

CONSIDER YOUR OPTIONS FOR PUBLICLY-FUNDED LONG-TERM CARE

As a Medicaid-eligible resident of Milwaukee County, you may be able to choose among the following programs to meet your long-term care and health care needs:

- **Family Care** covers your long-term care services, but your primary care (e.g. doctor's visits and check-ups) and acute care (emergency care and hospitalization) will be covered separately by Medicare and/or Medicaid.
- **Partnership** uses Medicare and Medicaid to coordinate and cover your long-term, primary, and acute care along with pharmacy services.
- **Program for All-Inclusive Care for the Elderly (PACE)** is available for persons age 55 and older. It uses Medicare and Medicaid to coordinate and cover your long-term, primary, and acute care along with pharmacy services. Some of the services may be provided at the PACE Day Center if you choose to attend.
- **Include, Respect, I Self-Direct (IRIS)** is the self-directed supports program covering long-term care needs that you decide are most important for you. Some long-term care needs, along with your acute and primary care needs, will be covered by Medicare and/or Medicaid.

Or, you can use your **Medicaid (Title 19) Forward Card** to cover doctor visits and other health services.

If you would like more information about these programs and services, or other programs available in Milwaukee County, contact the Disability Resource Center. Contact information can be found on the back panel of this brochure.

*With the help of an interdisciplinary team, participants in Family Care or Partnership/PACE choose their long-term care providers (and health providers with Partnership) from the network offered by the Managed Care Organizations. PACE offered by Community Care, Inc. only.
 **IRIS participants purchase services, supports and goods with an individualized budget amount. Participants make purchases and hire service providers directly, or with help of an employment agency.

NOTES: Estate Recovery provisions apply for Family Care, Partnership/PACE, and IRIS. PACE participants do not pay prescription co-pays or deductibles. When using your Medicare and/or Medicaid Forward Card to purchase services, there may be applicable co-pays. There are also room and board costs for assisted living/residential care. Your interdisciplinary team will inform you about any co-pays or costs. Before receiving services, eligibility must be determined. You can learn more about eligibility by contacting the Disability Resource Center of Milwaukee County.
