As part of the Zoo Interchange Project, the I-94 westbound exit to northbound WIS 100 closed on October 30. In early December, WisDOT will also be closing the I-94 westbound exit ramp to southbound WIS 100, as well as the eastbound entrance ramp to I-94, from WIS 100, until late 2014. During the closure of the northbound WIS 100 access from I-94 East, motorists are advised to use I-94 East to Moorland Road and use Bluemound Road to access WIS 100. To access I-94 East, from WIS 100, motorists should utilize Greenfield Avenue to I-894 North to I-94 East. Motorists accessing WIS 100, from I-94 West, should utilize US-45 North to Bluemound Road or I-894 South to Greenfield Avenue.
