SUMMIT TO DO LIST UPDATES

**Tanya Bohacheff,
Northshore Health
Department**

**Tahira Malik,
Samads House**

NALOXONE BOXES

1. Go back to those agencies that have applied and get smaller boxes to put at their agency.
2. MCTS- add bus shelter and include boxes.
3. AED machines with Park bathrooms.
4. Tavern League- smaller boxes. (stimulants- cocaine in side bars, opportunity to collect data- stigma attached to their place of business.
5. pushback- bar setting where you don't want to be tracked.
6. Training staff for administrations, Narcan- security, bartenders, and waitresses
7. Safe ride programs- piggyback off that concept- Package it to deliver it to the tavern league.
8. Safe consumption site- where people can go to overdose and consume substances.
9. How do you increase safety while not affecting your clientele?
10. Plus point- Narcan program- AED already in these places.

NALOXONE BOXE NOTES

**Kristen Grimes,
Wisconsin Good
Samaritan Coalition**

GOOD SAMARITAN LAWS

1. Getting the six added back on the checklist on the adding and abiding.
2. 1 out of 6 is checked
3. What laws are covered under the Good Samaritan laws?
4. What do we contribute to passing the bill?
5. How do we advocate for it in real time?
6. Long-term advocacy strategies and short-term intervention.
7. Communication and messaging.

GOOD SAMARITAN LAW NOTES

Tyler Tapp, Vivent Health

VIVENT HEALTH ONLINE DEPOT

1. How to get around the return address-
2. They get returns due to pranks, so they order stuff to prank a friend
3. Fake Sender: Can we use a P.O. Box, a registered agent address that can do mail forwarding or confidential sending?

Vivent Health Online Depot Notes
