives on the line for our freedoms. Members of the armed forces receive expedited processing of their Social Security disability applications. The expedited process is available for any military service member who became disabled during active duty on or after October 1, 2001, regardless of where the disability occurs. Some dependent children and spouses of military personnel may also be eligible to receive benefits.

Visit our website designed specifically for our wounded veterans: www.socialsecurity.gov/woundedwarriors. There, you will find answers to a number of commonly asked questions, as well as other useful information about disability benefits available under the Social Security and Supplemental Security Income (SSI) programs. Please pay special attention to the fact sheet available on that website, *Disability Benefits for Wounded Warriors*.

You'll also find a webinar that explains the faster disability process available to wounded warriors. The program covers general information about Social Security disability benefits as well as topics unique to wounded service members. The online video is less than three minutes and a great introduction to disability benefits for veterans and active duty military.

On the same webpage, you'll also find links to useful Veterans Affairs and Department of Defense websites. The requirements for disability benefits available through Social Security are different than those from the Department of Veterans Affairs and require a separate application.

Military service members are covered for the same Social Security survivors, disability, and retirement benefits as everyone else. Although the expedited service is relatively new, military personnel have been covered under Social Security since 1957, and people who were in the service prior to that may be able to get special credit for some of their service.

To learn more about Social Security for current and former military service members, read *Military Service and Social Security*. It's available in our digital library at www.socialsecurity.gov/pubs.

But first, take a look at the wounded warrior page at www.socialsecurity.gov/woundedwarriors. The webinar, factsheet, and pertinent links will brief you on everything you need to know to "maneuver" your way through the Social Security process.

START A NEW TRADITION WITH SOCIAL SECURITY

The holiday season has arrived — a time of year that is steeped in tradition. Different families may have different holiday traditions, but most have roots in a society or culture and thus are observed by many people. Essentially, tradition is all about passing along certain beliefs and customs from one generation to the next.

We'd like to suggest that you start a new tradition. No, we're not suggesting you do away with the Christmas tree or menorah. Break the tradition of trudging to an office when you need to do business with Social Security. Replace the old-fashioned way of doing business and embrace the new, easier, more convenient way — online.

Sometimes it's a good idea to break an old tradition and make a new one. Some traditions evolve. Many of the things your parents or grandparents did in a Social Security office you can now do online. For example, if you're not receiving benefits, you can request your *Social Security Statement* or use the *Retirement Estimator* to get an accurate picture of what your future benefits will be. You can read or listen to our publications, find out whether you qualify for benefits — even apply for Social Security disability, retirement, and spouses benefits online from the comfort of home.

Set up an online *my Social Security* account to get your benefit verification letter, check your information, benefits, and earnings record, change your address or phone number, and start or change your direct deposit. You also can go online to get a replacement Medicare card or appeal a medical decision made about your disability claim. You can do all this and more at www.socialsecurity.gov.

The holiday season is a time filled with family and tradition. Go ahead and enjoy the light displays and holiday music. Maybe even cut a slice of fruitcake to go with your egg nog. But when it comes to doing business with Social Security, join the millions of people and start a new tradition: forego the sleigh ride to the office by going to www.socialsecurity.gov.

SOCKS AND COATS FOR VETS

Each night in Milwaukee 300 – 400 veterans are homeless. With cold weather upon us it is more important than ever to help these homeless heroes with the basic necessities. That's why the Marcus Center for the Performing Arts and the Milwaukee Homeless Veterans Initiative (MHVI) are partnering on The Socks and Coats for Vets drive.

The collection will take place on **Friday, November 1 from 7:00 am – 10:00 am** in front of the **Marcus Center at 929 North Water Street**. Volunteers will be on hand at the Marcus Center to collect clean socks and coats. Donors are asked to pull into the circle driveway in front of the Marcus Center to make their donation. Volunteers will collect donations so donors need not get out of their vehicles. The MHVI serves veterans and their families so coats for men, women and children will be accepted.

In addition to the partnership for the Socks and Coats for Vets drive, on Veterans Day, **Monday, November 11**, the Marcus Center is presenting a performance of BEYOND GLORY in Uihlein Hall at 7:30 pm. Stephen Lang, award winning playwright, stage and screen star, brings the stories of eight Medal of Honor recipients in a one-man show that will reach into your very soul. A portion of the price of every ticket will be donated to benefit MHVI.

We encourage the business community to attend this event and also consider that you can Buy a Ticket For A Vet! Box Office staff can assist you with personal and donated ticket purchases at 414.273.7206.

1993 Dodge Caravan
118,000 miles
Raised roof and tie-downs for wheelchair

We used this van along with a 6-foot, portable “suitcase” ramp (not included in this sale). The middle seat has been removed to accommodate a wheelchair, but is in good shape and will be included with the van.

Seats 5 with the middle seat removed, or the back seat can be folded down for more storage. Since we bought it in 1997, the van has been garaged when not being used. It has been reliable transportation and still runs well. New battery.
