MILWAUKEE COUNTY HEALTH SCREENING QUESTIONNAIRE

Version 1

Interpreting and Responding to the Results of the Screening Questionnaire

NOTE: For workers with exposure only, the response may vary for critical infrastructure workers. An additional question is added for this scenario below to inform the response.

- **If you answered NO to all questions:** Your status is Green. You are cleared to report in-person today. Please proceed to your workplace.
- **If you answered YES to any Symptoms questions and NO to all Exposure questions:** You are not cleared to report to work today. You have screened Red Status for Symptoms. Please notify your supervisor at once and follow instructions for addressing symptoms compatible with COVID-19 in Administrative Order 20-7, Section III.
- **If you answered NO to all Symptoms questions and YES to any Exposure questions:** You are not experiencing Symptoms, but have reported an Exposure. Are you a Critical Infrastructure worker who has already discussed your exposure with your supervisor and been instructed to report to work?
 - Yes, I am a critical infrastructure worker, have discussed my exposure with my supervisor, and been told to report to work:
 - No

Response if YES: You have an exposure but are not symptomatic. You have discussed your exposure with your supervisor and have been informed to report to work because you are a Critical Infrastructure worker undergoing an adapted quarantine procedure (see Administrative Order 20-7, Section V). Please monitor how you are feeling closely throughout your work day. If you start to experience any symptoms today, please notify your supervisor immediately and go home. Please also take extra care to physically distance from others, wear your mask, and wash your hands.

Response if NO: You are not cleared to report to work today. You have screened Red Status for Exposure. Please notify your supervisor at once and follow instructions for addressing symptoms compatible with COVID-19 in Administrative Order 20-7, Section IV.

- **If you answered YES to any Symptoms questions and YES to any Exposure questions:** You are not cleared to report to work today. You have screened Red Status for both Symptoms and Exposure. We recommend that you get tested for COVID-19 (see “Testing Locations”¹ section on the County website). Please notify your supervisor at once and, until you receive your COVID-19 test results, follow instructions for exposure in Administrative Order 20-7, Section IV.
