From June 4 through Aug. 27, Wheel Fun Rentals will donate rental equipment, completely free of charge, to two charities every Wednesday.

“Wednesdays with Wheel Fun Rentals” offers local charities their choice of pedal boats, kayaks, canoes, and stand up paddleboards. Each group selected may have up to 20 participants. Groups are encouraged to make reservations as soon as possible by calling (414) 232-5027 or emailing wheelfunrentals2@msn.com.

“We already offer free pedal boat, canoe, and kayak rentals to Big Brothers Big Sisters volunteers and donate gift certificates to local schools and charity organizations,” said Dwight Bratholt, local Franchise Owner. “But I'd like to give back even more to the great community of Milwaukee.”

Nonprofit groups selected will have access to the full fleet of watercraft for up to two hours. The fleet includes two- and four-seat pedal boats, one- and two-seat kayaks, two-seat canoes, and one-person stand up paddleboards. Jackets and instructions are provided with every rental.

“Wednesdays with Wheel Fun Rentals” gives nonprofit groups the opportunity to thank their volunteers, to show appreciation to donors, or to have a teambuilding event for staff.

Veterans Park is located on Milwaukee's Lakefront at 1400 N. Lincoln Memorial Drive. Wheel Fun Rentals is located on the park's lagoon.
