Milwaukee County Combined Community Services Board (CCSB)

The **CCSB** is an appointed body of Milwaukee County citizens who review and make recommendations regarding programs governing services for persons with behavioral, physical, and developmental disabilities, infants through the elderly. The CCSB is scheduled to meet six times a year with additional meetings scheduled as needed. Meetings are open to the public.

The CCSB has the responsibility to

1. Ensure that consumers and their families have a significant role in planning and evaluating any services that have an impact on their ability to live fully in the community.
2. Advise and assist the Director of Department of Health and Human Services to prepare annual budget and purchasing of services, set priorities for meeting long and short-term service needs, and coordination between county administered services and other systems of care.
3. Engage the general public's awareness and support of persons with emotional, physical and cognitive disabilities to increase meaningful community inclusion for all.

The CCSB priorities for 2022-2023

1. Partner with all DHHS Services, Boards, Committees to support achievement of DHHS Strategic Goals
2. Collaborate for Advocacy opportunities across all programs
3. Provide the vital voice of the community into services
4. Improve access to care
5. Focus on diversity, equity and inclusion
6. Partnerships between elected officials, service providers, and the community
