PLEASE NOTE THE FOLLOWING QUESTION(S):

Question: MTS Anticipates 300 labor hours at a fully loaded rate and \$20,000 materials cost annually, not to exceed \$40,000 during the initial term of the contract. Does that mean for 24 months (Contract term of 2 years) a service company cannot exceed \$40,000 on maintenance for MTS?

Answer: Yes, it's a ceiling amount for the contract. The FTA requires a ceiling amount on all Time & Maintenance contracts.

1. The ceiling amount is changed: 300 labor hours at the fully loaded rated and \$55,000 materials cost annually, not to exceed \$110,000.00 during the initial 2-year term of the contract.
