How to be a Master BEER GARDENER

Beer Gardens aren't like an ordinary bar or pub, so here are a few tips that will help you become a Master Beer Gardener this summer!

TIPS TO BE YOUR BEST!

- Beer-garden seating is shared. Embrace the tradition of a German beer garden and share the tables with others.
- Alcoholic beverages at the beer gardens are served in glass. Some beer gardens include the glasswear, while others require a cash deposit.
- You may bring your own glasswear and it will be filled at the corresponding refill price. Just make sure you finish drinking your beverage in the designated areas. (sorry no growler fills)
- Beer gardens are family friendly - which means kids are welcome, as well as well-behaved dogs. Just be sure to pick-up after them and keep them on a leash (we mean dogs, not kids for this rule!)
- Do not bring your own alcohol! The carry-in of outside alcohol is strictly prohibited.
- Observe the posted signs at the beer gardens and within the parks.
- Most beer gardens accept cash, credit cards and giftcards. Profits from the beer gardens help support the parks!

Happy #beergardening!
