## The info you need. For the life you want.

---

The Milwaukee County Aging & Disability Resource Center (ADRC) provides information on a broad range of programs and services, helps people understand the various short and long-term care options available to them, helps people apply for programs and benefits, and serves as the access point for publicly funded long-term care.

We're here to help you get the information and resources you need to stay independent.

### Information & Assistance

Accurate and timely information regarding community resources for older adults and people with disabilities.

### Benefits Specialists

Information about public and private benefits as well as help for individuals to obtain and retain benefits.

### Options Counseling

One-on-one consultation about private pay and publicly funded long-term care options to allow each individual to make the best-informed decisions for their needs.

### Dementia Care

Support for individuals with dementia and their caregivers including family consultations, care planning, memory screens, and connections to community resources.

### Prevention and Wellness

Wellness and prevention workshops offered throughout the county to promote healthy living and improved well-being.

### Youth Transition

Assisting students with disabilities to navigate the transition from the children's system to the adult service system.

### Access to Community Programs

Links to valuable community programs including transportation, nutrition, legal assistance, home services, caregiver support, recreation, socialization and more.
