

## Tips for Getting Free or Low-Cost Internet Access

The Internet is a great place to go if you want to keep in touch with family and friends through email, search for a job, or look for information about where to find local resources. But what if you don't currently have Internet access? Here are some tips!

**Find a map of organizations offering free Wi-Fi at**

<https://maps.psc.wi.gov/apps/PublicWiFiLocations/>

**Access from AT&T provides low-cost Internet based on income or participation in the National School Lunch or Head Start programs. See if you qualify at:**
