Length of meeting: 4:39 p.m. to 5:20 p.m.

Adjourned,

Jodi Mapp  
Senior Executive Assistant  
Milwaukee County Mental Health Board

The next regular meeting for the Milwaukee County Mental Health Board is Thursday, October 26, 2017, @ 8:00 a.m. at the Zoofari Conference Center 9715 Bluemound Road

The September 28, 2017, meeting minutes of the Milwaukee County Mental Health Board are hereby submitted for approval at the next scheduled meeting of the Milwaukee County Mental Health Board.

Dr. Robert Chayer, Secretary  
Milwaukee County Mental Health Board
Date: September 26, 2017

To: Duncan Shrout, Chairman, Milwaukee County Mental Health Board

From: Kerry Mitchell, Chief Human Resources Officer, Department of Human Resources.

RE: Ratification of the 2017 Memorandum of Agreement between Milwaukee County and the Wisconsin Federation of Nurses and Health Professionals, Local 5000, AFT, AFL-CIO

Milwaukee County has reached an understanding with the bargaining team for the Federation of Nurses and Health Professionals that establishes a memorandum of agreement for 2017.

I am requesting that this item be placed on the next agenda for the meeting of the Milwaukee County Mental Health Board.

The following documents will be provided to the Committee for their review:

1) The Tentative Agreement between the County and the Union;

2) A Union notification that the MOA was ratified by the membership;

3) A fiscal note that has been prepared by the Office of the Comptroller.

If you have any questions, please call me at 278-4852.
July 27, 2017

Luis Padilla, Director
Milwaukee County Labor Relations
901 N 9th Street, Room 210
Milwaukee, WI 53222

RE: BHD 2017 Contract Ratification

Dear Mr. Padilla,

This letter is to inform you that on July 17, 2017, the members of the Milwaukee County Chapter of Wisconsin Federation of Nurses and Health Professionals, Local 5000, AFT, AFL-CIO, voted to ratify the 2017 tentative agreement between the County and the Union for the BHD employees.

Please let the union office know if you need any further details.

Sincerely,

Candice Owley, RN

AGREEMENT

between

COUNTY OF MILWAUKEE

and the

WISCONSIN FEDERATION OF NURSES AND HEALTH PROFESSIONALS
LOCAL 5000, AFT, AFL-CIO

This Agreement made and entered into by and between the County of Milwaukee, a municipal body corporate, as municipal employer, hereinafter referred to as "County" and the Wisconsin Federation of Nurses and Health Professionals, as representatives of employees who are employed by the County of Milwaukee hereinafter referred to as "Federation". The County is a party to this Agreement by virtue of the power granted to the Milwaukee County Mental Health Board under Wis. Stat. 51.41(10).

WITNESSETH

In consideration of the mutual covenants herein contained, the parties hereto do hereby mutually agree as follows:

PART 1

1.01 RECOGNITION

The County of Milwaukee agrees to recognize and herewith do recognize the Wisconsin Federation of Nurses and Health Professionals, Local 5000, AFT, AFL-CIO, as the exclusive collective bargaining agent on behalf of bargaining unit classifications, in accordance with the certification of the Wisconsin Employment Relations Commission, as amended, pursuant to Subchapter IV, Chapter 111.70, Wisconsin Statutes.
1.02 BARGAINING UNIT DEFINED

(1) Whenever the term "employee" is used in this Agreement, it shall mean and include bargaining unit nurses of Milwaukee County in Organizational Units 6325, 6364, 6373, 6383, 6443, 6445 and 6446 in the following classifications: Registered Nurse, Registered Nurse Utilization Review, Registered Nurse (Mental Health), Registered Nurse Staff Development, Advance Practice Nurse Prescriber, Clinical Nurse Specialist, Community Service Nurse, EMS Instructor, RN Adult Services Division, RN Department on Aging, Infection Control Practitioner, RN (Pool), Clinical Safety and Risk Management Nurse and Advance Practice Nurse Prescriber (Pool), Forensic Chemist, Occupational Therapist, Occupational Therapist (Pool), Music Therapist and Behavioral Health Emergency Service Clinician.

(2) When classifications are created which have not been certified by the Wisconsin Employment Relations Commission to any bargaining unit, the employer shall notify the Federation within 30 days of the creation of such classifications and send the copies of the job descriptions of same. Upon request of the Federation, the parties shall meet and attempt to enter into a stipulation of agreement regarding the inclusion or exclusion of the classifications. If the parties reach an agreement, they shall jointly notify the Wisconsin Employment Relations Commission of the agreement and request the Commission to certify the classification(s) as being represented by the Federation. If the parties fail to reach an agreement, either party may petition the Commission for a determination under Chapter 111.70.

1.03 DURATION OF AGREEMENT

The provisions of this Agreement shall become effective January 1, 2017, unless otherwise herein provided. Unless otherwise modified or extended by mutual agreement of the parties, this Agreement shall expire on December 31, 2017.

PART 2

2.01 WAGES

Effective Pay Period 14, 2017 (June 18, 2017), the wages of bargaining unit employees shall be increased by one percent (1.0%).
This Agreement shall remain in full force and effect until replaced by a subsequent Agreement.

Dated at Milwaukee, Wisconsin, this 20th day of June, 2017.

WISCONSIN FEDERATION OF NURSES
AND HEALTH PROFESSIONALS
LOCAL 5000, ATF, AFL-CIO

Chris Abele, County Executive
COUNTY OF MILWAUKEE
INTEROFFICE COMMUNICATION

DATE: August 29, 2017

TO: Duncan Shrou, Chairman, Milwaukee County Mental Health Board

FROM: Scott B. Manske, Comptroller

SUBJECT: Fiscal Impact – 2017 Collective Bargaining Agreement with the Wisconsin Federation of Nurses and Health Professionals, Local 5000, AFT, AFL-CIO

Under Wisconsin Employment Relations Commission (WERC) rules and Statute Statute, non-public safety bargaining units are only allowed to negotiate for base wage increases on an annual basis. The start of the bargaining year for the Wisconsin Federation of Nurses and Health Professionals, Local 5000, AFT, AFL-CIO (FNHP) was January 1, 2017. The last day of their previously negotiated contract was December 31, 2016. The bargaining unit was recertified in 2017.

2017 Base Wage Limit

Using rules provided by WERC, a calculation was made to provide the maximum base wage increase allowable for 2017 for this bargaining unit. The calculation was based on the members of the bargaining unit in the pay period that was 180 days prior to the expiration date of the most recent collective bargaining agreement. The pay period used was Pay Period 15 2016 (ending July 16, 2016). At that time, the bargaining unit had 137 members who were actively employed. The annual wages of the members were calculated based upon their existing wage rates and were then multiplied by the CPI applicable to bargaining years beginning on January 1, 2017, or 0.67 percent. This became the maximum base wage increase allowable for purposes of bargaining or $41,265; this is the maximum amount that can be paid in additional base wages in 2017 and can be paid out however agreed upon by the union and the County.

1 For purposes of this fiscal note, the FNHP bargaining unit consists of all represented employees only under control of the Milwaukee County Mental Health Board.

2 The FNHP bargaining unit had 137 total authorized positions as of July 16, 2016 (authorized positions having the definition provided by WERC “...those positions in the bargaining unit that are filled”). However, 25 of these employees were pool or hourly positions. These employees have been excluded for purposes of calculating the maximum base wage increase and total salary lift due to language within the WERC rule ERC 90.03(3) which states to multiply the hourly base wage rate by the annual number of regularly scheduled hours for each authorized position when determining maximum base wage increases. Since these positions do not have regularly scheduled hours, they have been excluded.
2017 Wage Increase and Base Wage Compliance

Based upon the proposed agreement with the bargaining unit, the base wage rates will increase by 1.0 percent effective with Pay Period 14 (beginning June 18, 2017) for all members. The base wage increase results in a total salary lift for 2017 of $31,250 for the bargaining unit, which is $10,015 below the maximum base wage increase allowable. Calculation of the maximum base wage increase for the bargaining unit was made in accordance with the WERC rules. The Office of the Comptroller and outside legal counsel have discussed and have agreed to the definition, application and calculation of base wages.

Impact of 2017 Wage Increase on 2017 Budget and 2018 Budget

Based upon the proposed agreement with the bargaining unit, the base wage rates will increase by 1.0 percent effective with Pay Period 14 (beginning June 18, 2017). The cost of the wage increase for 2017, using the contract effective date, would be as follows:

<table>
<thead>
<tr>
<th>2017 Salary Increase</th>
<th>$ 31,250</th>
</tr>
</thead>
<tbody>
<tr>
<td>FICA</td>
<td>$ 2,391</td>
</tr>
<tr>
<td><strong>Net cost</strong></td>
<td>$ 33,641</td>
</tr>
</tbody>
</table>

The 2017 Adopted Budget included an appropriation for a 1.0 percent wage increase for all employees, effective Pay Period 14 (beginning June 18, 2017), or approximately $42,550 in additional salary dollars. Therefore, there is a $12,164 savings based on the proposed agreement for the current year.

| 2017 Budgeted Salary Increase | $ 42,550 |
| FICA                          | $ 3,255  |
| **Net Budgeted Amount**       | $ 45,805 |
| **Net Actual Cost**           | $ 33,641 |
| **Savings / (Cost)**          | $ 12,164 |

Since this wage increase inflates the base wage of these employees it would therefore impact each subsequent year budget. The budget impact on 2018, assuming the same pension percentages, would be as follows:

<table>
<thead>
<tr>
<th>2018 Salary Increase</th>
<th>$ 58,037</th>
</tr>
</thead>
<tbody>
<tr>
<td>FICA</td>
<td>$ 4,440</td>
</tr>
<tr>
<td><strong>Net cost</strong></td>
<td>$ 62,476</td>
</tr>
</tbody>
</table>
DATE: October 2, 2017

TO: Duncan Shroat, Chairperson – Milwaukee County Mental Health Board

FROM: Michael Lappen, Administrator, Behavioral Health Division

SUBJECT: Report from the Administrator, Behavioral Health Division, Providing an Administrative Update

Background

The purpose of this standing report is to highlight key activities or issues related to the Milwaukee County Behavioral Health Division since the previous Board meeting and provide ongoing perspectives to the Milwaukee County Mental Health Board regarding the work of the organization and its leadership.

Discussion

High Quality and Accountable Service Delivery

- Northside Facility Update and Expansion of Behavioral Health Division Community Presence

With the delay in the decision for outsourcing of the Behavioral Health Division (BHD) Acute Hospital, the Northside “Hub” project has been delayed secondary to uncertainties about our space needs, concerns about facilities costs cutting into service capacity, and uncertainties related to third-party reimbursement changes related to the Affordable Care Act (ACA) and Badgercare. We remain committed to a future with a stronger BHD community presence. We will be able to move forward with the Hub as soon as we have better visibility on the timeline for closing the hospital and can create a comprehensive facilities plan for all BHD staff currently housed at 9455 West Watertown Plank Road. BHD is determined not to let the delays in identifying a physical location for the Northside facility stop us from moving forward with an expanded community presence.

It is the goal of BHD to help individuals gain access to services as quickly as possible and support them in leading happy, hopeful lives in our community. To this end, BHD has a variety of ways in which individuals can easily obtain services directly in the community, which include:
High Quality and Accountable Service Delivery (Continued)

➢ Community Access to Recovery Services Mobile Rapid Response

Once a Community Access to Recovery Services (CARS) referral has been received, it is immediately assigned to an Administrative Coordinator who will contact the consumer to begin supporting the person and assessing their individual needs. This assessment process, which includes face-to-face meetings whenever possible, typically begins within twenty-four (24) hours of receipt of the referral and often even the same day. The Administrative Coordinator can meet with the person in the community at the location where s/he is most comfortable. In addition to a face-to-face meeting with the client and/or his or her natural supports, the Administrative Coordinator will also collaborate with the referent and other service providers when necessary to get all of the pertinent information to make an eligibility determination and recommend an appropriate level of care.

Once determined eligible for services, people are connected with the appropriate CARS services based upon their identified needs. This can include a variety of services, including Targeted Case Management, Community Support Programs, and Community Based Residential Facilities. With an emphasis on rapid response, efficiency, and meeting individuals in the community, CARS has been able to successfully connect individuals to service within twenty-four (24) to forty-eight (48) hours in many instances.

➢ Care Coordination Team

There are occasions where an individual, concerned family member, or member of the community is interested in learning more about mental health and/or substance abuse services. These individuals can call (414) 257-8095 to be connected to a CARS Care Coordinator. The Care Coordinator can answer questions regarding completion of a referral for CARS services, as well as information about community resources for mental health and/or substance use. The Care Coordinators also provide hands on assistance with completion of the CARS referral over the phone or as a mobile access point by meeting individuals in their home or in the community.

Additionally, the Care Coordination Team provides short-term crisis case management services, if an individual has immediate needs. These services may be a bridge until other behavioral health services begin. These services can also be provided to individuals who may not need long-term services but instead, request brief hands-on assistance in their homes or in the community. These services are available to help
High Quality and Accountable Service Delivery (Continued)

manage a personal behavioral health crisis not requiring hospitalization or to assist with a period of stabilization after a hospitalization.

➢ Access Points

Consumers can also access CARS services by presenting to an Access Point for a formal CARS Comprehensive Assessment. The Access Point provider on Milwaukee’s north side is M&S Clinical Services at 2821 North 4th Street #516, Milwaukee, WI, 53212, (414) 263-6000. M&S Clinical Services has served as the north side assessment center for CARS since 1998 and has a staff that reflects the cultural diversity of consumers served on the north side. Assessments are conducted on a first-come first-serve basis Monday through Friday and by appointment as needed.

In addition to comprehensive screening services, M&S provides psycho-education and referral for screening to consumers for Hepatitis C and HIV services. Going forward, BHD CARS staff will be on site at M&S each Monday morning to facilitate timely connections to CARS programs and to expand BHD staff presence in the community.

➢ Crisis Resource Center (CRC) North

The services at the Crisis Resource Center (CRC) are provided by Whole Health Clinical Group (WHCG). CRC offers a safe, recovery-oriented environment that provides short-term crisis intervention to individuals. They provide a multitude of services, which includes crisis stabilization, peer support, and linkage to ongoing support and services. The CRC also promotes opportunities for increased collaboration among community services and providers for the benefit of consumers and improved community health through consumers’ increased quality of life.

CRC North, which provides walk-in crisis services along with short-term stabilization services, is located at 5409 West Villard Avenue, Milwaukee, WI, 53218, (414) 539-4024. CRC North will be a second location on the north side where BHD CARS staff will be on site each week on Wednesday afternoons. As with M&S, individuals are familiar with the location, and it provides an opportunity to expand BHD staff presence in the community, improves access to CARS services, and will help refine our model to eventually be implemented on a larger scale at the future Northside facility.
High Quality and Accountable Service Delivery (Continued)

➢ Crisis Mobile Team

The Crisis Mobile Team provides community-based assessments, crisis intervention services, and follow-up referrals to people throughout Milwaukee County. The team is available to serve the community seven (7) days per week, twenty-four (24) hours per day based upon availability. Individuals, families, friends, and law enforcement seeking the Crisis Mobile Team can access the team by calling the Crisis Line at (414) 257-7222. If a mobile intervention is needed, a team will be dispatched to the person’s location in the community.

➢ Crisis Assessment and Response Team (CART)

CART is a collaborative effort between the Milwaukee Police Department (MPD) and BHD. There are currently three CART teams providing services between the hours of 11 a.m. and midnight, seven days per week based on availability. CART responds as a resource to assist officers in the community determine an appropriate response to mental health, substance use, and co-occurring needs of people in the community. CART responds to high intensity crisis situations where law enforcement intervention has been requested to de-escalate the crisis, assess the person’s immediate needs, and link the person to resources in the community.

➢ Team Connect

Team Connect is a new program at BHD that provides co-occurring services to individuals with substance use and mental health needs. This includes additional follow-up services and supports to all persons (eighteen [18] years and older) discharged from Psychiatric Crisis Services (PCS), the observation unit, and acute care units. The purpose of this team is to reduce the risk of harm to individuals post-discharge, help improve continuity of care, provide connections to community resources to promote overall wellness, and reduce the incidence of hospital readmission and visits to PCS. Enrollment with Team Connect is intended to be short term based on the individual’s needs. Follow up and monitoring can continue until an individual is in treatment, level of risk diminishes sufficiently, and/or an individual no longer wishes to participate in services.
BHD Collaborations

- **Kresge/American Public Human Services Association (APHSA)**

  BHD and the Department of Health and Human Services Housing Division have been awarded additional funding from the Kresge Foundation to aid in our shared efforts to expand housing resources to individuals with mental health and substance use challenges and to develop the infrastructure to monitor quality and maximize efficiency in managing those resources. From the notification from Bryon Grove from APHSA:

  *APHSA has received official approval from the Kresge Foundation of their support of funding for the Road Map Development & Framing Science efforts between September 1, 2017 - March 31, 2018. The activities included in the proposal were:

  - Finalization of Road Map from Assessment priority Strengths & Gaps (2 Days Onsite)
  - An introduction to framing science, methods, and strategies, including relevant research from Frameworks Institute; (2 Days Onsite)
  - Tailored technical assistance and coaching on applying framing principles to the work of each agency and linking it to their HSCC progression efforts; (Housing as Healthcare) (2 Days Onsite)*

Grant Awards

- **City-County Heroin, Opioid, and Cocaine Taskforce Related Grant Funding**

  BHD’s participation in the City-County Heroin, Opioid, and Cocaine Taskforce has led to a grant funded effort led by CARS. In partnership with the UWM School of Social Welfare, BHD has begun a pilot project to examine in detail deaths related to opioid overdoses throughout Milwaukee County in an attempt to identify common themes, gaps in care, and to bolster prevention and treatment efforts. A Ph.D student has been assigned to the project, and her work will include an exploration of the issue of overdose deaths in the County and will develop a collaboration between BHD, all nineteen (19) local health departments, the medical examiner’s office, and the local health and Emergency Management Systems.
Other Topics of Interest

- **BHD Organizational Leadership Structure/Role Changes**

  Randy Oleszak, BHD’s Chief Financial Officer (CFO) has resigned to take a position at Lutheran Social Services. The vacant position has been posted, and we hope to fill it quickly. Randy’s team continues to handle day-to-day fiscal duties. We wish Randy the best and thank him for four years of quality service for Milwaukee County and BHD.

  Respectfully Submitted,

  [Signature]

  Mike Lappen, Administrator
  Milwaukee County Behavioral Health Division
  Department of Health and Human Services
Chairperson: Duncan Shrout  
Chairperson: Thomas Lutzow  
Secretary: Dr. Robert Chayer  
Senior Executive Assistant: Jodi Mapp, 257-5202

JOINT MEETING  
TASK FORCES ON LOCAL PUBLIC/PRIVATE PARTNERSHIP  
AND NATIONAL ENTITY PARTNERSHIP  

October 5, 2017 - 8:00 A.M.  
Milwaukee County Mental Health Complex  
9455 West Watertown Plank Road  

MINUTES

PRESENT: Duncan Shrout (LPPP), *Brenda Wesley (LPPP), Thomas Lutzow (NEP), Robert Chayer (NEP), Mary Neubauer (NEP), Michael Lappen, John Schneider, Jennifer Bergersen, Rose Kleman (Ad Hoc), and Alicia Modjeska (Ad Hoc)

EXCUSED: Jon Lehrmann (LPPP) and Kelly Davis (Ad Hoc)

*Joint Task Force Member Brenda Wesley was not present at the time the roll was called but joined the meeting shortly thereafter.

SCHEDULED ITEMS:

1. Call to Order.

Chairman Shrout opened the meeting by greeting members of the Joint Task Force and the audience. Joint Task Force members were asked to introduce themselves.

2. Background Information to Date on Joint Task Force Efforts to Identify a Partner to Provide Acute Psychiatric Services.

Mr. Lappen explained the Joint Task Force has reached a point in its efforts to identify a partner where it is important Board Members who have not been involved in this process be briefed on the activities of the Joint Task Force and its evaluation of information received to date. The decision to move from being a hospital-based provider of acute psychiatric care to becoming a comprehensive provider of preventative, treatment, and recovery-oriented care in community-based settings dates back to September of 2014. The timeline distributed details each phase and is reflective of the work done on this initiative.

Chairman Shrout provided background information on the establishment of the Joint Task Force and its initial purpose to evaluate national and local entities interested in partnering with the Milwaukee County Behavioral Health Division to provide services. Over the last two years, the Joint Task Force has met monthly and had discussions with and viewed presentations by all interested parties.
3. **Update on the Milwaukee Behavioral Health Coalition’s Participation in the Process of Potentially Partnering with the Milwaukee County Behavioral Health Division (BHD) to Provide Acute Psychiatric Services.**

The Milwaukee Behavioral Health Coalition, made up of Children’s Hospital, Rogers Memorial Hospital, and Ascension, collectively decided to withdraw from consideration of potentially partnering with BHD to provide services. The Coalition relayed the decision was based on their inability to provide a viable proposal at this time.

The original purpose of today’s meeting was to hear presentations from both Universal Health Services and the Coalition. Once the Coalition announced their withdrawal, the meeting was kept as scheduled and designated as an opportunity to provide the Board with information and solicit everyone’s input on how to move forward.

BHD remains in contact with the Coalition and will continue to have relationships with each entity in their capacity as members of the local continuum of care.

Questions and comments ensued.

4. **Next Steps on Identifying a Partner to Provide Acute Psychiatric Services.**

Joint Task Force Member Neubauer explained the “Site Visit Group” has taken on the responsibility of now being the Review Committee as it relates to the clinical component and aspects of the written submission due November 6, 2017. The first meeting of this group was held on October 2, 2017, where a process of evaluation was developed and a timeline to a decision was created. Both documents were distributed and reviewed in detail. A Review Committee related to the financial components and aspects of the written submission will be charted by Milwaukee County in November.

Questions and comments ensued at length.

5. **Upcoming 2017 Joint Taskforce Meeting Dates:**

- December 7, 2017, at 8:30 a.m.
- January 4, 2018, at 8:30 a.m.

Chairman Shrout reminded the Joint Task Force that the November 2, 2017, meeting was cancelled pending receipt of the written submission due November 6, 2017. The next meeting of the Joint Task Force was announced as December 7, 2017, at which time the Review Committee will report on its findings.
SCHEDULED ITEMS (CONTINUED):

6. Adjournment.

Jodi Mapp
Senior Executive Assistant
Milwaukee County Mental Health Board

The October 5, 2017, meeting minutes of the Milwaukee County Mental Health Board Joint Task Force on Local Public/Private Partnership and National Entity Partnership are hereby approved.

Dr. Robert Chayer, Secretary
Milwaukee County Mental Health Board
Joint Task Force on Local/Private Partnership
and National Entity Partnership

Milwaukee County Mental Health Board
Task Forces on Local Public/Private Partnership
and National Entity Partnership
October 5, 2017
COUNTY OF MILWAUKEE
Behavioral Health Division Administration
Inter-Office Communication

DATE: September 21, 2017

TO: Duncan Shrout, Chairperson – Milwaukee County Mental Health Board

FROM: Jeanne Dorff, Interim Director, Department of Health and Human Services
Approved by Mike Lappen, Administrator, Behavioral Health Division

SUBJECT: Report from the Interim Director, Department of Health and Human Services, Requesting Authorization to Execute 2017 and 2018 Professional Services Contracts for Food, Psychiatrist Staffing, and Security Services

Issue

Wisconsin Statute 51.41(10) requires approval for any contract related to mental health (substance use disorder) with a value of at least $100,000. No contract or contract adjustment shall take effect until approved by the Milwaukee County Mental Health Board. Per the statute, the Director of the Department of Health and Human Services is requesting authorization for BHD/CARS/Wraparound/Inpatient Hospital to execute mental health and substance use contracts for 2017-2018.

Background

Approval of the recommended contract allocations will allow BHD/CARS/Wraparound/Inpatient Hospital to provide a broad range of rehabilitation and support services to adults with mental health and/or substance use disorders and children with serious emotional disturbances.

Professional Services Contracts

ARAMARK Correctional Services, LLC - $805,089.60
ARAMARK Correctional Services, LLC prepares and delivers food for the BHD inpatient and outpatient population.

Locum Tenens.com, LLC - $780,000
LocumTenens.com LLC is utilized to fulfill required psychiatrist staffing for the Behavioral Health Division inpatient services on a temporary basis. Services include sourcing, screening, and presenting psychiatrist candidates for the purpose of fulfilling essential coverage needs due to vacancies. Continued temporary staffing is required, while BHD continues to recruit for permanent psychiatrist employees. This shall be the sixth amendment, since the agreement was initially executed on 11/16/2015. BHD is seeking to amend the existing agreement by an additional $780,000 for a new not to exceed total of $3,086,750 and to extend the end date through 12/31/2018. Fiscal Impact: The costs associated with locum tenens staffing are offset by current vacancies and will decrease, as additional permanent positions are filled.
U.S. Securities - $796,120
U.S. Securities provides Public Safety and Security Services for Milwaukee County Behavioral Health Division. In April 2017 BHD entered into a temporary contract with U.S. Securities to also provide Security Services and the current agreement will expire on 10/31/2017 and is being extended until 10/31/2018. U.S. Securities will continue in the provision of security services. BHD will be pursuing hiring an in-house proprietary team to perform the security services with an anticipated date of 2018. BHD is seeking to amend the existing agreement for 2017 by $137,790 for a new not to exceed total of $1,155,842. BHD is also asking for an additional $658,330 for 2018 for a new not to exceed total of $1,128,330.

Fiscal Summary

The amount of spending requested in this report is summarized below.

Jeanne Dorff, Interim Director
Department of Health and Human Services
DATE: September 21, 2017

TO: Duncan Shrout, Chairperson – Milwaukee County Mental Health Board

FROM: Jeanne Dorff, Interim Director, Department of Health and Human Services

SUBJECT: Report from the Interim Director, Department of Health and Human Services, Requesting Authorization to Execute 2017 and 2018 Purchase-of-Service Contracts with a Value in Excess of $100,000 for the Behavioral Health Division for the Provision of Adult and Child Mental Health Services and Substance Use Disorder Services

Issue

Wisconsin Statute 51.41(10) requires approval for any contract related to mental health (substance use disorder) with a value of at least $100,000. No contract or contract adjustment shall take effect until approved by the Milwaukee County Mental Health Board. Per the statute, the Director of the Department of Health and Human Services is requesting authorization for BHD/CARS/Wraparound/Inpatient Hospital to execute mental health and substance use contracts for 2017-2018.

Background

Approval of the recommended contract allocations will allow BHD/CARS/Wraparound/Inpatient Hospital to provide a broad range of rehabilitation and support services to adults with mental health and/or substance use disorders and children with serious emotional disturbances.

Purchase-of-Service Contracts

Dungarvin Wisconsin, LLC
Dungarvin Wisconsin, LLC does the Community Consultation Team (CCT) and is a crisis mobile team that specializes in community-based interventions for individuals with both intellectual developmental disabilities and mental illness. Community Access to Recovery Services (CARS) will not be renewing the Dungarvin Wisconsin, LLC contract for 2018 due to low utilization of services.

Horizon Healthcare, Inc. - $335,286
Horizon Healthcare supports the Consumer Affairs office and assists with staffing the Peer Specialists to support inpatient services, through discharge, and re-entry into the community to assist consumers in staying engaged in the recovery process. The funds are being requested for 2018.
Milwaukee Center for Independence, Inc. dba Whole Health Clinical Group (CRC) – $1,480,000.00

The Crisis Resource Center (CRC) serves adults with mental health needs who are in need of crisis intervention and/or short term crisis stabilization versus hospitalization. People served may include individuals with a co-occurring substance use disorder who are experiencing a crisis. The CRC provides a safe, welcoming, and recovery-oriented environment for people in need of stabilization and peer support services to prevent hospitalization. The funds are being requested for 2018.

**Fiscal Summary**

The amount of spending requested in this report is summarized below.

Jeanne Dorff, Interim Director  
Department of Health and Human Services
APPLICATION

This Code of Ethics applies to all Milwaukee County Behavioral Health Division (BHD) employees, inclusive of medical, professional, and administrative staff.

POLICY

The purpose of this Ethics Code is to establish standards of conduct to assist BHD employees in furthering actions consistent with the best interest of government and the citizens of Milwaukee County. High moral and ethical standards by public officials and employees are essential to good government. A code of ethics for the guidance of BHD employees will help avoid conflict between personal interests and public responsibilities, will improve standards of public service, and will promote and strengthen faith and confidence in the BHD.

MISSION

BHD, through early assessment and intervention, promotes hope for individuals and their families through innovative recovery programs in behavioral health, wellness, recovery, research and education.

CORE VALUES

BHD and its employees shall support and follow these core values:

- Person-Centered
- Culturally Intelligent
- Trauma-Informed
- Stage Matched Recovery Planning
- Systems and Services Integration
- Recovery-Oriented

1 MHB members are subject to the Code of Ethics for Local Government Officials. See attached. MHB members are subject to removal for cause and for engaging in any activity that disqualifies an individual from board membership pursuant to Wis. Stat. § 51.41(1d)(i).
• Accessible
• Welcoming
• Co-occurring Capable

RESPONSIBILITY TO CONSUMERS

BHD and its employees shall:

• Properly administer the mental health affairs of Milwaukee County.
• Promote decisions that benefit the public interest.
• Provide citizens with access to quality care that is appropriate for individual conditions and needs.
• Treat citizens with dignity and respect in all aspects of patient care. This includes involving patients, to the extent possible, in decisions regarding their own treatment.
• Uphold standards of professionalism and honesty in all interactions.
• Make every reasonable effort to assure that the relief of human suffering and safety of the people served are sustained or enhanced by the BHD’s services.
• Assure that the spiritual needs and cultural beliefs and practices of citizens served are respected and accommodated.
• Protect the confidentiality and privacy of the citizens served within the constraints of the law.
• Promote principles of recovery for the citizens served throughout the mental health delivery system.
• Utilize the BHD Ethics Committee, the Milwaukee County Ethics Board, and the Office of Corporation Counsel to address ethical dilemmas.
• Ensure patients/clients with longer length of stays have a right to perform or refuse to perform tasks in the hospital or community without prejudice to their care.

RESPONSIBILITY TO COLLEAGUES

BHD and its employees shall:

• Recognize and respect boundaries of colleagues.
• Accommodate the religious beliefs of employees to the extent possible.
• Maintain a respectful attitude towards all.
RESPONSIBILITY TO COMMUNITY

BHD and its employees shall:

- Promote the overall mental health status of the community.
- Accept a leadership role in enhancing public mental health and continuity of care by communicating and collaborating with other health care and social service agencies to improve the availability and provision of mental health services.
- Participate in activities contributing to improvement of the community and the betterment of public health.

ADMISSION TRANSFER AND DISCHARGE PRACTICES

Each person obtaining services has the right to participate, consistent with the law, in transfer, admission, and discharge decisions, which will be based upon sound clinical evaluations.

BHD and its employees shall:

- Complete a clinically competent assessment for all persons seeking services.
- Treat individuals needing services regardless of ability to pay.
- Provide a coordinated admission process designed to meet the needs of persons seeking mental health services.
- Assure that all transfers within the BHD are clinically indicated and aimed at assuring treatment in the least restrictive, most therapeutic setting.
- Provide for safe, well-coordinated transfer or discharge following confirmation that the patient has been fully informed of the basis for the decision(s) and any alternative(s).

EDUCATIONAL OPPORTUNITIES

BHD and its employees shall:

- Ensure that educational activities for consumers, families, students, and employees will focus on the treatment of illness, the advancement of knowledge, and the promotion of health, well-being, and recovery.

BILLING PRACTICES

BHD and its employees shall:

- Bill citizens served and third-party payors only for services actually provided and efficiently answer questions related to any matter, particularly cost of care.

---

2 See attached BHD Purchasing and Procurement Policy adopted in August of 2017. In particular, see page 3 of that policy concerning employees responsible for submission of Statements of Economic Interest (those persons authorized to make purchases on behalf of BHD). See also attached related policy: Procurement-Legal and Contractual Remedies.
• Strive to increase the utilization of women, minorities, and disabled persons, and other protected groups in all divisions of the BHD, including in the issuance of contracts.
• Evaluate decisions so that the best service or product is obtained at minimal cost without sacrificing quality and to ensure preservation and protection of county funds and property.

PROTECTION OF THE INTEGRITY OF CLINICAL DECISIONS OF THE LICENSED INDEPENDENT PRACTITIONER

BHD and its employees shall:

• Protect the integrity of clinical decision making regardless of how the organization compensates staff or shares financial risk.
• Ensure that clinical decisions are based on patient health care needs following well-designed standards of care.
• Provide services to meet identified needs of patients and seek continuous improvement.
• Provide services to patients for whom the organization can safely care for within the facility and otherwise ensure proper referral to a provider or facility that can meet those needs.
• Never turn away patients in need based on ability to pay or any other factor substantially unrelated to patient care.
• Evaluate business practices by the BHD administrative leadership and the Medical Staff’s Medical Executive Committee to ensure that service delivery is based upon patient need, not financial incentives.
• Refer ethical conflicts related to patient care decisions to the BHD Ethics Committee.

CONFLICT OF INTEREST

Generally, a conflict of interest exists when professionals are called upon to serve competing interests. Some apparent conflicts, such as transactions with a former employer or dealings with past business associates, may be acceptable as long as disclosure of the conflict is made to all involved parties.

BHD and its employees shall:

• Be honest and exercise good faith in transactions.
• Act always for the benefit of the employer or patient and avoid any interest or activities, which appear to conflict with those interests.
• Avoid accepting gifts from consumers, their families and vendors except for nominal tokens of appreciation or unsolicited promotional items of nominal value for use at the work site.
• Address issues of conflict of interest with the treatment team when a BHD employee serves as a guardian or client advocate.

3 This section supplements the existing, separate Conflict of Interest policy. See attached BHD Conflict of Interest Policy, adopted by the MHB on December 15, 2015.
PRIVATE PRACTICE

- BHD reaffirms the right of its professional staff to engage in the private practice of professional services, subject to the rules, conditions and definitions stated in Medical Staff Policy #3.1.9 "Private Practice."

PERSONAL INTEGRITY

BHD employees shall:

- Communicate honestly
- Be compassionate and caring in all interactions.
- Perform work with competence and maintain competency through continuing education following County, State and Federal laws, as well as relevant, discipline-specific ethical codes of conduct.\(^4\)
- Respect the rights of all persons seeking mental health services.
- Maintain patient confidentiality within the limits of the law.
- Provide the same quality level of service for all.
- Report fraud, deception, abuse, or neglect.
- Never allow personal interests to impact conduct, judgment, or decisions.
- Never allow the interests of third-parties or family, friends, or other personal relationships to influence conduct, judgment, or decisions.

\(^4\) See attached Code of Conduct policy, adopted by the MHB on December 15, 2015.
Behavioral Health Division

Code of Ethics

APPLICATION

This Code of Ethics applies to all Milwaukee County Behavioral Health Division (BHD) employees, inclusive of medical, professional, and administrative staff.

POLICY

The purpose of this Ethics Code is to establish standards of conduct to assist BHD employees in furthering actions consistent with the best interest of government and the citizens of Milwaukee County. High moral and ethical standards by public officials\(^1\) and employees are essential to good government. A code of ethics for the guidance of BHD employees will help avoid conflict between personal interests and public responsibilities, will improve standards of public service, and will promote and strengthen faith and confidence in the BHD.

MISSION

BHD, through early assessment and intervention, promotes hope for individuals and their families through innovative recovery programs in behavioral health, wellness, recovery, research and education.

CORE VALUES

BHD and its employees shall support and follow these core values:

- Person-Centered
- Culturally Intelligent
- Trauma-Informed
- Stage Matched Recovery Planning
- Systems and Services Integration
- Recovery-Oriented

\(^1\) MHB members are subject to the Code of Ethics for Local Government Officials. See attached. MHB members are subject to removal for cause and for engaging in any activity that disqualifies an individual from board membership pursuant to Wis. Stat. § 51.41(1d)(i).
• Accessible
• Welcoming
• Co-occurring Capable

RESPONSIBILITY TO CONSUMERS

BHD and its employees shall:

• Properly administer the mental health affairs of Milwaukee County.
• Promote decisions that benefit the public interest.
• Provide citizens with access to quality care that is appropriate for individual conditions and needs.
• Treat citizens with dignity and respect in all aspects of patient care. This includes involving patients, to the extent possible, in decisions regarding their own treatment.
• Uphold standards of professionalism and honesty in all interactions.
• Make every reasonable effort to assure that the relief of human suffering and safety of the people served are sustained or enhanced by the BHD’s services.
• Assure that the spiritual needs and cultural beliefs and practices of citizens served are respected and accommodated.
• Protect the confidentiality and privacy of the citizens served within the constraints of the law.
• Promote principles of recovery for the citizens served throughout the mental health delivery system.
• Utilize the BHD Ethics Committee, the Milwaukee County Ethics Board, and the Office of Corporation Counsel to address ethical dilemmas.

- Accept a leadership role in enhancing public mental health and continuity of care by communicating and collaborating with other health care and social service agencies to improve the availability and provision of mental health services.
- Participate in activities contributing to improvement of the community and the betterment of public health.

ADMISSION TRANSFER AND DISCHARGE PRACTICES

Each person obtaining services has the right to participate, consistent with the law, in transfer, admission, and discharge decisions, which will be based upon sound clinical evaluations.

BHD and its employees shall:

- Complete a clinically competent assessment for all persons seeking services.
- Treat individuals needing services regardless of ability to pay.
- Provide a coordinated admission process designed to meet the needs of persons seeking mental health services.
- Assure that all transfers within the BHD are clinically indicated and aimed at assuring treatment in the least restrictive, most therapeutic setting.
- Provide for safe, well-coordinated transfer or discharge following confirmation that the patient has been fully informed of the basis for the decision(s) and any alternative(s).

EDUCATIONAL OPPORTUNITIES

BHD and its employees shall:

- Ensure that educational activities for consumers, families, students, and employees will focus on the treatment of illness, the advancement of knowledge, and the promotion of health, well-being, and recovery.

BILLING PRACTICES\(^2\)

BHD and its employees shall:

- Bill citizens served and third-party payors only for services actually provided and efficiently answer questions related to any matter, particularly cost of care.

\(^2\) See attached BHD Purchasing and Procurement Policy. In particular, see page 3 of that policy concerning employees responsible for submission of Statements of Economic Interest (those persons authorized to make purchases on behalf of BHD). See also attached related policy: Procurement-Legal and Contractual Remedies.
• Strive to increase the utilization of women, minorities, and disabled persons, and other protected groups in all divisions of the BHD, including in the issuance of contracts.
• Evaluate decisions so that the best service or product is obtained at minimal cost without sacrificing quality and to ensure preservation and protection of county funds and property.

PROTECTION OF THE INTEGRITY OF CLINICAL DECISIONS OF THE LICENSED INDEPENDENT PRACTITIONER

BHD and its employees shall:

• Protect the integrity of clinical decision making regardless of how the organization compensates staff or shares financial risk.
• Ensure that clinical decisions are based on patient health care needs following well-designed standards of care.
• Provide services to meet identified needs of patients and seek continuous improvement.
• Provide services to patients for whom the organization can safely care for within the facility and otherwise ensure proper referral to a provider or facility that can meet those needs.
• Never turn away patients in need based on ability to pay or any other factor substantially unrelated to patient care.
• Evaluate business practices by the BHD administrative leadership and the Medical Staff's Medical Executive Committee to ensure that service delivery is based upon patient need, not financial incentives.
• Refer ethical conflicts related to patient care decisions to the BHD Ethics Committee.

CONFLICT OF INTEREST

Generally, a conflict of interest exists when professionals are called upon to serve competing interests. Some apparent conflicts, such as transactions with a former employer or dealings with past business associates, may be acceptable as long as disclosure of the conflict is made to all involved parties.

BHD and its employees shall:

• Be honest and exercise good faith in transactions.
• Act always for the benefit of the employer or patient and avoid any interest or activities, which appear to conflict with those interests.
• Avoid accepting gifts from consumers, their families and vendors except for nominal tokens of appreciation or unsolicited promotional items of nominal value for use at the work site.
• Address issues of conflict of interest with the treatment team when a BHD employee serves as a guardian or client advocate.

3 This section supplements the existing, separate Conflict of Interest policy. See attached BHD Conflict of Interest Policy, adopted by the MHB on December 15, 2015.
PRIVATE PRACTICE

- BHD reaffirms the right of its professional staff to engage in the private practice of professional services, subject to the rules, conditions and definitions stated in Medical Staff Policy #3.1.9 "Private Practice."

PERSONAL INTEGRITY

BHD employees shall:

- Communicate honestly
- Be compassionate and caring in all interactions.
- Perform work with competence and maintain competency through continuing education following County, State and Federal laws, as well as relevant, discipline-specific ethical codes of conduct.4
- Respect the rights of all persons seeking mental health services.
- Maintain patient confidentiality within the limits of the law.
- Provide the same quality level of service for all.
- Report fraud, deception, abuse, or neglect.
- Never allow personal interests to impact conduct, judgment, or decisions.
- Never allow the interests of third-parties or family, friends, or other personal relationships to influence conduct, judgment, or decisions.

4 See attached Code of Conduct policy, adopted by the MHB on November 25, 2015.
ATTACHMENT NO. 1
A MENTAL HEALTH BOARD (MHB) MEMBER SHOULD NOT:

ACT OFFICIALLY IN A MATTER IN WHICH PRIVATELY INTERESTED OR FOR AN ORGANIZATION WITH WHICH ASSOCIATED. Use his or her public position or office to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated. [§ 19.59(1)(a), Wisconsin Statutes]

SOLICIT OR ACCEPT ANYTHING OF VALUE LIKELY TO INFLUENCE. Solicit or accept from any person, directly or indirectly, anything of value if it could reasonably be expected to influence the local public official's vote, official actions or judgment, or could reasonably be considered as a reward for any official action or inaction on the part of the local public official. (This does not prohibit a local public official from engaging in outside employment.) [§ 19.59(1)(b)]

USE PUBLIC POSITION TO OBTAIN UNLAWFUL BENEFITS. Directly, or by means of an agent, give, or offer or promise to give, or withhold, or offer or promise to withhold, his or her vote or influence, or promise to take or refrain from taking official action with respect to any proposed or pending matter in consideration of, or upon condition that, any other person make or refrain from making a political contribution, or provide or refrain from providing any service or other thing of value, to or for the benefit of a candidate, a political party, a person who is subject to a registration requirement under s.11.05 (registration of political groups, committees, and individuals), or any person making a communication that contains a reference to a clearly identified local public official holding an elective office or to a candidate for local public office. [§ 19.59(1)(br)]

USE PUBLIC POSITION FOR SUBSTANTIAL FINANCIAL INTEREST. Take any official action substantially affecting a matter in which the official, a member of his or her immediate family, or an organization with which the official is associated has a substantial financial interest. [§ 19.59(1)(c1)]

USE PUBLIC POSITION FOR SUBSTANTIAL BENEFIT. Use his or her office or position in a way that produces or assists in the production of a substantial benefit, direct or indirect, for the official, one or more members of the official's immediate family either separately or together, or an organization with which the official is associated. [§ 19.59(1)(c2)]

ACCEPT TRANSPORTATION, LODGING, FOOD, OR BEVERAGE EXCEPT AS SPECIFICALLY AUTHORIZED. Accept or retain transportation, lodging, meals, food or beverage except items and services offered for reasons unrelated to public office, as long as not furnished by a lobbyist or by a lobbyist's employer, or items provided by or to the MHB and primarily for the MHB's benefit. [§§ 19.59(3)(a) and 19.44(h)]

PENALTY FOR VIOLATION OF ETHICS CODE. Any person who violates this Ethics Code may be required to forfeit not more than $1,000 for each violation, and additional penalties equal to the amount or value of any political contribution, service, or other thing of value wrongfully obtained, after commencement of an action by the district attorney or attorney general's office. [§§ 19.59(7) and (8)]
ATTACHMENT NO. 2
**Purpose:**

The Milwaukee County Behavioral Health Division (BHD) is required to purchase various materials, services, and equipment to fulfill its mission of enhancing the quality of life for individuals who need support living healthy, independent and safe lives within our community.

**Scope:**

This Policy applies to all MCBHD managers, directors, officers, administrators and purchasing coordinators.

**Policy:**

This procurement policy will ensure:

A. that procurement transactions obtain in a cost-effective, responsible and responsive manner the acquisition of quality materials, services, and equipment required by the BHD

B. the prudent use of resources; BHD will avoid acquisition of unnecessary or duplicative items;

C. that before a service is purchased or outsourced, an evaluation is made of in-house capabilities, and if it is determined that services need to be procured from outside, this policy will be used to guide such procurements;

D. compliance with applicable federal law, OMB Uniform Guidance standards, and any state regulations governing procurement;

E. that contracts are only awarded to responsible contractors possessing the ability to perform successfully. Consideration will be given to contractor integrity, compliance with public policy, past performance and financial and technical resources;

F. that the policy delineate guidelines for source selection, purchasing methodology, and approval of purchases and contracts at BHD;

G. that quality and affordability are to be balanced during the decision making process. Quality will have a higher percentage weight with all procurement efforts.

**Definitions:**

**Bid Bond** is issued as part of a supply bidding process by the contractor to the project owner, to attempt to guarantee that the winning bidder will undertake the contract under the terms at which they bid.
Procurement Procedure

ADMINISTRATIVE MANUAL
MILWAUKEE COUNTY
BEHAVIORAL HEALTH DIVISION

Conflict of Interest: A conflict of interest would arise when an employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for an award or contract.

BHD Directors: Are any staff member that is responsible for a program area, section or service area of MCBHD

Fee for Service Network: A network or group of preapproved providers providing services to certain populations of clients or programs. Examples: Wraparound Milwaukee, Community Access to Recovery Services (CARS).

Ineligible Vendor or Contractor: is a vendor on the federal, state or county barred list.

Officer: A staff member in an executive level position within MCBHD, (Chief Clinical Officer, Chief Nursing Officer, Chief Financial Officer, etc.)

Performance Bond: Also known as a contract bond, is a surety bond issued by an insurance company or a bank to guarantee satisfactory completion of a project by a contractor.

The Director: The Director of the Milwaukee County Department of Health and Human Services.

Procurement by noncompetitive proposal:

Sole Source Purchases: A sole source purchase is one wherein a needed item can only be purchased from a single source because there is only one source available. This situation makes it impossible to obtain competitive bids.

Single Source: Even though two or more suppliers can provide the required goods or services, the Administrator, or designee awards the contract to one supplier over the other(s) when public exigency or emergency will not permit a delay required for competition, or MCMHB has expressly authorized a noncompetitive process, or after solicitation of a number of sources competition is deemed inadequate.

Group Purchasing Organizations (GPO): A group purchasing organization (GPO) is an entity that helps healthcare providers—such as hospitals, nursing homes and home health agencies—realize savings and efficiencies by aggregating purchasing volume and using that leverage to negotiate discounts with manufacturers, distributors and other vendors.

Micro-purchases, $3,000 or less, do not require competition or a cost/price analysis, but must be distributed equitably among qualified suppliers (to the extent practicable). $2,000 for construction awards subject to the Davis-Bacon Act.

Small purchase, $3,000-$149,999, price and rate quotes must be obtained from an adequate number of qualified sources. Note: no cost/price analysis is required.
Formal Procurements may include the following:

Sealed bids, using firm fixed price contract, require formal advertising, two or more bidders are willing and able to respond, and there is public opening of the bids.

Request for Information (RFI): An RFI process may be used to obtain information from potential suppliers or service providers to aid in the development of a request for bid/proposal. The document should be clearly marked “Request for Information”. A request for information is used to obtain information only. It is not a substitute for the request for bid/proposal process, but responsiveness to an RFI may be a condition to being allowed to bid, renew an existing contract, or submit a proposal when an RFP is released.

Competitive Proposals - Request for Proposal (RFP): Is used when sealed bids are not appropriate. A request for proposal is used to submit a solicitation in the form of a proposal for some type of commodity, service, asset, or property. It is typically used to get information about the proposed asset or service. This can include a history of the asset’s ownership, financial information, information about the seller, or the product’s availability. Request for proposals will follow the process rules set forth in the 2000 ABA Model Procurement Code and the August 2002 Regulations for State and Local Governments as approved by the MCBHD Board in 2014 and the Standards found in 2 CFR 200.317-326, Uniform Guidance Procurement Standards. The RFP process will be used when the total costs of services will exceed $150,000 on an annual basis, the need for the service is anticipated four to six months in advance, there are federal mandates requiring an RFP process (e.g., 2 CFR 200), or there is a need for a new service to be provided which MCBHD had not offered previously. The solicitation must include a clear and accurate description of the technical requirements for material, product or services, identify all of the requirements that offerors must fulfill and all other factors to be used in evaluating bids or proposals. Standard terms and conditions will be developed and attached to every RFP to include compliance with relevant federal, state and county procurement laws.

Ethics and Conflict of Interest:

Policy: It is declared that high moral and ethical standards among county public officials and county employees are essential to the conduct of free government; that the county believes that a code of ethics for the guidance of county public officials and county employees will help them avoid conflicts between their personal interests and their public responsibilities, will improve standards of public service and will promote and strengthen the faith and confidence of the people of this county in the county public officials and county employees. It is the intent of the county that in its operations the board shall protect the fullest extent possible the rights of individuals affected. s. 9.01, MCCGO

Conflict of Interest
Persons authorized to make purchases on behalf of MCBHD will be required to disclose any conflict of interests annually via the Statement of Economic Interests Form and Affidavit submitted to the Milwaukee County Ethics board pursuant to provisions of Chapter 9, Code of Ethics, Milwaukee County Code of General Ordinances.
A conflict of interest would arise when a BHD employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

Contractual Personnel Services
An exception would be retired or former BHD employees under contract for services related to their former job duties. When deemed in the best interest of BHD, it may contract with former employees immediately upon their separation from employment.

Additionally, pursuant to the provisions of Wis. Stat. 59.79(8), the director may enter into a contract for a period not to exceed 2 years for the services of retired county employees, provided such services shall not replace or duplicate an existing office or position in the classified or unclassified service nor be considered an office or position under s. 63.03 Wis. Stats. Former Milwaukee County employees may be hired as contractual employees by BHD subject to the requirements of said statute. If payment under the term of the contract will equal or exceed $100,000, MC MHB approval is required.

Prohibited Practices
BHD may not enter into a contract with vendors or contractors that are on a federal, state or county list of ineligible entities.

In order to improve transparency and ensure objective contractor performance and eliminate unfair competitive advantage, providers/contractors who help draft or develop a grant application, contract specifications, requirements, statements of work, invitation for bids and/or requests for proposals, shall be excluded from competing for such procurement unless written reasoning is provided for allowing them to compete.

Gratuities: Officers, employees, and agents of BHD must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, Milwaukee County may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of BHD.

Authority:

A. Authority to make or approve purchases is granted to specific managerial or officer level staff only.

a. This authority is determined by the MCBHD Administrator and the Milwaukee County Mental Health Board.

b. An Authorized Signature Card (Attachment) will remain on file in the MCBHD Fiscal Department and forwarded to the Office of the Milwaukee County Comptroller

c. No person is authorized to obligate MCBHD without verifying, in advance, sufficient funds to meet the purchase obligation.
B. Before a contract or agreement may be executed:
   a. The department may not approve contracts for amounts in excess of available revenues
   b. Funding must be verified by BHD Chief Financial Officer or designee, or encumbered through the Milwaukee County Comptroller's Office.
   c. Actual expenditure of BHD funds shall be reported in compliance with procedures developed by the department, and shall comply with standards guaranteeing quality of care.
   d. All approvals must be granted either electronically or in writing.
   e. Should BHD reimbursement from state or federal sources not be obtained or continued at a level sufficient to allow for payment for the quantity of services under contract, the obligations of each party shall be terminated. Reduction in reimbursement or payment from state or federal sources shall be sufficient basis for BHD to reduce the amount of payment to contractor.

C. The Milwaukee County Board of Supervisors may not exercise approval or disapproval power over any contract relating to mental health or mental health institutions, programs, or services. This paragraph does not preclude the county board of supervisors from creating a central purchasing department for all county purchases that are not related to mental health.

D. Pursuant to s. 51.41(10) Wis. Stats., any contract related to mental health with a value of at least $100,000, to which Milwaukee County is a party may take effect only if the Milwaukee County Mental Health Board votes to approve, or does not vote to reject, the contract within 28 days after the contract is signed or countersigned by the county executive.

E. The Milwaukee County Mental Health Board may exercise approval or disapproval power over contracts and purchases of the director that are for $100,000 or more, except that the Milwaukee County Mental Health Board will not exercise approval or disapproval power over any contract or purchase of the director that relates to community living arrangements, adult family homes, or foster homes and that was entered into pursuant to a contract under s. 46.031 (2g) Wis. Stats. However, any contract or agreement for community living arrangements with expenditures of $100,000 or more will be brought before the Mental Health Board within ninety (90) days as an informational report only.

F. Contracts that exceed the originally approved amount or fee-for-service agreements that exceed the originally estimated expenditure by twenty-five (25) percent or more will be brought before the Mental Health Board within ninety (90) days as informational reports only.

G. The Milwaukee County Mental Health Board may appoint the BHD administrator or his/her designee as agent to approve addenda or amendments to any contract after the contract's initial approval.

H. Oversight of procurement for clinical services such as pharmaceuticals, diagnostics, treatment and procedures occurs by the Milwaukee County BHD Chief Medical Officer. Clinical based contracts; pharmacy, food services, laboratory, and radiology must also receive approval from the MCBHD Medical Executive Committee.

I. The table below outlines who may approve requisitions or purchases and sign contracts, legally binding agreements, business ventures and other agreements with external parties that obligate MCBHD. (including Memoranda of Understanding)

* Required County approvals include BHD Administrator, Director of DHHS, Risk Manager, Corporation Counsel, Office of MC Comptroller, Community Business Development Program, and Milwaukee County Executive.

Purchasing Methods:

Purchasing of products and services is accomplished through a variety of processes, which are designed to address the differences in complexity, value, risk and transaction volumes associated with MCBHD purchasing needs.

1. **Milwaukee County Procurement Division:** This method is used for purchases where a County wide contract exists or when a standard bidding process is desired. This includes:
   a. Price agreements for a set cost for a specific time-frame
   b. Purchase Orders for one time purchases under $2000
   c. Purchase Requisitions for one time purchases greater than $2000
      i. Follow Milwaukee County Procurement Division process for competitive bidding
      ii. Require an additional electronic approval from the Office of the Comptroller
2. **Purchasing Card:** Used for non-contract, local and online spending.
   a. Includes travel
   b. Maximum transaction value of $2,000 to $3,000 depending on BHD department.
   c. Transaction limits vary by department and individual card holder.
   d. Purchases are reviewed and approved monthly by the manager of the department and Purchasing Card Coordinator.

3. **Milwaukee County Time and Materials (T & M) Contractors**
   a. Milwaukee County Facilities Management (MCFM) vets and authorizes specific companies to be used for construction and repair projects by category without an additional formal RFP or Bidding process. MCBHD may utilize these companies as long as the quality and cost meets MCBHD standards. MCBHD may requests Bids and formal RFP for construction and repair projects when MCBHD funds are used to finance these projects.
   b. Contract periods are determined by MCFM.
   c. BHD can purchase services from any authorized T & M contractor if the project price is less than $25,000.
   d. BHD obtains price quotes from multiple authorized T & M contractors for projects above $25,000.
   e. If there are no authorized T & M Contractors for the type of work needed, or when MCBHD will finance the project directly a competitive sourcing process using a minimum of 3 bids/quotes will be utilized when practical.
      i. Any contractor may participate in this process, irrespective of current T & M status.
      ii. Proposals submitted by contractors who have lost T & M status prior to the end of the contract period for cause may be rejected at MCBHD’s discretion.

**Competitive Sourcing**

A. **Informal Proposals or Quotes - Small Purchase:** A competitive Small Purchase Sourcing Process may be used where the value and or nature of the product or service is between $3,000-$149,999, and the product or service can be obtained from more than one source.
   a. MCBHD encourages participation in the competitive sourcing process by as many qualified suppliers as possible.
b. Efforts are made to obtain a minimum of three (3) proposals or price quotes verbally, by email or by letter.

c. Less than three proposals or quotes may be acceptable given the following limitations:
   i. time constraints,
   ii. availability of qualified suppliers able to meet the specifications and
   iii. the opportunity for significant cost savings

d. All proposals or quotations received will be evaluated on the basis of quality, service, compliance to specifications and price.

e. Awards will be made in the best interest of MCBHD.

f. Any or all proposals or quotations received may be rejected at MCBHD’s discretion.

B. **Formal Sealed Bids** are used where the value of the product or service is equal to, or greater than, $150,000.

1. MCBHD will request three (3) written bids when practical.
2. All proposals and quotations will be evaluated on the basis of quality, service, compliance to specifications and price.
3. Awards will be made in the best interest of MCBHD.
4. Approval by the Mental Health Board is required.

C. **Formal written Requests for Proposal (RFP)** are used when sealed bids are not appropriate for sourcing projects over $150,000 where a value determination is necessary and clear specifications are available for comparative products or services.

   a. Each RFP clearly defines a set of criteria to be used to evaluate the proposals.
      i. The form and function of what will be provided is an essential part of the evaluation.
      ii. A weighted value is assigned to each criteria.

   b. Proposals must be submitted in such form and content as required by the RFP.
      i. Items identified as proprietary information will be considered confidential. Pricing will remain confidential during the evaluation period and will become a matter of public record once an award recommendation is made;
      ii. MCBHD does reserve the right to benchmark all pricing through contracted 3rd party resources
      iii. Pricing may be used for analysis of specific endpoints.
c. After proposals are received and evaluated, the contract(s) is/are awarded to the supplier(s) presenting the best combination of quality of service price, delivery, compliance to specifications, and capacity to perform.

d. The Evaluation Panel will consist of a minimum of 3 members if more than one proposal is received.
   i. Panel members can be employees of MCBHD
   ii. Outside panel members may be selected from various sources such as
       1. Community or Professional expert in the field or subject of the RFP
       2. Representatives of community councils and/or advocacy organizations.
   iii. Identification of the panel members will be kept confidential throughout the RFP process.
   iv. Results of the evaluation may be disclosed in aggregate and will not identify the specific scoring by any panel member.

D. **Group Purchasing Organizations (GPO)-and Purchasing Consortiums.** BHD uses GPO pricing and supplies when deemed appropriate.

E. **Municipal Contracts and Purchases** - BHD may utilize existing municipal and/or state contracts on the State of Wisconsin VendorNet list without any additional competitive process. Contracts negotiated or entered into by other county departments on behalf of BHD, (e.g., Procurement Division purchases under Chapter 32, MCCMO, Information Management Services Division, etc.) will be presented to the MC MHB as informational only reports.

**Exceptions to Competitive Sourcing**

There are circumstances when competitive sourcing is not required or practical. Examples of these situations are:

A. Emergency situations endangering the health and safety of patients, staff and/or visitors

B. Purchases that meet Non-Competitive- Sole Source requirements

C. Requisitions for products or services less than $3,000

D. **Fee for Service Provider Networks:** FFS networks have been successfully deployed within BHD and DHHS overall for many years. Networks were created to address the need to allow for client choice in the selection of providers by employing service agreements that cover multiple years to maintain continuity of treatment. A service delivery model called Provider Services Networks evolved and matured within the healthcare industry which balance service demand, adequate client choice and optimal network size. Expansion of such networks may occur at any time to accommodate service demand increases, address the need for new services, or accommodate changes in client choice and allows new service providers to be brought in quickly to respond to shifting needs. Other benefits are the ability to leverage network volume to negotiate competitive
service rates and implement a prior authorization framework which provides better control of projected spending by networks. In some cases, providers are state licensed residential service providers for whom demand can change quickly and capacity needs to remain flexible due to court ordered placements and other external forces. Because of fluctuating demand, the need to respond quickly to changing conditions and the inability to guaranty referrals, fixed amount contracts are not practical and a competitive RFP process is not normally used. FFS agreements as opposed to fixed-amount contracts work best when there exists large amounts of historical data on which to base service rates per unit of service. New providers are added when service demand necessitates additional capacity. Some services may be let for competitive proposal when a large population of providers exists, but total volume of service authorizations may limit the number of providers to be included in a network. When networks are opened to new providers, additions to networks are based on eligibility criteria set forth by the program administering the network and open and transparent outreach efforts are made to solicit applications from prospective providers for a particular service based on the capacity needs of the respective BHD programs.

Non-Competitive (Sole Source or Single Source) Procurement:

A. Instances when Sole Source or Single Source purchasing may be applicable include the following:

1. Property or services can be obtained only from a specific supplier (e.g., real estate; one of a kind items, warranties or support agreements, etc.)

2. Competitive sourcing is precluded because of the existence of patents, copyrights, secret processes, control of raw materials by suppliers or similar circumstances

3. Procurement of electric power or energy, gas, water or other utility services where it would not be practical or feasible to allow other suppliers to provide such services

4. Procurement of support services in connection with the assembly, installation or servicing of equipment or software of a highly technical or specialized nature.

5. Procurement of parts or components to be used as replacements in support of equipment manufactured by a particular supplier

6. Procurement involving construction where a contractor is already at work on the site and it would not be practical to engage another contractor.

7. Procurement where only a single supplier in a market is licensed or authorized to service or sell a specific product line.

8. Procurement of compatible additions to existing equipment where a different manufacturer's equipment would be impractical for the specific need.

9. The supplier or products are specified and required by a funding agency of a grant, or State/Federal contract.

10. Sole Source agreements with Physicians, Prescribers, Psychiatrists, Affiliation and Residency agreement and contracts for temporary medical providers and nurses in connection with the Behavioral Health Hospital.
B. Documentation;

1. Justification explaining the exceptional circumstances of the purchase must show that an equitable evaluation has been made and that rejection of alternative suppliers or solutions is based on objective and relevant criteria.

2. Special Review and Signature approvals are required for all Sole Source and Single Source purchases. If a purchase contract is in excess of $99,999, justification of the sole source procurement must be presented to the MCMHB for review and approval.

Contracting Process:

A. The MCBHD Contract Management Section is responsible for the contracting process, which includes contract execution, compliance monitoring, coordination of sourcing, payment, retention and closeout of all contracts. Contract rates will be determined in collaboration with the fiscal department.

B. In coordination with Contract Management, program directors under the direction of the MCBHD Administrator and its Chief Medical Officer are responsible for network development.

C. All contractors, vendors and providers will be encouraged to hire minorities, individuals with disabilities and use Disadvantage Business Enterprises (DBE) or other Targeted Business Enterprises (TBE).

D. Standardized RFP templates and processes are utilized where possible.

E. Standardized contract templates approved by MC Corporation Counsel and standardized contracting processes and approvals are utilized for all contracts where possible.

Protest Resolution Process

Refer to Procurement Procedure, Milwaukee County BHD, Article No. 1, *BHD Legal and Contractual Remedies* and Request for Proposal (RFP) Requirements, Technical Guidelines.

Emergency Purchases:

A. In case of an emergency due to an accident or other unforeseen incident or condition which affects property or other interests of MCBHD, or threatens the life, health or safety of persons and requires immediate action.

   1. The Administrator or his or her designee may authorize the procurement on other than a competitive basis.

   2. Known suppliers and/or MOU’s in place will be considered.

B. The basis for concluding that there was an emergency and the methods used to identify the selected contractor will be documented.
Court Ordered or Emergency Placements:

In case of an emergency or court ordered placement due to an urgent or unforeseen condition which affects the health, safety or wellbeing of service recipients or youth that requires immediate action.

1. The Administrator or his or her designee may authorize the procurement on other than a competitive basis.

2. Known providers or court ordered placements, or MOU's in lieu of contracts will be considered.

Document Retention

Purchasing documentation will be kept on file for 7 years after the contract ends or last payment, whichever is later.

Bonds and Insurance Guarantees

A. Bonding Requirements: Bonding may be required for construction / facility improvement contracts/subcontracts exceeding the Simplified Acquisition Threshold or other contracts where appropriate to ensure that the funding agency’s interest in the procurement is adequately protected

B. Insurance requirements for each contract will be determined by Milwaukee County Risk Management.

Modification of Contracts

A. Contracts that are modified or expanded to greater than the next highest value level listed in the MCBHD Spending Authority Table will be evaluated to determine if an additional competitive process is warranted.

B. MCBHD purchasing agents will not create a contract at a lower level, with the intent of expanding at a later point to avoid compliance with the required competitive process for the aggregate value of the contract.

Authority to Resolve Disputes, Grievances and Breach of Contract:

Disputes between the MCBHD and a contractor/Provider which arise under or by virtue of a contract between them for example; breach of contract, mistake, misrepresentation, poor quality, or other cause for contract modification or rescission.
1. **Authority to Resolve Disputes:** The BHD Contract Management Section in collaboration with operations and Quality Services have the authority to work to resolve Disputes.

2. The processes for resolution of Disputes are outlined in the Compliance Audit, Performance Measures and Grievance procedures attached to all MCBHD Provider contracts.

3. **Decision** - If the Disputes or grievance is not resolved by mutual agreement between Contract Management and provider, the provider can submit an appeal to the MCBHD Administrator who will follow the grievance procedure process and time line.

4. **Finality of Decision** - The decision rendered shall be final and conclusive, unless fraudulent, or the contractor commences to an action in court.

5. **If Breach of Contract** results in termination of contract, appeal process as outlined in Article No. 1, BHD Legal and Contractual Remedies, will be followed by Contractor/Provider.

**References:**

2. 2002 Model Procurement Regulations by State and Local Governments
4. Procurement Procedure, Milwaukee County BHD, Article No. 1, BHD Legal and Contractual Remedies

**Monitors:**

Purchases are reviewed prior to approval by those listed in the MCBHD Contract Spending Authority Table. Additional reviews and/or audits may be conducted by BHD Contract Management as deemed appropriate. Annual independent audit reports by CPA firms licensed in the State of Wisconsin must be submitted to DHHS Contract Administration if mandated by federal or state regulations.
LEGAL AND CONTRACTUAL REMEDIES

Part A – Pre-Litigation Resolution of Controversies

§1-101 Authority to Resolve Protested Solicitations and Awards.

(1) Right to Protest. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Chief Procurement Officer, or designee, and the Milwaukee County Behavioral Health Administrator, or designee. The protest shall be submitted in writing to the Milwaukee County Behavioral Health Administrator within 10 calendar days after such aggrieved person knows or should have known of the facts giving rise thereto.

(2) Authority to Resolve Protests. The Chief Procurement Officer and the Milwaukee County Behavioral Health Administrator, or a designee of either officer, shall have the authority, prior to the commencement of an action in court concerning the controversy, to settle and resolve a protest of an aggrieved bidder, offeror, or contractor, actual or prospective, concerning the solicitation or award of a contract.

(3) Decision. If the protest is not resolved by mutual agreement, the Chief Procurement Officer and the Behavioral Health Administrator, or a designee of either officer, shall issue a decision in writing within 60 calendar days. The decision shall,

(a) state the reasons for the action taken, including whether the solicitation or award of the contract was in accordance with the terms and conditions of the solicitation; and

(b) inform the protestant of its right to judicial review.

(4) Notice of Decision. A copy of the decision under Subsection (3) of this Section shall be mailed or otherwise furnished immediately to the protestant.

(5) Finality of Decision. Subject to judicial review, a decision under Subsection (3) of this Section shall be final and conclusive, unless fraudulent.

(6) Stay of Procurements During Protests. In the event of a timely protest under Subsection (1) of this Section, the Milwaukee County Behavioral Health Division shall not proceed further with the solicitation or with the award of the contract unless the Chief Procurement Officer, after consultation with Milwaukee County Behavioral Health Administrator, makes a written determination that the award of the contract without delay is necessary to protect substantial interests of the Milwaukee County Behavioral Health Division.

§1-102 Authority to Resolve Contract and Breach of Contract Controversies.
(1) **Applicability.** This Section applies to controversies between the Milwaukee County Behavioral Health Division and a contractor which arise under, or by virtue of, a contract between them. This includes without limitation controversies based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or rescission.

(2) **Authority.** The Chief Procurement Officer and the Milwaukee County Behavioral Health Administrator, or a designee of either officer, is authorized, prior to commencement of an action in a court concerning the controversy, to settle and resolve a controversy described in Subsection (1) of this Section.

(3) **Decision.** If such a controversy is not resolved by mutual agreement, the contractor may request the issuance of a written decision concerning the controversy governed by Subsection (1). If such a request is made, the Chief Procurement Officer, and the Milwaukee County Behavioral Health Administrator, or the designee of either officer, shall issue a decision in writing within 60 calendar days of the request. Notwithstanding the foregoing, the Chief Procurement Officer, and the Milwaukee County Behavioral Health Administrator, or the designee of either officer, may issue a written decision at any time, with or without a request, regarding any controversy governed by Subsection (1). The decision shall:

(a) state the reasons for the action taken; and
(b) inform the contractor of its right to judicial review.

(4) **Notice of Decision.** A copy of the decision under Subsection (3) of this Section shall be mailed or otherwise furnished immediately to the contractor.

(5) **Finality of Decision.** Subject to judicial review, the decision under Subsection (3) of this Section shall be final and conclusive, unless fraudulent.

(6) **Failure to Render Timely Decision.** If the Chief Procurement Officer and the Milwaukee County Behavioral Health Administrator, or the designee of either officer, does not issue the written decision required under Subsection (3) of this Section within 60 calendar days after written request for a final decision, or within such longer period as may be agreed upon by the parties, then the contractor may proceed as if an adverse decision had been received.

**Part B – Solicitations or Awards in Violation of Law**

**§1-201 Applicability of this Part.**

The provisions of this Part apply where it is determined administratively, or upon administrative or judicial review, that a solicitation or award of a contract is in violation of law.

**§1-202 Remedies Prior to an Award.**

If prior to award it is determined that a solicitation or proposed award of a contract is in violation of law, then the solicitation or proposed award shall be:

(a) cancelled; or
§1-203
Remedies After an Award.

If after an award it is determined that a solicitation or award of a contract is in violation of law, then:

(a) if the person awarded the contract has not acted fraudulently or in bad faith:
   (i) the contract may be ratified and affirmed, provided it is determined that doing so is in the best interests of the Milwaukee County Behavioral Health Division; or
   (ii) the contract may be terminated and the person awarded the contract shall be compensated for the actual expenses reasonably incurred under the contract, plus a reasonable profit, prior to the termination.

(b) if the person awarded the contract has acted fraudulently or in bad faith:
   (i) the contract may be declared null and void; or
   (ii) the contract may be ratified and affirmed if such action is in the best interests of the Milwaukee County Behavioral Health Division’s rights to such damages as may be appropriate.

Part C – Interest

§1-301
Interest.

Interest on amounts ultimately determined to be due to a contractor or the Milwaukee County Behavioral Health Division shall be payable at the statutory rate applicable to judgments from the date the claim arose through the date of decision or judgment, whichever is later.

Part D – Court Actions

§1-401
Court Actions in Connection with Contracts.

(1) Solicitation and Award of Contracts. The courts of Wisconsin shall have jurisdiction over an action between the Milwaukee County Behavioral Health Division or the Mental Health Board and a bidder, offeror, or contractor, prospective or actual, to determine whether a solicitation or award of a contract is in accordance with the Constitution, statutes, regulations, and the terms and conditions of the solicitation.

(2) Actions Under Contracts or for Breach of Contract. The courts of Wisconsin shall have jurisdiction over an action between the Milwaukee County Behavioral Health Division or the Mental Health Board and a contractor, for any cause of action which arises under, or by virtue of, the contract, whether the action is at law or in equity, whether the action is on the contract or
for a breach of the contract, and whether the action is for monetary damages or declaratory, injunctive, or other equitable relief.

* INCUMBENTS now in elective public office and current County employees are to SKIP Item #8.

* CANDIDATES for elective public office are to SKIP Item #7.

7. GIFTS, HONORARIA, FEES, EXPENSES
List each individual and organization from which you and your spouse received a GIFT, HONORARIUM, FEE and EXPENSES during the preceding taxable year. For a full understanding of this reporting requirement, it is important that you read in its entirety.

7A: GIFTS including ENTERTAINMENT. A “gift” is the receipt of anything of value, which is furnished without valuable consideration. Do not include anything received which was made for a purpose unrelated to duties or responsibilities of the position of the official or employee. List all individuals and organization from which you received in the past year entertainment or gifts having a total value of $50 or more, not including the value of food or beverage offered coincidentally with a talk or meeting related to the business of the Milwaukee County Mental
Health Board. Include tickets to sporting or theatrical events, golfing fees, prizes, samples of promotional items from sales representatives or as part of business promotions and similar items.

7B: HONORARIA, FEES AND EXPENSES FOR TALKS AND PUBLICATIONS RELATED TO PUBLIC OFFICE. List each individual or organization from which you or your spouse received, in the past year, lodging, transportation, money or other things having a total of $50 or more, not including the value of food or beverage offered coincidentally with a talk or meeting where the subject matter of which was related to your duties or responsibilities as a member of the Milwaukee County Mental Health Board. You do not have to list information about a payment: (1) if you returned it within 30 days; (2) if you received it from the Milwaukee County Mental Health Board.

If you or your spouse has no reporting(s), please check here: ☐ Proceed to signature section.

If you or your spouse has reporting(s) for Item #7, please use the enclosed form titled for this purpose and submit with your Statement.

8. CANDIDATES ONLY for elective public office are to furnish the following information:

Name of present employer and position you hold:

ATTACHMENT NO. 3
MILWAUKEE COUNTY BEHAVIORAL HEALTH DIVISION
CONFLICT OF INTEREST POLICY

Policy

I. Purpose: The purpose of this policy is to safeguard the integrity of the Milwaukee County Behavioral Health Division (BHD) and its organized medical staff by fostering the proper and unbiased conduct of all business operations and medical staff activities. This policy also defines conflicts of interest that could affect the safety and quality of patient care, treatment, and services and how such conflicts of interest will be addressed.

II. Application of Policy:
This policy is applicable to all members of the organized medical staff, and all persons employed by BHD. Medical staff members, and employees shall conduct their relationships in compliance with this policy to ensure that decisions are made for the best interests of the BHD.

III. Conflict of Interest:
A conflict of interest exists when an individual to whom this policy applies, or any friend, relative, or business associate of such individual might directly or indirectly profit or benefit or reduce some detriment through the application of the position or knowledge of the individual. A conflict of interest also exists when there is a divergence between an individual’s private interests and his/her professional obligations to the BHD, fellow medical staff members, patients, and employees, such that an independent observer might reasonably question whether the individual’s actions or decisions are determined by potential or actual personal gain, financial, or otherwise. Medical staff members, and employees shall not enter into any transaction or utilize any position with the BHD to make a decision when a conflict of interest exists with respect to the transaction or decision.

IV. Disclosure:
Any medical staff member, or employee shall promptly report in writing to the Administrator of the BHD any actual or contemplated transaction which appears to violate this policy. In addition, each member of the administrative staff, and Unit Manager shall annually complete a conflict of interest disclosure statement relating to this policy.

V. Consequences:
Upon full disclosure of any real or potential conflict situation, if the Administrator of the BHD decides that the conflict will not adversely affect those interests, the situation may

---

1 Milwaukee County Mental Health Board (MHB) members are subject to the Code of Ethics for Public Officials, Employees and Local Government Officials as stated in the Wisconsin Statutes, Chapter 19, as applicable. Effective January 1, 2015, all MHB members became subject to the provisions of Wis. Stat. §19.59(3)(a) and (e) and §19.59(3) in particular, which require submission of statements of economic interest, disclosure of conflicts, and authority for the soliciting of advisory opinions, public and private, on ethics matters. MHB member are subject to removal for cause and for engaging in any activity that disqualifies an individual from board membership per Wis. Stat. 51.41(1)(d)(c).
continue. If the Administrator of the BHD decides there is adverse affect or the potential for such adverse affect exists, or if there is a failure to comply with this policy either through failure to disclose or otherwise, the Administrator of BHD may direct that the situation be discontinued or institute other appropriate action.

VI. Guidelines:
This statement is a broad policy on conflicts of interest. The Administrator of the BHD may, from time to time, promulgate additional policies and guidelines to be utilized in interpreting questions arising under this policy. Any additional policies and guidelines shall be available in the Administrator's office.

CONFLICT OF INTEREST GUIDELINES

This document contains guidelines for compliance with the Conflict of Interest Policy of the BHD.

I. Disclosure:
Each medical staff member, and employee of the BHD must promptly disclose in writing to the Administrator of the BHD any situation which poses a possible conflict of interest. The report shall contain a statement of all material facts as to the relationship or interest which creates the possible conflict of interest.

II. Determination:
The disclosure of any actual or potential conflict of interest will be considered by the BHD Administrator through a committee of 3 the BHD Administrator selects, which will determine whether the actual or potential conflict of interest will have an adverse effect on the BHD. The committee will cause notice to be given to the disclosing person, in writing, of the determination and whether the situation may be allowed to continue or should be terminated, and of any other action that will be taken by the committee or should be taken by the medical staff member, or employee. Approval of a transaction or decision will not be granted by the committee if the transaction or decision is not in the best interest of the BHD.

III. Conflicts of Interest:
A. Actual: Actual conflicts of interest exist when the following directives are violated.

1. Political Contributions - No BHD funds or assets shall be used, directly or indirectly, for political contributions. Likewise, nothing of value shall be given, offered, or promised to any government official by an individual acting as a representative of the BHD to enhance relations with that official or the government.

2. Questionable Payments - No bribe, payoff, kickback, or other payment for any purpose shall be made by or on behalf of the BHD, directly or indirectly, nor shall any such payment be accepted by any person to whom this policy applies. Social amenities, reasonable entertainment, and other courtesies within BHD policies

Page 2 of 5
may be extended and accepted when the value of the item received or extended does not exceed $50.00.

3. **Sales and Purchases** - All sales by the BHD shall be billed directly to the purchaser and no patient or customer shall be billed for any amount in excess of the actual selling prices of the goods or services. No part of any purchase price shall be rebated to a patient or customer. All payments made by the BHD shall be made by BHD check, draft, or other document transfer. No purchase of equipment, instruments, materials, or services for the BHD shall be made (or such decisions influenced) from private firms in which a medical staff member, employee, or immediate family member has a financial interest.

4. **The negotiation of any contract between the BHD and a private organization with which a medical staff member or employee, or immediate family member has a consulting or other significant relationship or stands to receive favorable treatment as a result of such influence shall not be entered.**

5. **Accounts and Deposits** - Unless otherwise approved by the MHB, all money paid to the BHD or paid by the BHD shall be deposited in or paid through accounts established by the BHD, in its name and for its use.

6. **Medical staff members’ consulting or commercialization of technologies derived from research** – While it is appropriate for medical staff members to be compensated for such activities, the individual’s actions and/or decisions made in the course of his/her BHD activities shall not be determined or influenced by considerations of personal financial gain.

7. **Use of Position** - No person to whom this policy is applicable shall use a position with the BHD for personal gain nor shall any such person disclose or misuse privileged information or utilize such information for personal gain.

8. **Personal Business** - An employee shall not conduct personal business for gain on BHD time.

B. **Potential** - Potential conflicts of interest exist when any person to whom the policy applies, or any friend, relative, or business associate of such person:

1. **External Interests** - Renders directive, managerial, or consultative services, or holds, directly or indirectly, a position in any outside concern from which the individual has reason to believe the BHD secures goods or services, or that provides goods or services competitive with the BHD.

2. **Investments** - Holds directly or indirectly substantial investment (in excess of 5% ownership) in any outside concern from which the individual has reason to believe the BHD secures goods or services, or that provides goods or services competitive with the BHD.
3. **Gifts, Gratuities, and Entertainment** - Accepts gifts, entertainment, or other favors from any outside concern that does, or is seeking to do business with, or is a competitor of the BHD, under circumstances from which it might be inferred that such action was intended to influence or possibly would influence the individual in the performance of his/her duties. This does not include the acceptance of items or benefits of nominal or minor value that clearly result from respect or friendship and are not related to any particular transaction or activity of the BHD.

C. **Not Applicable to this Policy:**

   **Joint Employment with Company in Competition** - Joint appointment to the BHD and another local hospital and/or private practice must be negotiated and approved at the time of employment and is not considered a conflict of interest under this policy.
CONFLICT OF INTEREST DISCLOSURE STATEMENT

Please answer this questionnaire by checking the appropriate box by each question. Have you, or any relative, friend, or business associate of yours directly or indirectly:

1. **Interests and Investments:** Acquired any interest in or received any type of payment or remuneration from any business that does business with or competes with the BHD?
   - Yes
   - No

2. **Gifts and Entertainment:** Received any gifts, entertainment or other thing of value from any business that does business with or competes with the BHD?
   - Yes
   - No

3. **Improper Activities:** Engaged in any activity or have any interest or arrangement that might appear to involve a conflict of interest with the BHD?
   - Yes
   - No

4. **Others:** Know of any person who is or gives the appearance of being in a position of conflict of interest with the BHD?
   - Yes
   - No

If any “Yes” box is checked, please explain in the space provided. Use additional sheets if necessary.

__________________________________________________________________________________________________________________________________________________________

__________________________________________________________________________________________________________________________________________________________

I have read the BHD’s Conflict of Interest policy and Guidelines and agree to report, in writing, to the Administrator of the BHD, any situation which poses a possible conflict of interest.

Name__________________________________________ Date________________________

Position/Title________________________________________
Purpose:

This Code of Conduct ("Code") is a statement of the ideals and principles which govern personal and professional behaviors at the Milwaukee County Behavioral Health Division ("BHD"). Adherence to the ideals and principles stated in this Code advances the mission of the BHD and its commitment to the core values of respect, integrity, stewardship and excellence. All Covered Persons are expected to, at all times, adhere to the BHD's Core Values of:

- Respect: To respect the dignity of every person.
- Integrity: To be honest, fair and trustworthy.
- Stewardship: To manage resources responsibly.
- Excellence: To work at the highest level of performance, with a commitment to continuous improvement.

Consistent with these values, this policy sets forth the standards for acceptable, non-disruptive, and appropriate behaviors and communication, professionalism, and interpersonal relationships within the BHD. This policy is intended to supplement other BHD policies which outline responses to and management of unacceptable personal and professional conduct by Covered Persons.

Scope:

This Code applies to all "Covered Persons", which includes but is not limited to, Administrators, Hospital Staff, Medical Staff (psychiatrists, psychologists, nurses, certified nursing assistants, social workers, etc.), and members of the Milwaukee County Mental Health Board, and persons providing patient care or other services within or for the benefit of the BHD (such as students, contractors, and individuals with temporary clinical privileges), regardless of employer ("other Covered Persons").

Policy:

DECORUM AT MILWAUKEE COUNTY MENTAL HEALTH BOARD MEETINGS: Covered Persons, other Covered Persons and all others who may attend and/or participate at Governing Body meetings are entitled to the greatest measure of respect and courtesy. All Covered Persons and other Covered Persons must be ever mindful of the obligation to be temperate, courteous, attentive and patient so as to advance these ideals of conduct and to avoid offensive or discourteous remarks or verbal chastisement which are offensive in nature and detract from the dignity and decorum expected while conducting the public's business, and thereby
eventually degrade the atmosphere within the public meeting. All Covered Persons and other Covered Persons should bear in mind the need for scrupulous adherence to the rules of fair play and the necessity of being considerate and courteous to each other and to all others in attendance.

Definitions:

"Acceptable Behavior" means any reasonable conduct to advocate for patients, to recommend improvements in patient care, to participate in the operations, leadership or activities of the organization. Examples of acceptable behavior include, but are not limited to, the following:

- Criticism communicated in a reasonable manner and offered in good faith with the aim of improving patient care and safety;
- Encouraging clear communication;
- Actively upholding public confidence in County government;
- Maintaining a respectful attitude toward Covered Persons and other Covered Persons;
- Expressions of concern about a patient's care and safety;
- Expressions of dissatisfaction with policies through appropriate grievance channels or other civil non-personal means of communication;
- Use of cooperative approach to problem resolution;
- Constructive criticism conveyed in a respectful and professional manner, without blame or shame for adverse outcomes;
- Professional comments to any Covered Persons and other Covered Persons about patient care or safety provided by others;
- Active participation in the BHD and Organizational meetings (i.e., comments made during or resulting from such meetings will not be used as the basis for a complaint under this Code);
- Membership on other medical staffs; and
- Seeking legal advice on the initiation of legal action for cause.

Acceptable behaviors not subject to corrective action or discipline under this policy.

"Behaviors that Undermine a Culture of Safety" means any abusive conduct including sexual or other forms of harassment, or other forms of verbal or non-verbal conduct that harms or intimidates others to the extent that quality of care or patient safety could be compromised. Examples of such behavior include, but are not limited to, the following:

- Physically threatening language directed at anyone in the BHD including Covered Persons or other Covered Persons;
- Physical contact with another individual that is threatening or intimidating;
- Throwing instruments, charts or other things;
- Threats of violence or retribution;
- Sexual harassment; and,
- Other forms of harassment including, but not limited to, persistent inappropriate behavior and repeated threats of litigation.

Behaviors that undermine a culture of safety by a Covered Person is prohibited.

"Inappropriate Behavior" means conduct that is unwarranted and is reasonably interpreted to be demeaning or offensive. Persistent, repeated inappropriate behavior can become a form of harassment and thereby become disruptive, and subject to treatment as "Behaviors that Undermine a Culture of Safety." Examples of Inappropriate Behavior include, but are not limited to, the following:
• Belittling or berating statements;
• Name calling;
• Use of profanity or disrespectful language;
• Inappropriate comments written in the medical record;
• Blatant failure to respond to patient care needs or Staff requests;
• Personal sarcasm or cynicism;
• Deliberate lack of cooperation without good cause;
• Deliberate refusal to return phone calls, pages, or other messages concerning patient care or safety;
• Intentionally condescending language; and
• Intentionally degrading or demeaning comments regarding patients and their families, Covered Persons or other Covered Persons and/or the BHD, whether occurring within the BHD or in the community.

Inappropriate behavior by a Covered Person is strongly discouraged.

"Harassment" means conduct toward others based on their race, color, religion, creed, age, sex, gender, gender identity, sexual orientation, nationality or ethnicity, physical or mental disability, veteran status, genetic information, or any other basis protected by federal, state or local laws, which has the purpose or direct effect of unreasonably interfering with a person's work performance or which creates an offensive, intimidating or otherwise hostile work environment.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, or verbal or physical activity through which submission to sexual advances is made an explicit or implicit condition of employment or future employment-related decisions; unwelcome conduct of a sexual nature which has the purpose or effect of unreasonably interfering with a person's work performance or which creates an offensive, intimidating or otherwise hostile work environment.

Also refer to the BHD's Sexual Harassment Policy at http://county.gov/Sexual-HarassmentPolicy.htm

Procedure:

Interventions should initially be non-adversarial in nature, if possible, with the focus on restoring trust, placing accountability on and rehabilitating the offending Covered Person and protecting patient care and safety. The BHD supports tiered, non-confrontational intervention strategies, starting with informal discussion of the matter with the appropriate supervisor. Further interventions can include an apology directly addressing the problem, a letter of admonition, addressing the issue through the human resource process or corrective action if the behavior is or becomes disruptive. [1]

[1] Members of the Milwaukee County Mental Health Board/Governing Body are subject to removal pursuant to Article III of its By-Laws and state statutes.

The use of summary suspension should be considered only where the Covered Person's Behavior Undermines a Culture of Safety and presents an imminent danger to the health of any individual. At any time rehabilitation may be recommended. If there is reason to believe a Behavior that Undermines a Culture of Safety is due to illness or impairment, the matter may be evaluated and managed confidentially according to established procedures of the BHD.

A. Covered Persons:

Complaints about a Covered Person regarding alleged Inappropriate or Behaviors that Undermine a Culture of Safety should be in writing, signed and directed to the BHD Administrator or Medical Director ("Senior Leader(s)") and include to the extent feasible:
1. The date(s), time(s) and location of the Inappropriate or Behaviors that Undermine a Culture of Safety;
2. A factual description of the Inappropriate or Behaviors that Undermine a Culture of Safety;
3. The circumstances which precipitated the incident;
4. The name and medical record number of any patient or patient's family member who was involved in or witnessed the incident;
5. The names of other witnesses to the incident;
6. The consequences, if any, of the Inappropriate or Behaviors that Undermine a Culture of Safety as it relates to patient care or safety, or the BHD personnel or operations; and
7. Any action taken to intervene in, or remedy the Incident, Including the names of those intervening.

At the discretion of the Senior Leader(s), the duties here assigned to the Senior Leader(s) can, from time to time, be delegated to another elected member of the Covered Persons ("designee"). The complainant will be provided a written acknowledgement of the complaint. In all cases, the subject of the complaint shall be provided a copy of this Code of Conduct and a copy of the complaint in a timely fashion, as determined by the Senior Leader(s), but in no case more than 30 days from receipt of the complaint by the Senior Leader(s). The subject of the complaint will be notified that attempts to confront, Intimidate, or otherwise retaliate against the complainant is a violation of this Code of Conduct and may result in corrective action. An ad hoc committee consisting of three (3) individuals selected by the Senior Leader(s) shall make such an investigation as appropriate to the circumstances which may include seeking to interview the complainant, any witnesses and the subject of the complaint. The subject of the complaint shall be provided an opportunity to respond in writing to the complaint.

The ad hoc committee will make a determination of the authenticity and severity of the complaint. The ad hoc committee shall dismiss any unfounded complaint and may dismiss any complaint if it is not possible to confirm its authenticity or severity, and will notify both the complainant and the subject of the complaint of the decision reached. If the ad hoc committee determines the complaint is well founded, the complainant and the subject of the complaint will be informed of the decision, and the complaint will be addressed as follows:

1. If this is the first incident of inappropriate behavior, the Senior Leader(s), shall discuss the matter with the offending Covered Person, and emphasize that the behavior is inappropriate and must cease. The offending Covered Person may be asked to apologize to the complainant. The approach during this initial intervention should be collegial and helpful.

2. Further isolated incidents that do not constitute persistent, repeated Inappropriate behavior will be handled by providing the offending Covered Person with notification of each incident, and a reminder of the expectation the individual comply with this Code.

3. If the ad hoc committee determines the offending Covered Person has demonstrated persistent, repeated inappropriate behavior, constituting harassment (a form of Behavior that Undermine a Culture of Safety), or has engaged in Behaviors that Undermine a Culture of Safety on the first offense, a letter of admonition will be sent to the offending Covered Person, and, as appropriate, a rehabilitation action plan developed by the ad hoc committee, with the advice and counsel of the Senior Leader(s).

4. If, in spite of this admonition and intervention, Behaviors that Undermine a Culture of Safety recur, the ad
hoc committee shall meet with and advise the offending Covered Person such behavior must immediately cease or corrective action will be initiated. (As noted previously in footnote 1, such procedures do not apply to the Governing Body.) This "final warning" shall be sent to the offending Covered Person in writing.

5. If after the "final warning" the Behaviors that Undermine a Culture of Safety recur, corrective action (including suspension or termination of privileges) shall be initiated pursuant to the Senior Leader(s).

6. If a single incident of Behaviors that Undermine a Culture of Safety or repeated incidents of Behaviors that Undermine a Culture of Safety constitute an imminent danger to the health of an individual or individuals, the offending Covered Person may be summarily suspended as provided in the Milwaukee County BHD Employee Handbook.

7. If no corrective action is taken, a confidential memorandum summarizing the disposition of the complaint, along with copies of any written warnings, letters of apology, and written responses from the offending Covered Person, shall be retained in the Covered Person’s file for two (2) years, and then must be expunged if no related action is taken or pending. Informal rehabilitation, a written apology, issuance of a warning, or a referral to the Health and Wellbeing Committee (or equivalent committee) will not constitute corrective action.

8. At any time during this procedure the Covered Person has a right to personally retain and be represented by legal counsel.

B. Other Covered Persons (e.g., persons providing patient care or other services within or for the benefit of the BHD such as Contractors:

Complaints about other Covered Persons regarding allegations inappropriate or Behaviors that Undermine a Culture of Safety should be in writing, signed and directed to the Senior Leader(s) and include to the extent feasible:

A. 1. The date(s), time(s) and location of the inappropriate or Behaviors that Undermine a Culture of Safety;

2. A factual description of the inappropriate or Behaviors that Undermine a Culture of Safety;

3. The circumstances which precipitated the incident;

4. The name and medical record number of any patient or patient’s family member who was involved in or witnessed the incident;

5. The names of other witnesses to the incident;

6. The consequences, if any, of the inappropriate or Behaviors that Undermine a Culture of Safety as they relate to patient care or safety, or the BHD personnel or operations; and

7. Any action taken to intervene in, or remedy, the incident, including the names of those intervening.

The complainant will be provided a written acknowledgement of the complaint. The individual who is the subject of the complaint will be notified that attempts to confront, intimidate, or otherwise retaliate against the complainant is a violation of this Code and may result in termination of their services (or the contract under which they function) from the BHD.

The Senior Leader(s) will conduct a thorough investigation of the complaint to determine its authenticity and validity, and the severity of the complaint. The Senior Leader(s) will dismiss any unfounded complaint and may dismiss any complaint if it is not possible to confirm its authenticity or severity, and will notify both the
complainant and the subject of the complaint (other Covered Person) and the Contractor, as applicable, of the decision reached. If the Senior Leader(s) determines the complaint is well founded, the complainant and other Covered Person (the subject of the complaint) will be informed of the decision, and, as appropriate to the other Covered Person’s behavior, either be officially counseled in writing or their services terminated. Should the services of the other Covered Person be covered under a contract with a Contractor, the Contractor will either be officially counseled in writing or their services will be terminated.

ABUSE OF PROCESS

Consistent with the Code requirements stated above, the BHD strives to maintain an environment that is free from Inappropriate Behavior and Behaviors that Undermine a Culture of Safety, whether implicit or explicit, which is used to adversely control, influence or affect the well-being of any Covered Person or other Covered Person, BHD’s patients or their families. Such behavior compromises performance and threatens patient safety by disrupting teamwork, communication, and collaboration.

Threats or actions directed against the complainant by the subject of the complaint will not be tolerated under any circumstance. Retaliation or attempted retaliation by Covered Persons against complainants will be addressed through the progressive disciplinary process. Retaliation or attempted retaliation by Covered Persons against complainants will give rise to corrective action. Retaliation or attempted retaliation by other Covered Persons (e.g., Contractors) against complainants will result in immediate termination of the contract. Individuals who falsely submit a complaint shall be subject to corrective action per the BHD’s policies.

PROMOTING AWARENESS OF CODE OF CONDUCT

The BHD shall promote continuing awareness of this Code among the Covered Persons by:
1. Sponsoring or supporting educational programs on Inappropriate Behavior and Behaviors that Undermine a Culture of Safety;
2. Disseminating this Code to all Covered Persons, including Covered Persons (e.g., Contractors) upon its adoption; and
3. To all new BHD employees and Governing Body members during initial orientation.

**MILWAUKEE COUNTY MENTAL HEALTH BOARD QUALITY COMMITTEE**

September 11, 2017 - 10:00 A.M.
Milwaukee County Mental Health Complex
Conference Room 1045

**MINUTES**

**PRESENT:** Robert Chayer and Mary Neubauer  
**EXCUSED:** Ronald Diamond, Rachel Forman and Brenda Wesley

**SCHEDULED ITEMS:**

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
</table>
| 1. | Welcome. *(Chairwoman Neubauer)*  
Chairwoman Neubauer welcomed everyone to the September 11, 2017 meeting. |
| 2. | BHD Patient & Staff Safety Memo & Incident/Safety Event Reporting Update. *(Jennifer Bergersen, Chief Operations Officer)*  
The June 30th, 2017 County Board memo provided by Jerome Herr, Director of Audits related to the analysis of BHD incident report data is attached. This document is closure and in reference to analysis previously prepared and presented at this committee by Dr. Jeanette May, PhD, MPH.  
The electronic incident report platform, Verge has been implemented on August 28, 2017 at BHD; new policy and procedure attached. |
| 3. | Key Performance Indicator Dashboard and Community Access to Recovery Services Quarterly Report. *(Justin Heller, Program Evaluator; Edward Warzonek, Quality Assurance Coordinator; Jim Feagles, Integrated Services Coordinator; and Dr. Matt Drymalski, Clinical Program Director)*  
There continues to be a reduction in the number of days from intake assessment to admission to respective CARS programs/services. For those awaiting community based residential options, there are intermediate levels of care offered to fill in waiting gaps in service. CARS will continue to examine options to accurately collect and reflect wait list data.  
Considerable effort and activity is underway by the CARS team to ensure providers are completing required data reports in order to appropriately analyze related data. Current |
dashboard data may be more accurate than earlier versions based on data collection enhancements thus far. Discussion ensued regarding the need to re-visit benchmarks, and goal/target determination. A request to revise the dashboard columns to include related year to date data was suggested.

Item #8 on the dashboard should be at green status, not blue. The Wraparound Milwaukee 2016 Year End-Report was provided to the committee.

<table>
<thead>
<tr>
<th>4.</th>
<th>Assertive Community Treatment (ACT) and the Tool for Measurement of Assertive Community Treatment. (TMACT) (Lynn Shaw, Integrated Services Coordinator; Jen Wittwer, Associate Director, CARS)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>All persons in CSP (Community Support Program) level of care have an ACT Team. ACT focuses on customer choice and individual need with an emphasis on helping customers obtain employment and improve their self-sufficiency. ACT is appropriate for persons with severe mental illnesses, high service needs, and significant functional impairments.</td>
</tr>
<tr>
<td></td>
<td>A TMACT fidelity tool has been implemented to identify the strengths and weaknesses of the ACT Team and make improvements. This initiative is being led by county reviewers and by teams at each agency. Plan: A combination of CARS staff and ACT team leaders will complete a TMACT review every month with reviews to be completed every 18 months.</td>

</tbody>
</table>
| 7. **2017 Mid-Year PCS Transfer Waitlist Report.** *(Richard Wright, Program Analyst; Dr. Schneider, Chief Medical Officer)*  
Wait list report and summary attached. Dr. Chayer to connect with Dr. Schneider with additional questions. |
| 8. **Seclusion and Restraint & Education Updates.** *(Linda Oczus, Chief Nursing Officer)*  
Acute Adult restraint and seclusion (hourly rate and incident rate) has decreased from 2016 through mid-year 2017; current timeframe of data is under the national average. CAIS restraint is above the national average, however with a decreased trend since 2015.  
Continued progress noted; Refer to full report. |
| 9. **Physical Environment of Care; 2018 Capital Improvement Requests** *(Steve Delgado, Director of Operations; Jennifer Bergersen, Chief Operations Officer)*  
A list of 2018 Capital Improvement Requests including BHD building project descriptions, along with related costs were shared. A report was shared to emphasize needs as part of the environment of care in context of quality and safety.  
Refer to handout. |
| 10. **HIPAA Compliance & Data Sharing Update.** *(Andrew Hayes, Business Development Analyst; Heidi Ciske-Schmidt, Quality Assurance Manager)*  
A third party security contractor conducted a risk assessment and gap analysis – to compare HIPAA security requirements with internal safeguards, to identify risks associated with the storage, transmission and processing of electronic protected health information.  
Internal improvement efforts are underway. Progress toward goals reviewed. Refer to handout. |
| 11. **Client Experience/Press Ganey Update with TCM.** *(Edward Warzonek, Quality Assurance Coordinator) - Verbal Update*  
A Press Ganey client satisfaction survey for Targeted Case Management (TCM) has now been completed and will soon be piloted. Results will be analyzed and presented to this committee. |
12. Policy & Procedure Update. *(Lynn Gram, Safety Officer)*

A number of individuals have been making progress in updating/retiring various BHD policies. Overall project progress is 87.3% as of September 1st, 2017.

An updated September 2017 progress report was distributed.

13. Next Scheduled Meeting Date.

- December 4, 2017, at 10:00 a.m.

14. Announcement: The 2017 BHD CARS (Community Access to Recovery Services) NIATx Collaborative Storyboard Marketplace showcasing 2016-2017 provider(s) continuous quality improvement projects is scheduled: Wednesday, October 18, 2017 from 9-11 a.m. BHD CARS 44B training room. All are welcome to attend.

Adjournment.

Chairwoman Neubauer ordered the meeting adjourned.

This meeting was recorded. The official copy of these minutes and subject reports, along with the audio recording of this meeting, is available on the Milwaukee County Behavioral Health Division/Mental Health Board web page.

Length of meeting: 10:03 a.m. to 12:23 p.m.

Adjourned,
Jennifer Bergersen, Chief Operations Officer jb

**Kiara Abram**
Executive Assistant
Milwaukee County Mental Health Board

**The next regular meeting for the Milwaukee County Mental Health Board Quality Committee is Monday, December 04, 2017, @ 10:00 a.m.**

**ADA accommodation requests should be filed with the Milwaukee County Office for Persons with Disabilities, 278-3932 (voice) or 711 (TRS), upon receipt of this notice.**
Quality Committee Item 2
COUNTY OF MILWAUKEE
Inter-Office Communication

Date: June 30, 2017

To: Supervisor Theodore Lipscomb, Sr., Milwaukee County Board Chairman

From: Jerome J. Heer, Director of Audits

Subject: Behavioral Health Division Patient & Staff Safety (File No. 15-237)

On June 22, 2017, the Milwaukee County Mental Health Board received an analysis of Behavioral Health Division (BHD) incidents. The report, which is attached, was prepared by Jeanette May, PhD, MPH. Ms. May was selected as the consultant for the review by BHD in consultation with our office.

The scope of Ms. May’s work was to replicate and update the incident trends included in our 2010 report on patient and staff safety. We had initially planned to conduct the update as part of an audit conducted by our Division but our access to records was limited by concerns about the need for confidentiality in BHD’s quality assurance peer review process. As an alternative, the Mental Health Board Executive Committee suggested that we work with the BHD Chief Medical Officer to retain a consultant to update the incident data reported in the 2010 audit. We interviewed several potential consultants and jointly agreed that Ms. May possessed the experience and knowledge to perform the work.

The report notes that incidents per 1,000 patient bed days decreased slightly in 2011 and then increased through 2014 primarily because of an increase in aggression incidents on the acute unit. However, that trend reversed dramatically in 2015. Several factors that contributed to the improvement are identified in the report. These include capping the acute unit population to enhance Staff to Patient ratios, moving Managers onto the service units, increased education and training, improved medication and assessment protocols, and increased attention to seclusion and restraint management. In addition to updated incident data, the report also provides incident report analysis and the results of a staff survey on incident reporting. BHD has continued to make program improvements that will enhance patient and staff safety and security.

We appreciate the efforts of BHD and Ms. May in conducting the update of incident data we presented in 2010.

Jerome J. Heer

Incident/Safety Event Reporting

Effective Date if Other Than Approval Date: N/A

Purpose:

To accurately document an incident and staff response to it.

To provide a non-punitive environment conducive to reporting.

To learn from and use data to analyze safety issues and identify trends so improvement can be implemented.

To provide education and feedback to staff to prevent and reduce future incidents.

Scope:

Any incidents under BHD’s scope of services or on BHD property

- Inpatient
- Day Treatment
- Crisis Services
  - PCS
  - OBS
  - Access Clinics
  - Respite Houses
  - Mobile Team
- CARS (services provided by Milwaukee County employees)
- Wraparound Milwaukee-(services provided by Milwaukee County employees)
- Any support services associated with the above areas.

Policy:

Incident and sentinel event reporting is an important part of error prevention. MCBHD learns from patient safety events to promote system education, initiate process improvement and prevent and mitigate health care error.

Any staff member who witnesses, discovers or has direct involvement in and/or knowledge of a safety event must complete an on-line safety event incident report. More than one individual may complete a report concerning the same issue. Some situations may warrant multiple types of reports.
It is the policy of the Milwaukee County Behavioral Health Division that significant incidents and exposure to risk will be reported, monitored, and investigated if indicated. Serious incidents involving patients, staff, students, volunteers, contracted personnel, and visitors will be reported.

Definitions:

A. Incident/Safety Event: Any unusual event not consistent with the routine operations of the facility and its staff, or the routine care of a patient/visitor. An injury does not necessarily have to occur. Examples of occurrences include, but are not limited to the following:

- An accident, with or without injury
- Any situation which may result in injury or potential liability. This includes environmental safety hazards.
- Any situation indicating negligent action or lack of action
- Thefts or property damage occurring on the premises
- Employee work performance issues that jeopardize patient safety.
- Equipment problems that have or could have caused harm to a patient, staff or visitor.

B. Patient Safety Event: An event, incident or condition that could have resulted or did result in harm to a patient.

1. Behavior Events: Events involving patient behavior. Self-injurious behaviors, suicide and suicide attempts, physical aggression towards another patient or staff member, property damage, sexual contact between patients.

2. Caregiver Misconduct Events: Any observed, or reported potential caregiver misconduct including abuse, neglect, misappropriation of property, or injury of unknown source. See Caregiver Misconduct: Reporting and Investigation of Caregiver Misconduct and Injuries of Unknown Source

3. Contraband Events: Events involving a patient having possession of a contraband item deemed to be potentially dangerous. Examples include but are not limited to the following categories: Weapons, Medications, Alcohol/Drugs, Sharp Objects, Tobacco Products, Food/Drink, Containers, Hygiene Items, Clothing, Bags/Purses, Keys, Mobility Aids, Personal Electronics, Sewing/Craft, Recreational/Sports Items, Reading/Writing Materials

4. Diagnostic Testing Error Events: Any mistake or failure in the diagnostic process leading to a misdiagnosis, a missed diagnosis, or a delayed diagnosis.

5. Equipment/Medical Device Events: Failure of equipment involved with providing patient care that results in injury or risk of injury.

6. Elopement Events: When a patient wanders away, walks away, runs away, escapes, or otherwise leaves the BHD environment unsupervised, unnoticed, during an escort, and/or prior to their scheduled discharge. Failure of a patient to return from a pass at the expected time. Any attempt to elope.

7. Falls Events: A fall is an unintended/uncontrolled event resulting in a person coming to rest on the ground/floor or other lower level (witnessed) or is reported to have landed on the floor (unwitnessed). When a person chooses to put himself or herself on the floor or lower level and this has been witnessed by a staff member, this is not a fall.

8. Medication Related Events: Events where use of a medication resulted in or could have resulted in
an adverse outcome in a patient; includes drug administration errors, drug incompatibility, Adverse Drug Reactions (defined below), and Medication Variance (defined below), events. See: Adverse Drug Reactions and Medication Variances (Formerly Adverse Medication Event) for more detail.

- **Adverse Drug Reaction (ADR):** A suspected or unintended physical and/or allergic reaction to a drug when it is prescribed and used in the approved manner.

- **Medication Variance (MV):** Any action that is not consistent with the routine operation of the hospital or the routine care of a particular patient. This could include:

9. **Security/Property Events:** Damage, loss/theft, motor vehicle accident/collision, vandalism, other

10. **Other:** An incident/safety event not reportable under any of the above categories.

**Non-Employee Incident:** A safety event that involves a contractor, visitor and does not involve a current patient.

**Employee Incident:** A safety event that involves a MCBHD employee.

**Sentinel Event (Critical Incident):** A patient safety event, not primarily related to the natural course of the patient's illness or condition, that reaches a patient and results in an outcome as defined in the MCBHD Sentinel Event Policy.

**Near Miss:** (Close Call or Good Catch): An event that could have had adverse consequences but did not and is indistinguishable from an actual incident in all but outcome. A near miss may occur when a chain of events is interrupted. A patient safety event that did not reach the patient.

**Unsafe Condition:** Any circumstance that increases the probability of a client safety incident.

**Procedure:**

**A. Initial Reporting:**

1. Staff are expected to report all Safety Events in the web-based incident reporting system. The report will be completed by:

   - the employee(s) or staff involved in the incident,
   - the staff who observed the incident,
   - in the situation where no staff are present, by the staff who interviewed the patient, visitor, contract personnel, or other individual involved,

2. Staff are expected to complete the online report before the end of the employee's shift or work period and before leaving the premises.

3. Select the appropriate button/link depending upon the type of incident.

a. **Patient/Client Incident**

   i. **Behavior Events**

   ii. **Contraband Events**
iii. Diagnostic Testing Error Events
iv. Equipment/Medical Device Events
v. Elopement Events
vi. Falls Events
vii. Medication related Events
viii. Caregiver Misconduct Events
ix. Security/Property Events
x. Other.

b. Employee Incident (will link to the report form)

c. Contractor/Visitor Incident (will link to the report form)

d. Compliments/Complaints, Grievances/Feedback. Refer to Patient Grievance Resolution Process policy for more information.

e. Manager Access- for access to open incident/safety reports for review and follow up.

f. Complete the form answering as many questions as possible. Questions marked *Required will have to be answered to save the form.
   i. Start at the top of each page; follow up questions are based on your answers to previous questions.
   ii. Some fields include smart searches. Options will appear as you begin typing.

   g. Upon completion, review your answers and click "Save form" - you will see a small window titled "Entry Saved" with a Unique ID. After clicking "Continue" you will see a screen that says "Form Submitted, Thank you! Confirming submission of your entry.

   h. Contact your supervisor and/or the house supervisor to verbally report any potential Sentinel Event or High Risk Event immediately (within 15 minutes) This includes events with a high likelihood of serious adverse outcome. Incidents that involve death, fires, explosions, serious injuries and assaults, substantial damage, or property loss, must be reported immediately. Allegations of caregiver misconduct and patient injuries of unknown origin must be reported...
immediately.

i. The staff and supervisor will review and take immediate corrective action where necessary to address safety risks.

ii. Supervisor will conduct a follow up investigation and report via the on line incident reporting system. (See B below)

i. Multiple incident report forms may need to be completed if the event involves two or more areas. For example:

   i. If there was a physical altercation between two patients. A report would be completed for each separately.

   ii. A patient behavior results in a staff injury. In this case an employee report and a patient safety-behavior report are to be completed. In the case of employee injuries, the Risk management forms also need to be completed. See Accident and Claims Reporting Procedure.

B. Investigation Phase-Area Manager Responsibilities

1. The area manager for the location selected in the Event Report Form will receive an email notification from Verge Solutions automated@verge-solutions.com with a subject of Notices for you in Converge. The email will contain the ID number, the case type, the date and time of the event, and a link to the case to complete the follow up review.

2. The area manager will edit the case report to add content as appropriate and navigate to the Triage and Investigation page.

3. Area manager must initiate the initial investigation within 1 to 2 days of the event.
   a. Investigation of potential Sentinel Event or High Risk Events must be initiated immediately. This includes events with a high likelihood of serious adverse outcome. Incidents that involve death, fires, explosions, serious injuries and assaults, substantial damage, or property loss, must be reported immediately.
   b. Investigations of allegations of caregiver misconduct and patient injuries of unknown origin must be initiated immediately.

4. Area manager should complete the Triage and Investigation page within 5-7 days and submit for Risk Manager review and Final Resolution.

5. Consult Adminstration for assistance, if necessary

6. If the event severity requires more than approximately seven (7) days to investigate and resolve, the area manager must notify department director/leadership.

7. Input all of the investigative information into the Triage and Investigation Report form.

C. Final Resolution of Incident

1. The Program/Department Leadership staff member(Risk Manager), designated by area and type of incident, will complete the Final Resolution of Incident page of the report form, generally within 15-20 days. Higher severity incidents may go longer.

   The Risk Manager:
a. Must make a decision as to whether additional follow up review is needed or referral to other department(s) or area manager(s).
b. Is responsible for making those referrals.
c. Documents follow up, findings, and finalizes any improvement actions.
d. Make any additional entries on the form, save and close the report.
e. Communicate decisions and action items to appropriate personnel for implementation.

References:
N/A

Monitors:
The Quality Department will:

- Monitor for timely review and closure.
- Analyze the process of cataloging incidents as well as the incidents themselves for trends and patterns.

Quality Committe Item 4
Mental Health Board-Quality Sub-Committee
September 11, 2017

Assertive Community Treatment (ACT) and Tool for Measurement of Assertive Community Treatment (TMACT)

ACT

ACT was first implemented in Madison, Wisconsin in the 1970s out of Winnebago Mental Health Institute. The fundamental charge of ACT is to be the first-line, if not sole-provider for all services that ACT consumers need. In its beginning, the focus of ACT and its outcomes was placed on reducing readmissions to psychiatric hospitals. ACT has since evolved, taking into consideration what ACT consumers want and need by providing the most effective services to achieve the consumer’s goal. Emphasis has been placed on helping consumers obtain competitive employment and improve their self-sufficiency. ACT is most appropriate for person with a severe mental illness (i.e. Schizophrenia, Bipolar Disorder) who have continuing high service needs and significant functional impairments. ACT has three main tenets:

- Delivery of highly responsive, individualized, biopsychosocial and rehabilitative services in consumers’ natural environments
- Multi-disciplinary group of providers with specific areas of expertise that share responsibility for meeting consumers’ needs
- Recovery-oriented services is the focus of care, promoting self-determination and respects consumers as experts in their own right.

TMACT

The TMACT was developed to measure the adequacy of an ACT Team in their implementation of ACT as an evidenced based practice. The use of the TMACT is to determine program fidelity by comparing the current ACT Team structure, staffing, and practices to the ACT model. This comparison provides quality improvement for the ACT Team by guiding the implementation of ACT. The TMACT identifies the strengths and weaknesses of the ACT Team, targeting ongoing performance improvement efforts. The TMACT has six subscales and 47 program-specific items. Each item is rated on a 5-point scale ranging from 1 (“not implemented”) to 5 (“fully implemented”). The six subscales of the TMACT:

- Operations and Structure
- Core Team
- Specialist Team
- Core Practices
- Evidenced-Based Practices
- Person-Centered Planning and Practices

In 2016, CARS and ACT Team Leaders received training on how to administer the TMACT from two of the TMACT authors. A combination of CARS staff and ACT Team Leaders will complete a TMACT review every month so that each ACT Team will receive a review every 18 months.

MOVING THE NEEDLE: THE INFUSION OF TIC IN WRAPAROUND PROCESS AND PRACTICE

- Experience oriented framework
- Family driven
- Coaching and training
- Audit enhancement
CONTRACT PERFORMANCE MEASURES:
PRIORITIZATION AND PROGRESS (CARS SPECIFIC)

MENTAL HEALTH BOARD QUALITY COMMITTEE
SEPTEMBER 11, 2017
METHODOLOGY

- Provides a summed score which is an aggregate of total clients served and dollars billed for care
- Data is weighted across programs
  - For example:

<table>
<thead>
<tr>
<th>Program</th>
<th>People Served</th>
<th>Simple Ranking</th>
<th>Weighted Ranking</th>
</tr>
</thead>
<tbody>
<tr>
<td>Program A</td>
<td>200</td>
<td>1</td>
<td>12.5 (1:1)</td>
</tr>
<tr>
<td>Program B</td>
<td>400</td>
<td>2</td>
<td>25 (2:1)</td>
</tr>
<tr>
<td>Program C</td>
<td>1000</td>
<td>3</td>
<td>62.5 (5:1)</td>
</tr>
</tbody>
</table>

- The advantage of this approach is that it not only combines metrics, but allows for programs with relatively greater values within a given metric to achieve scores that are proportional to its impact/importance
## Methodology

### Contract Performance Measures Prioritization Process and Progress

Conclusions

• We can use the same prioritization methodology to implement and track progress with other related initiatives
  • Dashboard development
  • Contracts themselves

• We will continue to provide progress reports for CPM development on a regular basis
  • This will be accomplished by tracking tasks per stage
Quality Committee Item 7

Mid-Year Report Update

PCS Hospital Transfer Waitlist Report

2017

This report contains information describing the first six (6) months of 2017 are summarized as follows:

- 3 hospital transfer waitlist events occurred
- PCS was on hospital transfer waitlist status 83.6%
- The 847 individuals delayed comprised 21.5% of the total PCS admissions (3,942)
- The median wait time for all individuals delayed was 4.6 hours
- The average length of waitlist per patient is 7.8 hours

Prepared by:
Quality Improvement Department

Date: July 27, 2017
Definitions:

**Waitlist:** When there is a lack of available beds between the Acute Inpatient Units and the Observation Unit. Census cut off is 5 or less open beds. These actions are independent of acuity or volume issues in PCS.

**Diversion:** A total lack of capacity in PCS and a lack of Acute Inpatient and Observation Unit beds. It results in actual closing of the door with no admissions to PCS allowed. Moreover, it requires law enforcement notification and Chapter 51 patients re-routed.

**Reporting Time Period:** The data in this report reflects three (3) years or the last twelve (12) quarters, unless specified otherwise.

Acute Inpatient Seclusion and Restraint

Mid-Year Update

2017

This report contains information describing the first six (6) months of 2017 as summarized:

- Acute Adult: Restraint hourly rate decreased by 84.8% from 2016 through mid-year 2017 while restraint incident rate decreased by 57.3% during the same time period. Seclusion incident rate decreased by 26.7% from 2016 through mid-year 2017 while Seclusion hourly rate decreased by 40.0% during the same time period.

- CAIS: Restraint hourly rate decreased by 70.5% from 2016 through mid-year 2017.

Prepared by: Quality Improvement Department

Date: August 1, 2017
Summary

43A

- 43A rate of restraint hours decreased by 90.9% from 2016 through mid-year 2017.
- 43A had 38 reported restraint hours, 20 reported restraint hours were for 5 individuals (53% of all hours)
- 43A restraint incident rate decreased by 72.1% from 2016 through mid-year 2017.
- 43A had 39 reported restraint incidents, 16 reported restraint incidents were for 5 individuals (41% of all incidents)
- 43A seclusion hour’s rate decreased by 66.7% from 2016 to mid-year 2017, while the seclusion incident rate decreased by 63.4%.

43B

- 43B rate of restraint hours decreased by 75.0% from 2016 through mid-year 2017.
- 43B had 45 reported restraint hours, 15.4 reported restraint hours were for 1 individuals (34% of all hours)
- 43B restraint incident rate decreased by 50.2% from 2016 through mid-year 2017.
- 43B seclusion hour’s rate decreased by 50.0% from 2016 to mid-year 2017, while the seclusion incident rate decreased by 6.1%.

43C

- 43C rate of restraint hours decreased by 40.0% from 2016 through mid-year 2017.
- 43C had 18 reported restraint hours, 10.5 reported restraint hours were for 2 individuals (58% of all hours)
- 43C restraint incident rate decreased by 19.5% from 2016 through mid-year 2017.
- 43C seclusion hour’s rate did not changed from 2016 to mid-year 2017, while the seclusion incident rate increased by 55.6%.

CAIS

- Five (5) individuals had 30 reported restraint hours, 57% of all restraints
- CAIS restraint incident rate decreased by 61.0% from 2016 through mid-year 2017.
- CAIS had 23 reported restraint incidents, 7 reported restraint incidents were for 2 individuals (30% of all incidents)

COUNTY OF MILWAUKEE
Behavioral Health Division Administration
Inter-Office Communication

DATE: August 15, 2017

TO: Mary Neubauer, Chairwoman – MH Quality Committee
Milwaukee County Mental Health Board

FROM: Steve Delgado, Director of Operations, Jennifer Bergersen, Chief Operations Officer
Behavioral Health Division

SUBJECT: 2018 Capital Improvement Requests; Behavioral Health Division
Environment of Care; Quality and Safety

REQUEST: Informational

Behavioral Health Division Building Project Descriptions

1. Pitched Roof Replacement: $1,528,162

The roof system is original to the BHD building (1978) and is well past its useful life expectancy of 30 years.

2. BHD Ventilation System Study: $50,000

HVAC engineering study needs to be conducted to identify specific needed updates as the system is original to the building.

3. Additional Equipment Generator $1,121,707

In the event of the loss of main electrical power and in order to sustain patient care, the ventilation system (HVAC) needs to be powered. This would provide heating, cooling and required air exchanges.

4. BHD Exterior Door Replacement Assembly $347,925

The exterior doors and frames, which are original to the building construction (1978) are rotting away at the base due to weather conditions and snow/ice removal procedures. The door jackets are split and pulling away at the seams. Door replacement underway.

Refer to attached 2018 Capital Improvement Requests; side two.

Quality Committee Item 10

HIPAA Compliance & Data Sharing Project – Update

**Purpose:** To fulfill the vision of a "No Wrong Door" approach to mental health and supporting services from DHHS, and to implement clear policies and procedures for accessing and sharing protected health information, enabling secure and efficient handoffs between county services. The project’s primary objectives are to:
- Increase capacity to share information between divisions in a compliant fashion
- Increase knowledge of the responsibilities inherent in sharing protected health information
- Understand and improve County compliance with information sharing regulations and controls

**Background:** The 3rd party security contractor Sword & Shield conducted a Risk Assessment and Gap Analysis of BHD in April, 2017. The objectives of this review were to compare HIPAA security requirements with the internal safeguards currently in place, and to identify areas of risk associated with the storage, transmission, and processing of electronic protected health information. The most relevant results from these studies were that:
- BHD was found to be only 66% compliant with HIPAA security requirements when counting controls that have been both implemented and documented
- BHD was determined to be at high risk for internal and external attack, with incomplete policies and business process gaps contributing to further compliance risks

**Progress:** Since the initial assessment, BHD has taken the following steps to provide additional security and structure to the myAvatar Electronic Medical Record (EMR)
- Ann Seltzer was designated HIPAA security officer, responsible for both technology and policy updates
- The authorization process for EMR access was streamlined and configured to include more accountability
- The password reset process moved from phone to email, now ensuring identity verification
- myAvatar password length and complexity requirements were increased to match security standards
- Terminals displaying sensitive information were directed to lock out after shorter periods of user inactivity

Following these changes, BHD formed an EMR Policy Workgroup to draft policies and implement business practices relevant to the EMR. So far, its work has included access management, change control, data requests, and Business Associate Agreements, as well as miscellaneous policies that have been developed as needed to support myAvatar optimization. To fulfill broader county goals—focusing on efficiency and clarity of data sharing in addition to regulatory compliance—BHD developed and submitted a Date Sharing Project Charter for approval in June.

**Projected:** BHD has effectively launched the project with internal improvement efforts, and is now engaging the Department of Health & Human Services to partner in this work. With DHHS assistance this project will recruit consultants dedicated to regulatory compliance (including HIPAA, HITECH etc.) and network integrity.

**Topics to consider:** Although steps toward more secure data sharing and a higher level of HIPAA compliance have been taken, it remains clear that multiple far-reaching decisions must be made to ensure this project’s long-term success. Specifically, it is important that BHD clarify and propagate its definition of ‘treatment’, to smoothly coordinate care for clients with needs across services and organizations. In addition, BHD must work with DHHS to coordinate development of interrelated policy to better serve its clients.

Perhaps most importantly, BHD recognizes that the scope of this project is only to begin working toward HIPAA compliance and efficient data sharing. Enforced, ongoing compliance, as well as process updates to county-wide data sharing, are too far-reaching to confine to any reasonable timeframe. Instead, BHD must make subjective decisions concerning the prioritization of tackling certain security or process concerns before others, whether due to their high risk, high impact, or ease of fixture. Furthermore, BHD will require additional resources to continue this process of increasing HIPAA compliance; although this project will act as an accelerator, long-term investment will be necessary to achieve the overall goal.

---

1 A "No Wrong Door" approach would ensure that any client who arrives at a County health facility—regardless of how well matched their medical condition is to said facility—would be given sufficient immediate treatment, as well as a smooth transition to an appropriate facility. This transition would require the transmission of the patient’s protected health information, in order to ensure awareness of their initial symptoms and treatment.

Adult Crisis Mobile Team has 29 diverse staff members consisting of nurses, licensed social workers and professional counselors.

Team consists of social workers and professional counselors who are fully licensed. In 2017 the team expanded to include staff who are currently in training to receive their full license.
Crisis Mobile Team

Mobile Team Clinicians are trained in the following areas:

► Answering the Crisis Line
► Responding to community and hospital based mobiles
► Supporting people at short and long term Crisis Stabilization Houses
► Assisting doctors with coordinating care and planning for discharge on the Observation Unit
Clinicians provide direct mental health crisis counseling and safety planning on the crisis line (414) 257-7222.

Clinicians receive calls from people or family members who are in need of information on mental health and substance use resources in the community.

In 2016 over 40,000 calls were received on the Crisis Line.
Crisis Mobile Team - Crisis Line and Mobiles

► Individuals, family members, police officers, community agencies or anyone from the community can call and request a mental health, substance use or co-occurring assessment in the community.

► Mobile team members respond in pairs and complete the assessment in the community, while in consultation with PCS doctors.

► In addition to the assessment, the crisis mobile team provides crisis stabilization, de-escalation and linkage to services.

► In 2016 the crisis mobile team completed 2590 mobiles in the community.
Clinicians assess new people and go to Crisis Stabilization Houses on a daily basis to assess overall wellness and ensure their needs are being met.

Three houses in total; short term (14 days) long term (approx. 4 months)

- Becher  2057 S. 14th Street – short term.
- Martin 1141 N. 46th Street – long term.
- Silverlawn 5554 N. 57th Street – short term and long term.
Clinicians assist doctors on the Observation Unit with assessments, coordinating services and discharge planning.
Geriatric Nurse Services

► Serves people age sixty and above and residing in Milwaukee County.

► Referrals from all concerned community members including agencies, family members, apartment managers, etc.

► If primary diagnosis is Dementia or Alzheimer's an individual will be referred to the Department of Aging. (414) 289-6874.
In 2013 the Milwaukee Police Department and Milwaukee County Behavioral Health Division collaborated to create CART.

Co-responder program, Crisis intervention Trained (CIT) officer partners with a master’s level mental health clinician – highest level of response to an individual experiencing a mental health crisis.

In 2017 moved to seven day per week coverage

348 CART contacts in 2016 (678 contacts and 327 mobiles through August 2017)

In 2017 a third CART team was added with MPD

In October 2017 a county wide CART team will begin service

Exploring a CART collaboration with the city of West Allis
Crisis Assessment Response Team (CART) Objectives

► Decrease the volume of involuntary emergency detentions in Milwaukee County by utilization of voluntary options, stabilization on scene, or referral to other mental health resources.

► Provide Mental health assessments and CJF clearance for individuals in custody, preventing an unnecessary transport to Psychiatric Crisis Services (PCS)

► Respond as a resource squad to high priority crisis calls involving persons with mental illness (i.e. person threatening self harm, active psychosis, etc.)

► Decrease the possibility of use of force and injuries to officers, consumers, and the community.

► Attempt to decrease the number of repeated interactions between individuals diagnosed with significant mental health needs and law enforcement.
How to request CART Services

► Call 911 or non-emergency through MPD at 414-933-4444, when speaking with the dispatcher, request CART.

► Call the Crisis Mobile Team’s Crisis Line at 414-257-7222. CMT can also dispatch a CART team.
Access Clinic

Who Does the Access Clinic Serve:

- Milwaukee County Residents
- 18 years of age and older
- Uninsured persons in the need of mental health and substance use services.
- Over 1200 visits in 2016.
Access Clinic

What New People Should Expect:

► This is a walk in clinic and people are served in the order they arrive.
► Go through registration including meeting with a benefits specialist to learn more about insurance options.
► Complete a comprehensive assessment with the clinician.
Access Clinic

Clinician will provide linkage to services including:

- Substance use and/or mental health therapy
- Psychiatry
- Insurance assistance through Winged Victory
- AODA residential and day treatment
Team Connect

► Started in June 2017
► Team of a Master’s Level Clinician and Certified Peer Specialist
► Supports persons 18 years and older who are discharged from the following BHD areas:
  ❖ Psychiatric Crisis Services
  ❖ Observation Unit
  ❖ Acute Care Units
Team Connect intended outcomes

- To reduce the risk of harm post discharge
- Help improve continuity of care
- Increase connections to community resources
- Reduce incidence of hospital readmission and PCS visits
What individuals can expect

► Contact within 24 hours or the next business day following discharge
► Assistance with managing after care appointments
► Frequent phone check ins
► Access to a Certified Peer Specialist
► Crisis Intervention
► Linkage to Recovery Focused Supports
► Warm hand off to outpatient providers
Team Connect Discharge

Enrollment is intended to be short term and is based on the person’s needs. People may discharge from Team Connect for the following reasons:

► An individual is in treatment
► Level of risk diminishes sufficiently
► No longer wishes to participate in the program
► Unable to make contact consecutively on 3 separate dates
Community Consultation Team

The Community Consultation Team (CCT) is a service designed to help support adults with developmental disabilities to live successfully in the community.
Developmental Disability: A condition in which an individual has a diagnosis with onset before age 22 of one of the following:

► Intellectual Disability (onset before age 18)
► Autism Spectrum Disorder
► Traumatic Brain Injury
► Cerebral Palsy
► Epilepsy
► Another neurological condition similar to Intellectual Disability
Community Consultation Team

- Service began in January, 2015
- Team consists of a psychologist, nurse and two master’s level clinicians
- PM/Weekend/Holiday crisis services provided by Dungarvin of WI
Community Consultation Team

Three primary types of services:

1. Consultation services
2. Staff Training
3. Crisis Line and Mobile Teams
Community Consultation Team

Consultation Services

Working in a preventative manner to try to manage risks in the community and reduce the likelihood of significant behavioral and mental health needs and crises.

Behavioral assessments
- Description and history of target behaviors
- Daily routine
- Setting events/ Environmental triggers
- Replacement behaviors
- Interests/potential reinforcers
- Sensory assessment
Community Consultation Team

Staff Training

Offers a comprehensive educational curriculum designed to increase community providers’ job-related knowledge and skills. Also offer training at MCFI for their staff.

Current Training Topics:

- Nature of Intellectual Disability
- Autism Spectrum Disorder
- Mental Illness and Developmental Disabilities
- Positive Behavioral Support
- Understanding Challenging Behavior
- Managing Threatening Confrontations
- Detecting and Managing Physical Illness
- Stress Management for Staff
Community Consultation Team

Direct Support (414) 257-7797

CCT available to assist community providers, families, individuals, the police, and others by phone or in person during a crisis.

- Problem solving
- Empathy/encouragement
- Positive attention/reinforcement
- Socialization
COUNTY OF MILWAUKEE
Behavioral Health Division Medical Staff Organization
Inter-Office Communication

DATE: September 20, 2017

TO: Duncan Shrout, Chairperson, Milwaukee County Mental Health Board

FROM: Clarence P. Chou, MD, President of the Medical Staff Organization
Prepared by Lora Dooley, Director of Medical Staff Services

SUBJECT: A Report from the President of the Medical Staff Organization Requesting Approval of Appointment and Privilege Recommendations Made by the Medical Staff Executive Committee

Background

Under Wisconsin and Federal regulatory requirements, all physicians and all other practitioners authorized under scope of licensure and by the hospital to provide independent care to patients must be credentialed and privileged through the Medical Staff Organization. Accepting temporary privileges for an immediate or special patient care need, all appointments, reappointments and privileges for each physician and other practitioners must be approved by the Governing Body.

Discussion

From the President of the Medical Staff and Chair of Credentialing and Privileging Review presenting recommendations for appointments and/or privileges. Full details are attached specific to items A through C:

A. New Appointments

B. Reappointments

C. Provisional Period Reviews / Amendments &/or Status Changes

D. Notations Reporting (to be presented in CLOSED SESSION in accordance with protections afforded under Wisconsin Statute 146.38)
Recommendation

It is recommended that the Milwaukee County Mental Health Board approve all appointments and privilege recommendations, as submitted by the Medical Staff Executive Committee.

Informational Item(s)

The following Medical Staff Organization policies and procedures were revised and approved by the Medical Staff Executive Committee, in accordance with the MSO Bylaws and are presented to the Mental Health Board, as informational only unless otherwise directed.

A. Health and Welfare Policy
B. Continuing Education Requirements – Medical Staff and Privileged Allied Health Professionals

Respectfully Submitted,

[Signature]
Clarence P. Chou, MD
President, BHD Medical Staff Organization

cc Michael Lappen, BHD Administrator
    John Schneider, BHD Chief Medical Officer
    Shane Moisio, MD, Vice-President of the Medical Staff Organization
    Lora Dooley, BHD Director of Medical Staff Services
    Jodi Mapp, BHD Senior Executive Assistant

3. (MSO) Continuing Education Requirements – Medical Staff and Privileged Allied Health Professionals
### MILWAUKEE COUNTY BEHAVIORAL HEALTH DIVISION
### GOVERNING BODY REPORT
### MEDICAL STAFF CREDENTIALING REPORT & EXECUTIVE COMMITTEE RECOMMENDATIONS
### SEPTEMBER / OCTOBER 2017

The following credentials files were reviewed. Privilege recommendations/actions were made based on information related to qualifications, current competence and ability to perform privileges (health status). All requisite primary source verifications or queries were obtained and reviewed regarding professional training, professional licensure(s), registrations, National Practitioner Data Bank and OIG-List of Excluded Individuals and Entities & System Award Management. Decisions were further based on Service Chief (Medical Director and Chief Psychologist, when applicable) recommendations, criminal background check results, peer recommendations when applicable, focused or ongoing (FPPE/OPPE) professional practice evaluation data, malpractice claims history and verification of good standing with other hospitals/practices. Notations reporting shall be presented at the Board Meeting in closed session.

**RECOMMENDATIONS OF THE MCBHD MEDICAL STAFF CREDENTIALING & PRIVILEGING REVIEW AND MEDICAL STAFF EXECUTIVE COMMITTEES WERE REVIEWED. ALL PRIVILEGE AND APPOINTMENTS ARE HEREBY GRANTED AND APPROVED, AS RECOMMENDED BY THE MEC, UNLESS OTHERWISE INDICATED ABOVE.**

GOVERNING BOARD CHAIRPERSON DATE

BOARD ACTION DATE: OCTOBER 26, 2017
Health and Welfare Policy

Approved by Medical Executive Committee on 8/23/17.

POLICY:

The Medical Staff Organization (MSO) of the Milwaukee County Behavioral Health Division recognizes that it has an obligation to both patients and staff centering around care and treatment of patients. It is the policy of the MSO, in accordance with The Joint Commission (TJC) requirements, to provide a mechanism for identifying and managing matters of individual health for Medical Staff members and other privileged Licensed Independent Practitioners (LIPs) that is separate from the Medical Staff disciplinary function.

PURPOSE:

To prevent physical, psychiatric or emotional illness.

To facilitate confidential diagnosis, treatment and rehabilitation, rather than discipline, of Medical Staff and LIPs who suffer from a potentially impairing condition.

To assist Medical Staff members and LIPs in retaining and regaining optimal professional functioning.

To protect patients, staff members, and other persons present in the hospital from harm.

PROCEDURES:

I. When a Medical Staff member or other Licensed Independent Practitioner (LIP) is found or believed to be physically, cognitively or emotionally impaired at any time during the diagnosis, treatment or rehabilitation phase of the process so as to affect his or her ability to safely perform privileges he or she has been granted, the matter is forwarded for appropriate corrective action.

A. The President of the Medical Staff Organization, in consultation with the Chief Medical Officer, shall appoint members to serve as the Medical Staff Organization Health and Welfare Committee, which shall convene on an ad hoc basis.

1. The Committee shall consist of no fewer than three (3) physicians selected from the Active, Affiliate or Consulting Staff.

2. Members newly appointed in the year 2017 shall serve for a term of just greater than one, two or three years as determined by the President and Chief Medical Officer. Each member appointed thereafter shall serve for a term of three-years, with one new appointment to occur
annually to provide continuity. New appointments shall be confirmed at the first meeting each year of the Medical Staff Executive Committee beginning in 2019 and at any other time it is deemed necessary.

3. Members on the Health and Welfare Committee may not simultaneously serve as a member of the Medical Staff Peer Review Committee or the Medical Staff Executive Committee during this appointment.

B. The MSO Health and Welfare Committee shall be charged with:

1. Arranging for annual educational inservices for Medical Staff, LIPs and other hospital staff of high risk criteria pertaining to illness and impairment recognition issues of physicians and other Medical Staff and LIPs, in coordination with the Medical Staff Executive Committee. Written materials shall be made available to all staff upon request.

2. Investigating, assisting and advising Medical Staff and Medical Administrators in dealing with matters related to Medical Staff and LIP impairment in a positive and supportive manner. The Medical Staff shall assist the Medical Staff member or LIP to the greatest extent possible, while strictly adhering to state and federally mandated reporting requirements.

C. Referrals or concerns pertaining to the health or welfare of a Medical Staff member or LIP shall be referred to and addressed by the MSO Health and Welfare Committee. Referrals may be:

   1. self-referral by a Medical Staff member or LIP
   2. by other organization staff, whose confidentiality must be maintained;
   3. by a Medical Staff Committee.

D. The MSO Health and Welfare Committee shall, when it determines to be appropriate, refer the affected Medical Staff member or LIP to the Milwaukee County Employee Assistance Program (for mild or moderate emotional issues or stress) or to a suitable external resource for evaluation, diagnosis and treatment of a physical, psychiatric or more severe emotional illness, condition or concern.

E. The MSO Health and Welfare Committee shall maintain records of all referrals received. The Committee shall, to the greatest extent possible, maintain the confidentiality of the Medical Staff member or LIP seeking referral or who has been referred for assistance, except as limited by law, ethical obligation, or when the safety of a patient is in question.

F. The MSO Health and Welfare Committee shall conduct an evaluation as to the credibility of a complaint, allegation or concern as it relates to the health or welfare of the affected Medical Staff member or LIP.

G. The MSO Health and Welfare Committee shall make recommendations to the Chief Medical Officer (or designee), President of the Medical Staff Organization and Credentialing and Privileging Review Committee that the affected Medical Staff member or LIP be monitored to ensure the safety of patients until the rehabilitation or any ongoing or impending disciplinary process is complete and periodically thereafter, when such monitoring has been determined to be necessary. Recommendations may also include a request for the provision of reasonable accommodations for the affected Medical Staff member or LIP to assist him or her in safely performing privileges and the discharge of his or her patient care responsibilities.

H. The MSO Health and Welfare Committee shall initiate appropriate actions when a Medical Staff member or LIP fails to complete the required rehabilitation program.
I. The MSO Health and Welfare Committee shall report to the Medical Staff Executive Committee:
   1. promptly, all instances where it is found that a Medical Staff member or LIP is providing unsafe treatment
   2. periodically, reports of data and trends that does not include identification of the affected individuals.

II. These procedures and the authority and responsibilities of the MSO Health and Welfare Committee shall in no way replace or circumvent the obligations, authority and responsibilities of the Medical Staff Peer Review Committee, the Credentialing and Privileging Review Committee, the Medical Staff Executive Committee and/or Medical Administration from investigating and making recommendations concerning substandard or inappropriate medical practice or behavior when brought to its attention and to recommend disciplinary or termination proceedings, when deemed appropriate.

III. If it becomes apparent to one of the aforementioned review bodies that concerns being investigated may be related to the physical, psychiatric or emotional health or welfare of the affected Medical Staff member or LIP, they shall:
   A. Refer the matter to the MSO Health and Welfare ad hoc committee for review to assist the medical staff member, when possible, in retaining or regaining optimal performance capacity; and
   B. Take such factors into account before proceeding with disciplinary or termination actions, whenever possible.

Continuing Education Requirements – Medical Staff and Privileged Allied Health Professionals

POLICY:

It is the policy of the Medical Staff Organization of the Milwaukee County Behavioral Health Division, in accordance with regulatory and best practice credentialing standards, to require members of the Medical Staff and privileged Allied Health Professionals to provide proof of continuing education that supports privileges requested at the time of initial appointment and/or privileging and at the time of reappointment and/or reprivileging and to make recommendations for privileging based, in part, on continuing education data.

PURPOSE:

To assure that all members of the Medical Staff and all privileged Allied Health Professionals participate in continuing education activities that are specifically related to privileges requested and any special populations regularly served.

To assure that all members of the Medical Staff and all privileged Allied Health Professionals participate in continuing education as an adjunct to maintaining clinical skills and current competence within their practice specialty(ies), including pharmacology when applicable, and special populations who are regularly served by BHD, by participating in sufficient and relevant continuing education activities.

PROCEDURES:

All members of the Medical Staff and all privileged Allied Health Professionals shall report continuing education activities, in writing, to the Medical Staff Office for inclusion in credentials files for consideration in decisions about initial, renewal or revision of individual clinical privileges. All members of the Medical Staff and all privileged Allied Health Professionals shall comply with the minimum continuing education requirements established by the Medical Staff which may be the same as, or in addition to, requirements established by the Wisconsin Department of Safety and Professional Services. Failure to comply with established continuing education requirements shall be grounds for consideration to limit, restrict or deny applicable privileges. Continuing education documentation shall not substitute for internship, residency, fellowship, preceptorship or any other formal graduate or post-graduate training, when required.

I. GENERAL PRIVILEGE GROUP (PRACTICE SPECIALTY)

Minimum CME/CEU reporting shall be as required by Wisconsin Department of Safety and Professional Services and as recommended by the Credentialing and Privileging Review Committee of the MCBHD.
Medical Staff Organization. See Attachment for a summary of the minimum State mandated requirements by Board, periods for completion and special requirements or methods for earning and claiming credit. In addition to State requirements, the Behavioral Health Division shall require the following:

A. PHYSICIANS - At least 50% of the State Medical Board required 30 hour minimum per license period shall be earned within the physician’s primary practice specialty

1. For Active and Affiliate Staff, at least 5 hours of continuing education, per year, is required pertaining to special populations or services provided as part of regular program/service assignment, when applicable (e.g. treatment of children, adolescents, geriatrics, developmentally disabled, addiction, crisis response, forensics, etc.).

2. Psychiatrists – At least 4 hours of Category I continuing education, per year, in psychopharmacology shall be required.

3. The Wisconsin Department of Safety and Professional Services deems three months of post-graduate medical training to be equivalent to 30 hours of Category I CME.
   a. Physicians seeking appointment/reappointment as a Psychiatric Officer of the Day who are presently in a psychiatry residency or sub-specialty psychiatry fellowship program shall be considered to be in compliance with the continuing education requirement.
   b. Physicians seeking appointment/reappointment as a Medical Officer of the Day who are presently in a medical residency or medical sub-specialty fellowship program shall be considered to be in compliance with the continuing education requirement.

4. Board Certified physicians complying with maintenance of certification (MOC) requirements shall be considered to satisfy applicable privilege group CME requirements.

5. New Special Medical Board Requirement: All physicians shall be required to complete two (2) of the required 30 hours via a Wisconsin Medical Board-approved course on responsible opioid prescribing for the next two license renewal periods. Applies to 2017 and 2019 renewals for MD-physicians and 2018 and 2020 renewals for DO-physicians.

B. PSYCHOLOGISTS - At least 50% of the State Psychologist Board required 40 hour minimum per license period shall be relevant to the professional practice of clinical or counselling psychology.

1. For Active and Affiliate Staff, at least 5 hours of continuing education, per year, is required pertaining to special populations or services provided as part of regular program/service assignment, when applicable (e.g. treatment or assessment relating to children, adolescents, geriatrics, developmental disabilities, addictions, crisis response, forensics, etc.).

2. While the Psychology Licensing Board does not require newly licensed psychologists to complete CE during the initial period of licensure, newly licensed psychologists appointed to the Medical Staff shall be required to complete not less than 20 hours of CE during his/her initial two-year appointment period.

C. DENTISTS - While the Dentistry Licensing Board does not require newly licensed dentists to complete CE during the initial period of licensure, newly licensed dentists appointed to the Medical Staff shall be required to complete not less than 15 hours of CE during his/her initial appointment period in clinical dentistry or clinical medicine.

D. PODIATRISTS - At least 50% of the State Medical Board required 50 hour minimum shall be specific to podiatric care.

E. ALLIED HEALTH PROFESSIONALS
1. **Nurse Practitioners/Clinical Nurse Specialists** - A minimum of 30 hours every 2 calendar years; with at least 15 hours specific to practice certification specialty(s) shall be required.
   a. At least 16 hours *per biennium* in clinical pharmacology or therapeutics relevant to the advanced nurse prescribers area of practice and specialty certification shall be required, as per State Nursing Board requirements.
   b. At least two (2) of the required 16 hours shall be in responsible prescribing of controlled substances, as per State Nursing Board requirements.
   c. The remaining 14 hour BHD required minimum shall be in treatment modalities specific to practice certification specialty and privileges.

2. **Other AHP Categories** - At least 50% of the required minimum per two year licensing period shall be specific to clinical practice specialty unless Licensing Board requires more.

II. **REPORTING CME/CE INFORMATION**

   A. **Initial Application** - All Medical Staff and Allied Health Professionals shall be required to provide CME/CE documentation as part of his/her initial application. Recent formal post-graduate training may count toward CME/CE requirements, in accordance with what the applicable Professional Licensing Board allows.

   B. **Reappointment/Reprivileging** - Evidence of satisfaction of the minimum CME/CEU requirements must be submitted for each licensing period. Medical Staff and Allied Health Professionals that choose not to submit CME/CE documentation to the Medical Staff Office, routinely as credits are earned, are required to provide evidence of completion of the State requirements as well as any BI-D specific requirements at time of reappointment/reprivileging application.

   C. **Privilege Amendments** - CME/CE documentation shall be reported to support a request to amend privileges, when applicable.

   D. **Acceptable Forms of Documentation** - CME/CE reporting shall be by submission of copies of CME/CE certificates or in the form of a CME/CE tracker or other evidence of course completion or satisfaction by other means. Information provided must include course or activity title, course or activity date, credits earned and the name of the accredited sponsor.
