**Completion of this form is required for all bidders who have not achieved the participation goal. Submission of a complete form is a matter of responsiveness to this bid. Completion of all three pages attached is required.**

**Guidance on completing these documents.**

This guidance and information is provided to assist bidders in compliance with the provisions under all Milwaukee County Ordinances (MCTE) pertaining to the implementation of the target business enterprise program. Like all guidance material, these questions and answers are not, in themselves, legally binding or mandatory, and do not constitute regulations. They are issued to provide an acceptable means, but not the only means, of compliance with regulations and laws. The Milwaukee County CDBP program can be reviewed in more detail at: <http://county.milwaukee.gov/cbdp> including links to relevant regulations.

When Milwaukee County assigns a participation goal, you will make good faith efforts to meet this goal prior to submitting a bid or proposal in order to be responsive. If you haven't met the goal, you can document adequate good faith efforts toward that end. This means that you must show that you took all necessary and reasonable steps to achieve the participation goal. The County will make a fair and reasonable judgment as to whether you made adequate good faith efforts according to the following guidelines. It is important to consider the quality, quantity, and intensity of the different kinds of efforts that were made. These efforts should be those that one could reasonably expect you to take if you were actively and aggressively trying to obtain participation sufficient to meet the participation goal. Going through the motions by making phone calls to firms that you think should qualify is not good faith efforts to meet the project requirements. The County's determination concerning the sufficiency of your good faith efforts is a judgment call and meeting quantitative formulas is not required. The following is a list of types of actions the County considers as part of your good faith efforts. This isn't a mandatory checklist, nor is it all-inclusive. Other factors or types of efforts may be relevant in appropriate cases, see regulations for more information.

<b>Certificate of Good Faith Efforts</b>
--

This document is required to detail what your firm has done to meet this project's participation goal if the participation you have attained is less than the goal set for this project. Guidance as to acceptable 'good faith efforts' is found on the Guidance page of this spreadsheet. Failure to use and properly document good faith efforts to meet the assigned participation goal will result in the rejection of your bid/proposal. By submitting this document, you hereby acknowledge that I am authorized as the representative for the bidder/proposer on the following Milwaukee County Project and that we have provided documented proof of our good faith efforts to solicit, negotiate with and utilize certified firms to meet the participation goal of this contract as demonstrated by my response to the questions contained in this fully completed set of documents.

### Contractible Work Items

You are required to determine portions of work to be contracted in a manner that will increase the likelihood of meeting the participation goal set for this project. In selecting work to be contracted, you must consider, where appropriate, breaking down scoped into economically feasible units to facilitate TBE participation. To assist in these efforts and to provide consistent definitions, use NAICS codes (<http://www.census.gov/eos/www/naics/>) to identify each category of work you determine is feasible for participation. TBE firms are registered by NAICS code and firms available for participation may be found in the directories listed on the second page of the TBE-14 form which is included in the bid or RFP documents.

## TARGETED BUSINESS ENTERPRISE (TBE) UTILIZATION SPECIFICATIONS for PROFESSIONAL SERVICES

1. The award of the contract is conditioned upon achieving the project's Targeted Business Enterprise (TBE) participation goal of 17%. Firms that qualify as a TBE include DBE firms certified by and listed in the Wisconsin Unified Certification Program (UCP) directory, MBE and WBE firms certified by the State of Wisconsin DOA and listed in the directory, SBE firms certified by Milwaukee County and listed in the Milwaukee County directory, and SBE firms that meet the SBA size standards and are listed in the SAM directory. All firms must be certified prior to the proposal submission deadline. A firm certified in another state must be certified by the Wisconsin UCP or State of Wisconsin DOA prior to submission of bid.
2. **TBE Participation:** The participation goal is based upon the total dollar value of your proposal less reimbursable items. Participation must be maintained throughout the contract, including any fee increases. TBE Prime self-performance may be counted to achieve the goal.

### PROPOSAL CONSIDERATIONS

3. The County may reject your proposal if it does not include the **Commitment to Contract with TBE (TBE-14)** form(s), one completed for each of the firms you are including for participation. The Prime must indicate the dollar amount of work to be provided to the sub-consultant, sign the form, and have the TBE firm sign the form in the affirmation section prior to acceptance of your proposal by the County.
4. If awarded the contract, you will enter into a contractual agreement, directly or through sub-consultant, according to the **Commitment to Contract with TBE (TBE-14)** form(s) provided with your proposal. Copies of the executed agreements(s) will be submitted to the County.
5. TBE participation credit is calculated as follows:
  - a. All of the identified scope(s) of work must have a commercially useful function in the actual performance of the contract and work must be performed directly by the TBE with their own employees.
  - b. One hundred percent (100%) for the work performed by a TBE firm. If a TBE subcontracts a portion of work to another firm, the value of the subcontracted work will not be counted towards the TBE participation unless the work is performed by another TBE.
  - c. You must notify the County if any TBE contractor(s) sublet any portion of their work.
6. The County reserves the right to request supporting documentation from both you and any listed TBE. If you fail to respond within the time specified, the County may determine you to be non-responsive and remove you from further consideration for contract award.

## FOLLOWING CONTRACT AWARD

7. The County reserves the right to conduct compliance reviews and request, both from you and your subs, supporting documentation to verify TBE participation, in addition to the information entered monthly into the County's online reporting system. The County will notify you if you are not in compliance with contract terms. If you fail to take corrective action as directed, the County may take one or more of the following actions:
  - a. Terminate or cancel your contract, in whole or in part;
  - b. Remove you from the list of qualified consultants, and refuse to accept future proposals from you for a period not to exceed three (3) years;
  - c. Withhold contract payments to cover shortfall; and/or
  - d. Bring suit to recover damages up to the amount of the shortfall, including interest at the rate of 12% annually, plus the County's costs, expenses and actual attorney's fees incurred in the collection action.
8. You must submit copies of the executed subcontract agreement(s) for each of the sub-consultants listed on the contract. REQUESTS FOR PAYMENT WILL BE DELAYED IF NOT SUBMITTED.
9. If the TBE sub(s) are unable to perform, or any other issues arise, you must immediately contact CBDP Compliance at (414) 278-4851. You must submit written notification of your desire for substitution to the TBE affected, and copy the County. This notice must state the reason for the request. The TBE has five (5) business days to provide written objection/acceptance to you. Approval must be obtained from County prior to making any substitutions. TBE consultants are also required to notify and obtain approval from the County prior to subletting work.
10. The Prime will record payments received from the County and payments made to sub-consultants directly into the County's online reporting system on a monthly basis. These entries will cover payments during the preceding month and will include zero dollar (\$0) entries where no payment has occurred. You must also indicate on the invoice work being performed by TBEs. Either a) place the word "TBE" behind the work item or b) break out the work done by TBEs at the end of the report. Failure to comply may result in withholding of payments, or enforcement of other sanctions including those listed in Section 7, above.
11. The County has a revolving loan program for DBE firms. If you have contracted with a DBE that is using these County funds, you must assist the County for repayment of these funds. This may include, but is not limited to, providing written information regarding the sub's contract balance, prior payment (two or three party) agreements, and the issuance of two-party checks payable in the name of Milwaukee County and the DBE indebted to the County under this program.
12. The County reserves the right to waive any of these specifications when it is in our best interest.

## TARGETED BUSINESS ENTERPRISE (TBE) REQUIREMENTS

Community Business Development Partners (CBDP) is responsible for monitoring and enforcing the Milwaukee County Target Enterprise (MCTE) Ordinance for inclusion of small business. Target firms include DBE firms certified under the Wisconsin Unified Certification Program following Federal regulations, WBE and MBE certifications from the State of Wisconsin DOA, SBE firms certified by Milwaukee County, and SBE firms meeting SBA size standards and listed in the SAM directory.

Targeted Business Enterprise (TBE) participation goal for this RFP is 17%. To be considered for this project, you must submit a *Subcontractor/Sub-consultant/Supplier Information Sheet* (TBE-02) with your Proposal listing all sub-consultants as well as signed *Commitment to Contract with TBE* (TBE-14) forms, one for each of the TBE firms included to meet participation. TBE-14 form(s) must identify (1) the TBE firm by name and address, (2) the scope of service(s) to be provided, (3) the dollar amount and (4) the percentage. The form is first completed and signed by the Prime, then forwarded to the TBE sub-consultant for signature in the affirmation section. Signatures must occur in the proper date order sequence, or the form may be considered non-responsive. CBDP is entitled to reject your Proposal for improperly completed forms. If you are not able to meet the goal, you must submit the TBE-01 Good Faith Effort for your proposal to be considered responsive.

CBDP may be contacted at 414-278-4851 or [cbdpcompliance@milwaukeecountywi.gov](mailto:cbdpcompliance@milwaukeecountywi.gov) for assistance in identifying TBE firms and understanding the County's TBE Program.

Adherence with prompt payment requirements is monitored through information entered into the Diversity Management and Compliance System, utilizing B2GNow software. Prime consultants are required to report payments received from the County and amounts paid to sub-consultants. Subs will receive an automated email requesting them to confirm the amounts and whether the terms of the prompt payment policy were complied with. There is no cost to the Prime or any sub-consultant, the only requirement is to become a registered user and complete the one hour webinar training. The County will enter the Primes contract, and the Prime will enter all sub-consultants, including both TBE and non-TBE firms.
