SUPERVISOR BIDDLE APPLAUDS COMMUNITY WALK

Milwaukee, WI – Milwaukee County Supervisor Eyon Biddle, Sr., was on hand for a community gathering in memory of Sharon L. Staples on Friday.

The gathering, largely made up of African-American men, included community members, public officials, family and friends of Staples who came together rejoicing in brotherhood while walking the neighborhood and reaching out to community members. Residents responded with donations and acts of kindness for the victim's family.

“These men found it their duty to take care of their community. As an elected official and a member of this great community, I commend their efforts and look forward to additional ways we can bring this community together in the future,” Supervisor Biddle said.
