I'm a proud member of Sigma Gamma Rho Sorority, Inc., board member of Greater Milwaukee Urban League, faithful/active member of Greater New Birth Church.

Proverbs 29:18 reads: "where there is no vision, the people perish". This scripture reminds me that to be about the business, one must possess the attributes of an inspiring leader. My leadership style incorporates a balance of building partnerships and pressing toward the mark. It is my drive for success that pushes me toward reaching my goals and it is my life work that inspires those around me to do the same.

I have the ability to educate and empower those I come in contact with and realize the strengths that will add value.

Professionally, I have worked in human services for the past 15 years in the Greater Milwaukee Area. I understand the importance of developing relationships, effective communications, deadlines, and tact. I take my work seriously and appreciate all that it has taught me in terms of multi-tasking and wearing different hats to accomplish great things.

Agencies, family, and friends that know me well can attest that serving is a significant part of the way I utilize my gifts from God.

Let the works I do speak for me!
